Twentieth-Century Shapers of American Popular Religion Charles H. Lippy, 1989-03-27 Those familiar with the uneven quality of existing biographies and autobiographies of modern American religious celebrities will be especially grateful for the critical comments and reliable information in this engaging volume Choice Despite its pervasive influence popular or non official religion in twentieth century America has been largely ignored by scholars This book is the first biographical reference to be published on the subject It examines the lives and careers of more than sixty notable individuals who have helped to shape popular religious sentiment in this century including radio and television preachers inspirational writers gospel songwriter performers mass revivalists and leaders of religious movements that cut across denominational lines In his introduction Lippy discusses the eclectic and individualistic character of popular religion its impact on American attitudes and behavior and critical approaches to interpreting and understanding it Each essay offers a brief biography followed by a critical appraisal of the contribution of the subject and an assessment of relevant literature Entries conclude with a selective bibliography Cross referencing and a comprehensive index are supplied Combining the efforts of more than forty scholars Lippy s book is the first to give us a clear picture of the many different kinds of people who have left their mark on popular

religious consciousness in the twentieth century A useful reference for American studies American religious history popular culture studies and related areas this volume will also be of interest to general readers **Recovering the Margins of American Religious History** B. Dwain Waldrep, Scott Billingsley, 2012-04-03 Harrell's connections with these religious movements point to his deeper ongoing concerns with class gender and race as core factors behind religious institutions and he has unblinkingly investigated a wide range of social dynamics **Post-Charismatic** Robby McAlpine, 2023-08-14 Our weekly Charismatics Anonymous meeting is about to begin Join me will you It's like we're caught between a rock and a hard place We're continuationists We believe all the gifts of the Holy Spirit are alive and well and essential for today But we've also been burned by unbiblical teachings spiritual abuse and the gaslighting subculture of pneuma fomo fear of missing out on the next great move of the Spirit We yearn for the Spirit's presence and power in our lives We don't want to throw the baby out with the bathwater but the water's teeming with spiteful pathogens It's time to roll up our sleeves and take responsibility for disinfecting the tub Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long Our Kairos moment has arrived Let's hone the charismata of discernment A Fresh Anointing Kenneth E. Hagin, 1989-08 The Body of Christ is to be filled with God's power and glory This book exhorts believers to abide in the Presence of God so they can experience a fresh anointing each day Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas *The Charismatic Movement* Charles Edwin Jones, 1995 **Exceedingly Growing Faith** Kenneth E. Hagin, 1990 This classic treasury of messages on faith can help believers understand the basic principles vital to the lifestyle of faith

What to Do When Faith Seems Weak and Victory Lost Kenneth E. Hagin, 1979-05 There is no need to be defeated God has given us His Word He is all the equipment we need Kenneth E Hagin writes in the preface to his book *What to Do When Faith Seems Weak and Victory Lost* I meet Christians all the time who have problems Rev Hagin continues They have come to the place where they say I don't know what to do Have you ever been there This is the reason for this book These 10 steps taken in sequence will bring anyone out of defeat into certain victory In the book's summary Rev Hagin warns Do not make the mistake multiplied thousands of Christians are making That is wondering and wavering concerning the will of God in anything that is promised by God Encyclopedia of American Religions J. Gordon Melton, 2003 This encyclopedia revised and expanded contains over 2600 descriptive entries on the religious and spiritual groups of the United States and Canada
