Jeremy Kuzmarov

Depth Force No 12 Warmonger:

Warmonger Irving A. Greenfield,1989 When a mutineering Russian officer seizes a new submarine and threatens America with holocaust Admiral Jack Boxer must dismantle the sub to protect the free world Now he is caught in a deadly race with the Russian fleet to reach the submarine first

The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini,2005

Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal

Warmonger Jeremy Kuzmarov,2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton's Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton's foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan's two terms Clinton further expanded America's covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton's malign foreign policies and U S complicity in terrorist acts In so many ways Clinton's presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton's administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new

Partitioning Palestine John Strawson,2010-04-09 Law lies at the roots of the Palestinian Israeli conflict Jews sought a national home by Public Law while Palestinians reject the project as illegal Britain the League of Nations and the United Nations all mobilised international law to justify their interventions After the 1967 war Israel organised an occupation with excessive legalism that most of the world viewed in fact as illegal Partitioning Palestine focuses on three key moments in the Palestinian Israeli conflict the League of Nations Mandate the United Nations partition plan and the Oslo agreements None of these documents are neutral but rather encode a variety of meanings The book traces the way in which these legal narratives have both shaped national identity and sharpened the conflict In this pioneering text John Strawson argues that a committed attachment to the belief in legal justice has hampered the search for a settlement Law far from offering conflict resolution has reinforced the trenches from which Palestinians and Israelis confront one another
