Denton Voices:

Denton Voices Jill Cronin, Marion Pilcher, 1998 An oral history of Denton **Voices of the Vietnam POWs** Craig Howes, 1993 Contains primary source material Werner's Voice Magazine ,1887 Voices from Captivity Robert C. Doyle, 1994 Doyle shows that though setting and circumstances may change POW stories share a common structure and are driven by similar themes Capture incarceration isolation propaganda torture capitulation or resistance death spiritual quest escape liberation and repatriation are recurrent key motifs in these narratives **The Handbook of Discourse Analysis** Deborah Tannen, Heidi E. Hamilton, Deborah Schiffrin, 2015-03-30 The second edition of the highly successful Handbook of Discourse Analysis has been expanded and thoroughly updated to reflect the very latest research to have developed since the original publication including new theoretical paradigms and discourse analytic models in an authoritative two volume set. Twenty new chapters highlight emerging trends and the latest areas of research. Contributions reflect the range, depth and richness of current research in the field. Chapters are written by internationally recognized leaders in their respective fields constituting a Who's Who of Discourse Analysis. A vital resource for scholars and students in discourse studies as well as for researchers in related fields who seek authoritative overviews of discourse analytic issues, theories and methods. **The Original Amos 'n' Andy** Elizabeth McLeod, 2015-07-11 This critical reexamination of Amos 'n' Andy, the pioneering creation of Charles Correll and Freeman Gosden, presents an unapologetic but balanced view lacking in most treatments. It relies upon an untapped resource: thousands of pages of scripts from the show's nearly forgotten earliest version, which most clearly reflected the vision of its creators. Consequently, it provides fresh insights and in part refutes the usual blanket condemnations of this groundbreaking show. The text incorporates numerous script excerpts, provides key background information, and also acknowledges the show's importance to radio broadcasting and modern entertainment. **Global Autovon Automatic Voice Network, Defense Communications System Directory** United States. Defense Communications Agency, 19?? *Werner's Magazine* ,1894 *The Voice of Public Theology* Ted Peters, 2022-11-07 Public theologians are already thundering like prophets at climate change and racial injustice. But the gale force winds of natural science blow through society as well. The public theologian should be on storm watch. **Haunted Denton** Teal Gray, 2022-05-30 Follow a trail of Denton ghost stories from nineteenth century pioneers and outlaws to modern day businessmen who don't intend to clock out. Locals report that John B. Denton still roams the grounds of the courthouse lawn and keeps watch over his namesake town square from an upper window. The 1949 Campus Theatre is said to be haunted by the playful spirit of J. P. Harrison, the first general manager of the building. Historic restaurants like Cartwright's Ranch House and Killer's Tacos pair the occasional full body apparition with their delicious menus. From the specter showing up in a selfie at Dix Coney Island to a phantom threading its way through Rose's Costume shop, Teal Gray captures the haunted heritage of this fascinating Texas town.
