Dengi V Folklore

Ivo Mijnsen

Dengi V Folklore:

Soil and Soul Elena Hellberg-Hirn, 2019-01-04 Originally published in 1998 in this book a number of stereotypes symbols and signs of Russia such as the double headed eagle the star bread and salt troika the Orthodox cross etc are presented as a consistent set of metaphors revealing a symbolic world made by and for the Russians in order to sustain and reinforce their group identity The Russian language culture and history form the basic core of the symbolic archive or thesaurus of Russianness from which the necessary images symbols and signs of identification are provided to manifest connection with the sphere of Russian identity Such symbolism may directly or obliquely refer either to the territory soil of Russia or to the ethnically specific traits of the Russian people soul Both soil and soul are emphatically personified in the symbolic image of Holy Russia Mother Russia *The Complete Folktales of A. N. Afanas'ev* Jack V. Haney, 2014-11-18 The folktales of A N Afanas ev represent the largest single collection of folktales in any European language and perhaps in the world Widely regarded as the Russian Grimm Afanas ev collected folktales from throughout the Russian Empire in what are now regarded as the three East Slavic languages Byelorussian Russian and Ukrainian The result of his own collecting the collecting of friends and correspondents and in a few cases his publishing of works from earlier and forgotten collections is truly phenomenal In his lifetime Afanas ev published more than 575 tales in his most popular and best known work Narodnye russkie skazki In addition to this basic collection he prepared a volume of Russian legends many on religious themes an anthology of mildly obscene tales and voluminous writings on Slavic folk life and Slavic mythology His works were subject to the strict censorship of ecclesiastical and state authorities that lasted until the demise of the Soviet Union at the end of the twentieth century Overwhelmingly his particular emendations were of a stylistic nature while those of the censors mostly concerned content The censored tales are generally not included Up to now there has been no complete English language version of the Russian folktales of Afanas ev This translation is based on L G Barag and N V Novikov s edition Moscow Nauka 1984 1986 widely regarded as the authoritative edition The present edition includes commentaries to each tale as well as its international classification number **Dispossession** Catherine Wanner, 2023-12-15 This volume examines Russia s war on Ukraine Scholars who have lived through the Russian invasion or who have conducted ethnographic research in the region for decades provide timely analysis of a war that will leave a lasting mark on the twenty first century Using the concept of dispossession this volume showcases some of the novel ways violence operates in the Russian Ukrainian war and the multiple means by which civilians within the conflict zone and beyond have become active participants in the war effort Anthropological perspectives on war provide on the ground insight historically informed analysis and theoretical engagement to depict the experiences of dispossession by war and the motivations that drive the responses of the dispossessed Such perspectives humanize the victims even as they depict the very inhumanity of war Dispossession is geared towards upper level undergraduate and graduate students scholars and the general reader who seeks to have a deeper understanding of the

Russian Ukrainian war as it continues to impact geopolitics more broadly The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Russia in 1913 Wayne Dowler, 2010-10-29 A pivotal year in the history of the Russian Empire 1913 marks the tercentennial celebration of the Romanov Dynasty the infamous anti-Semitic Beilis Trial Russia's first celebration of International Women's Day the ministerial boycott of the Duma and the amnestying of numerous prisoners and political exiles along with many other important events A vibrant public sphere existed in Russia's last full year of peace prior to war and revolution During this time a host of voluntary associations a lively and relatively free press the rise of progressive municipal governments the growth of legal consciousness the advance of market relations and new concepts of property tenure in the countryside and the spread of literacy were transforming Russian society Russia in 1913 captures the complexity of the economy and society in the brief period between the revolution of 1905 and the outbreak of war in 1914 and shows how the widely accepted narrative about pre-war late Imperial Russia has failed in significant ways While providing a unique synthesis of the historiography Dowler also uses reportage from two newspapers to create a fuller impression of the times This engaging and important study will appeal both to Russian studies scholars and serious readers of history

Mythmaking in the New Russia Kathleen E. Smith, 2018-05-31 After the collapse of Communist rule in 1991 those loyal to the old regime tried to salvage their political dreams by rejecting some aspects of their history and embracing others Yeltsin and the democrats although initially hesitant to rely on the patriotic mythmaking they associated with Communist propaganda also turned to the national past in times of crisis realizing they needed not only to create new institutions but also to encourage popular support for them Kathleen E. Smith examines the use of collective memories in Russian politics during the Yeltsin years surveying the various issues that became battlegrounds for contending notions of what it means to be Russian Both the new establishment and its opponents have struggled to shape versions of past events into symbolic political capital What parts of the Communist past Smith asks have proved useful for interpreting political options Which versions of their history have Russians chosen to cling to and which Soviet memories have they deliberately tried to forget What symbols do they hold up as truly Russian Which will help define the attitudes shaping Russian policy for decades to come Smith illustrates the potency of memory debates across a broad range of fields law politics art and architecture Her case studies include the changing interpretations of the attempted coups of 1991 and 1993 the recasting of the holiday calendar the controversy over the national anthem the status of trophy art brought to Russia at the end of World War II and the partisan use of historical symbols in elections

Pedagogies of Culture Dilyara Suleymanova, 2020-02-14 Through an ethnographic study of schooling in the Republic of Tatarstan this book explores how competing notions of nationhood and belonging are constructed articulated and negotiated within educational spaces Amidst major political and ideological moves toward centralization in Russia under the Putin presidency this small provincial town in Tatarstan provides

a unique case of local attempts to promote and preserve minority languages and cultures through education and schooling Ultimately the study reveals that while schooling can be an effective instrument of the state to transform individuals as well as society as a whole school also encompasses various spaces where the agency of local actors unfolds and official messages are contested Looking at what happens inside schools and beyond in classrooms hallways and playgrounds to private households or local Islamic schools Dilyara Suleymanova here offers a detailed ethnographic account of the way centrally devised educational policies are being received negotiated and contested on the ground

How Capitalism Was Built Anders Aslund, 2013 Anders Aslund is known to make bold predictions that initially arouse controversy but soon become common wisdom In Gorbachev's Struggle for Economic Reform 1989 he foresaw the collapse of the Soviet political and economic system After Russia's financial crisis of 1998 observers declared the market economic experiment a failure Aslund foresaw market economic success Building Capitalism 2002 In How Capitalism Was Built 2nd Edition he asks and answers for the twenty one countries he investigates Why did communism collapse Why did Russia not choose gradual reforms like China did Wherein lies the relative success of postcommunist transformation How did the oligarchs arise and decline vis vis authoritarian leaders Anyone who wants to understand the often confusing postcommunist dramas and obtain an early insight into the future will find this intellectually stimulating book useful This edition includes updates to each chapter and new chapters on the impact of the global financial crisis and the European Union

What Was Bolshevism? Lars T. Lih, 2023-10-20 How did the Bolsheviks see themselves What grand narrative gave meaning to their revolutionary aspirations The leading Western expert on Bolshevism Lars T Lih answers these questions in the first ever study of the Bolshevik outlook from Lenin to perestroika Sharply focused case studies allow individual leaders Lenin Stalin Bukharin Trotsky Zinoviev to come alive and speak in their own voices with surprising results that challenge conventional narratives left and right What Was Bolshevism uses novels plays literary criticism photographs statues poetry history textbooks songs and film to paint an indispensable self portrait of Soviet civilization

The Caucasus Emirate Mujahedin Gordon M. Hahn, 2014-10-23 Russia's North Caucasus mujahedin of the self declared Caucasus Emirate and the history thereof is part and parcel of the global jihadi revolutionary movement which includes but is no longer led by Al Qaeda This book corrects the inadequate previous treatments of the violence in the Caucasus almost all of which explain what ought to be called the rise of jihadism in the Caucasus solely in terms of Russian actions The author brings the international jihadist and local North Caucasian causes back into the picture detailing the global Jihadist Islamist revolutionary movement's propagation of the jihadi method and material support to nationalist and Islamic extremists in Chechnya and the Caucasus since the mid 1990s Like jihadi groups in Afghanistan and Pakistan Iraq Syria and Africa the Caucasus Emirate is an Al Qaeda ally and de facto affiliate It represents a threat to Russian U S and international security as evidenced by terrorist plots perpetrated or inspired by it in Belgium the Czech Republic Denmark Spain Azerbaijan and Boston

Indian Antiquary, 1896 Advice in Discourse Holger

Limberg, Miriam A. Locher, 2012 This multi faceted collection of research papers on Advice in Discourse focuses on advisory practices in different contexts Data is drawn from academic educational and training settings health related practices and computer mediated communication The languages involved are Cantonese English Finnish Japanese Spanish and Russian The chapters treat professional and institutional practices practices that contain peer interaction within an institutional framework and non institutional peer interaction as well as solicited and non solicited advice in written and spoken form The work reported on clearly demonstrates the complexity of the advisory activity which needs to be studied in its cultural framework and interactional context The richness and diversity of this practice is studied from different methodological angles covering qualitative and quantitative as well as theoretical and empirical analyses The volume provides a comprehensive introduction to the research field thought provoking theoretical discussions and extensive references for future research It is essential for linguists advice practitioners and for those who want to learn more about the discourse of advice

Russia's Hero Cities Ivo Mijnsen, 2021-05-04 World War II known as the Great Patriotic War to Russians ravaged the Soviet Union and traumatized those who survived After the war memory of this anguish was often publicly repressed under Stalin But that all changed by the 1960s Under Brezhnev the idea of the Great Patriotic War was transformed into one of victory and celebration In Russia's Hero Cities Ivo Mijnsen reveals how contradictory national recollections were revised into an idealized past that both served official needs and offered a narrative of heroism This triumphant narrative was most evident in the creation of 13 Hero Cities now located across Russia Belarus and Ukraine These cities which were host to some of the fiercest and most famous battles were named champions Brezhnev's government officially recognized these cities with awards financial contributions and ritualized festivities Their citizens also encountered the altered history at every corner on manicured battlefields in war memorials and through stories at the kitchen table Using a rich tapestry of archival material oral history interviews and newspaper articles Mijnsen provides a thorough exploration of two cities in particular Tula and Novorossiysk By exploring the significance of Hero Cities in Soviet identity and the enduring but conflicted importance they hold for Russians today Russia's Hero Cities exposes how the Great Patriotic War no longer has the power to mask the deep rifts still present in Russian society

Monetary Policy in the Soviet Union Yasushi Nakamura, 2017-08-08 This book sheds light on the Soviet economic system which claimed the eventual abolition of money collapsed following a monetary turmoil It argues that the cause of the economic collapse was embedded in the design of the economic system The Soviet economic system restricted the market but continued to use fiat money Consequently it faced the question for which no feasible answer seemed to exist how to manage fiat money without data and information generated by the market Using Soviet data newly available from the archives the book evaluates the performance of the components of monetary management mechanism discovers the continuous accumulation of open and secret government debts and quantitatively analyzes the relationship between economic growth and the money supply to support the argument

The book concludes that the Soviet economic collapse marked the end of the long history of Soviet monetary mismanagement

Arts & Humanities Citation Index ,2000 **Roll Over, Tchaikovsky!** Stephen Amico,2014-06-15 Centered on the musical experiences of homosexual men in St Petersburg and Moscow this ground breaking study examines how post Soviet popular music both informs and plays off of a corporeal understanding of Russian male homosexuality Drawing upon ethnography musical analysis and phenomenological theory Stephen Amico offers an expert technical analysis of Russian rock pop and estrada music dovetailing into an illuminating discussion of homosexual men s physical and bodily perceptions of music He also outlines how popular music performers use song lyrics drag physical movements images of women sexualized male bodies and other tools and tropes to implicitly or explicitly express sexual orientation through performance Finally Amico uncovers how such performances help homosexual Russian men to create their own social spaces and selves in meaningful relation to others with whom they share a nontraditional orientation **Everyday foreign policy** Elizaveta

Gaufman,2023-05-30 While everyday high level practices have become an important area of study the everyday of the every wo man has been overlooked both in theoretical and empirical conceptualizations Building on feminist sociological and ethnographic research this book argues that everyday foreign policy is an assemblage a combination of physical and cultural practices that inhabit digital and bodily spaces Following the feminist call to liberate international relations from the straitjacket of high politics this book contextualizes foreign policy within daily practices of regular citizens who also have their own motivation behind reposting memes eating a certain kind of cheese or shaming women for their dating preferences This book focuses on Russian grass roots foreign policy after the annexation of Crimea zeroing in on fetishization of Putin militarization sanctions Russian Turkish and Russian American relations FIFA World Cup and the COVID 19 pandemic

Four Sisters: The Lost Lives of the Romanov Grand Duchesses Helen Rappaport,2014-03-27 On 17 July 1918 four young women walked down into the cellar of a house in Ekaterinburg The eldest was twenty two the youngest only seventeen Together with their parents and their thirteen year old brother they were all brutally murdered Their crime to be the daughters of the last Tsar and Tsaritsa of All the Russias In *Four Sisters* acclaimed biographer Helen Rappaport offers readers the most authoritative account yet of the Grand Duchesses Olga Tatiana Maria and Anastasia Drawing on their own letters and diaries she paints a vivid picture of their lives in the dying days of the Romanov dynasty We see almost for the first time their journey from a childhood of enormous privilege throughout which they led a very sheltered and largely simple life to young womanhood their first romantic crushes their hopes and dreams the difficulty of coping with a mother who was a chronic invalid and a haemophiliac brother and latterly the trauma of the revolution and its terrible consequences Compellingly readable meticulously researched and deeply moving *Four Sisters* gives these young women a voice and allows their story to resonate for readers almost a century after their death An astoundingly intimate tale of domestic life lived in the crucible of power Observer The Economic journal ,1962 **Nineteenth-century Literature Criticism** Laurie

Lanzen Harris, 1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations The
