Der Bruder Heinrich Mann Eine Biographie:

Der Bruder, Heinrich Mann Willi Jasper, 1992 Pp 246 266 Die Deutschen sind den Juden viel zu ähnlich trace Mann's relation to Jews Mann attacked by the Nazis for his philosemitism was in his younger days influenced by the antisemitic movement of the 1880s 90s He was editor of the antisemitic periodical Das zwanzigste Jahrhundert In 1895 he wrote an article Jüdischen Glaubens against the Jewish intellectuals who were in his view uprooting German culture However with his political conversion soon thereafter he began to value the Jewish contribution to the intellectualization of German life The failure of the German Jewish relationship was for him a tragedy he declared that the Germans should be the last to be antisemitic because they and the Jews were so much alike Mann warned that Nazi persecution of the Jews was only the beginning of the persecution of the intellect of what is most human in us as this persecution took on more and more horrifying forms he saw in it the doom of the Germans themselves

Das problematische Weib in Heinrich Manns Frühwerk Catalina Balinisteanu-Furdu, 2021-10-14 Mein Hauptinteresse war und blieb die Frau so bestigt Heinrich Mann seine Einstellung zu den Frauen deren Anwalt er zu sein scheint Und das sieht man in seinen erotischen Erfahrungen und Phantasien mit Frauen die er mit Stolz und Sympathie in seinen Werken ausgedrückt hat Also resultiert seine Schilderung der Generation der Dekadenz aus seiner persönlichen Erfahrung Die Gestalten aus Heinrich Manns frühen Romanen repräsentieren eine subjektive Beschreibung einer objektiven Realität Frauen und Sexualität wurden immer aufeinander bezogen deswegen wurde die Konstruktion der Frauenbilder am meisten aufgrund der Differenzen von Geschlechtern analysiert Das Ziel dieser Arbeit besteht in der Darstellung der Frau um die Jahrhundertwende unter dem Einfluss der kulturellen und sozialen Veränderungen Frauen können nicht analysiert werden ohne die gesellschaftlichen Bedingungen der Zeit in Betracht zu nehmen Die Frauen wurden aufgrund der Konventionen der Zeit definiert und man kann sehen dass diese sozialen Zwänge kein Gleichgewicht zwischen den Rechten und Pflichten der Frauen schildern Auch in der Kunst und Literatur wurden die Frauen typisiert man unterscheidet zwischen der reinen Frau und der verfallenen Frau zwischen femme fragile und femme fatale usw Aufgrund des historischen Kontextes werde ich mich in meiner Arbeit nur auf diejenigen Romane Heinrich Manns beziehen die während des Deutschen Kaiserreiches bis zum Ersten Weltkrieg geschrieben wurden In einer Familie Im Schlaraffenland Die Götinnen Die Jagd nach Liebe Professor Unrat Zwischen den Rassen Die kleine Stadt Der Untertan

Uniform Fantasies Jeffrey Schneider, 2023-07-26 Starting in the nineteenth century in Germany colourful military uniforms became a locus for various queer male fantasies fostering an underground sexual economy of male prostitution as well as a political project to exploit the army's prestige for queer emancipation In the first decade of the twentieth century however a series of scandals derailed this emancipatory project Simultaneously public

debates began to invoke homosexuality sadism transvestism and other sexological concepts to criticize military policies and practices In pursuing the threads with which queer authors and activists stitched their fantasies about uniforms Jeffrey Schneider offers fresh perspectives on key debates over military secrecy disciplinary abuses in the army and German militarism Drawing on a vast trove of materials ranging from sexological case studies trial transcripts and parliamentary debates to queer activist tracts autobiographies and literary texts *Uniform Fantasies* uncovers a particularly modern set of concerns about such topics as outing closeted homosexuals the presence of gay men in the military and whether men in uniform are more masculine or more insecure about their sexual identity ***Musical Constructions of Nationalism*** Harry White, Michael Murphy, 2001 An innovative collection of essays applying a new musicology approach to the relationship between nationalist ideologies and the development of European music ***Europe in Crisis*** Mark Hewitson, Matthew D'Auria, 2012-10-01 The period between 1917 and 1957 starting with the birth of the USSR and the American intervention in the First World War and ending with the Treaty of Rome is of the utmost importance for contextualizing and understanding the intellectual origins of the European Community During this time of crisis many contemporaries especially intellectuals felt they faced a momentous decision which could bring about a radically different future The understanding of what Europe was and what it should be was questioned in a profound way forcing Europeans to react The idea of a specifically European unity finally became at least for some a feasible project not only to avoid another war but to avoid the destruction of the idea of European unity This volume reassesses the relationship between ideas of Europe and the European project and reconsiders the impact of long and short term political transformations on assumptions about the continent's scope nature role and significance ***Geschichte der deutschsprachigen Literatur, 1870-1900*** Peter Sprengel, 1998 Eine Überblicksdarstellung zu den Entwicklungslinien der Literaturgeschichte des ausgehenden 19. literary authors as well as the social role position and status of German literature. They also affected the way writers viewed the competition in which they found themselves pitted against visual and electronic media as rival windows on the past. In the context of several debates on German literature during the 1990s, the discussion revolved not only around the adequate aesthetic representation of the historical and cultural heritage but even more so around the role of literature itself in that process. The contributions look at different discourses that were and still are concerned with reinterpreting and creating new collective symbols and narrative patterns in relation to Germany's past. The volume focuses on the effects of the characteristic discourses of the press, literature and its different genres, film, the internet and memorials on the depiction and performance of memories.

Heinrich Mann Stephen A. Grollman, 2002. This book focuses on Heinrich Mann's representations of Wilhelmine Germany written between 1895 and 1925. A major figure in German literature and intellectual history, Heinrich Mann has stirred controversy among scholars for the divisive political and social themes in his novels and essays and for having reversed his positions on these issues from a decidedly conservative stance in his youth to an increasingly left liberal outlook. In contrast to previous studies that trace the development of Mann's thought, this book divides Mann's earlier writings into two distinct types of narrative: a contemporary commentary at the turn of the century and a historical assessment of the Wilhelmine era after 1918. In this manner, the early period is not dismissed as a passing phase but described as part of the discourses circulating in 1890s Germany. The later historical retrospectives in turn are compared against the assessments of recent historians.

Heinrich Mann: Ein Zeitalter wird besichtigt Heinrich Mann, 2022-04-20. Heinrich Mann: Ein Zeitalter wird besichtigt. Eine Autobiographie als spannende Zeitreise. Neu editierte 2022er Ausgabe mit über 200 erklärenden Fußnoten. Heinrich Manns Rückschau. Ein Zeitalter wird besichtigt ist weit mehr als eine Autobiographie. Es ist eine spannend zu lesende historische Zeitreise zurück bis zur Französischen Revolution über die Wilhelminische Zeit bis hin zu eigenen Erlebnissen und Reflexionen als teilnehmender Beobachter während der dramatischen ersten Jahrzehnte des 20. Jahrhunderts. Der historische Teil des Werkes ist top recherchiert und wunderbar lesbar. Notiert die eigenen Erlebnisse spannend tiefsinnig am Ende bis angesichts der Zeitumstände bitter sarkastisch skizziert. Mann schrieb das Werk 1943/1944 im kalifornischen Exil. 1947 brachte es der Aufbau Verlag Ost Berlin in großer Auflage heraus. In Westdeutschland war dieses Buch des bekennenden Sozialisten Heinrich Mann hingegen lange beiseitegeschoben und wurde erst in den 70er Jahren publiziert. Redaktion eClassica 2022.
