British Sport - A Bibliography to 2000 Richard Cox, 2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain. It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian. **Groundwork** Ryan Hills, 2022-09 When Jim Smith took charge of Derby County in the summer of 1995 he joined a club needing to balance the books after several seasons of failing to reach the Premier League. Little was expected of him. Yet alongside Steve McClaren Smith oversaw a transformation that took Derby to a new home, a new division and to the brink of European competition for the first time since the days of Dave Mackay. Smith built a side capable of matching the very best in English football, amassing an array of international talent almost never before seen in the British game alongside hugely impressive home-grown players. This is the story of Jim Smith's Derby County told with the exclusive insights of Smith's players, coaching staff, friends and supporters. Rams legends including Igor Stimac, Stefano Eranio and Steve McClaren speak in depth on what made that Derby County side, while those closest to Jim reveal what the legendary man manager was like to deal with both in and out of football. **The Derby County Story Told in Pictures** David Thornton, 1989 **Bad Worse Worst** Edgar Smith, 2008

Football Nation Andrew Ward, John Williams, 2009-08-03 Football is at the heart of British national identity, intrinsically linked to our social history. Through more than forty fascinating stories, *Football Nation* reveals the hidden and not so hidden history of the game since 1945. From the mass audiences of austerity Britain and the introduction of floodlights at Accrington Stanley in the 1950s through the escalating hooliganism of the 1970s and the arrival of the first all-seater stadium at Coventry in the 1980s to the Hillsborough disaster and the coming of the Premiership, Andrew Ward and John Williams reveal the truth about the national game as it was once and is today in the age of satellite TV, celebrity lifestyle and extreme wealth. Looking back at the days when footballers were amateurs who travelled to the match with the fans right through to the present day where top-flight players command a higher weekly wage than the average spectator can earn in a year, *Football Nation* is informed, wryly amusing, often surprising and always vastly entertaining. It offers an entirely fresh perspective on the history of the beautiful game in Britain. *The Remarkable Story of Fred Spiksley* Mark Metcalf, 2021-07-30

Gainsborough's Fred Spiksley was one of the first working-class youngsters in 1887 to live the dream of becoming a professional footballer before later finding a role as a globe-trotting coach. He thus dodged the inevitability of industrial, poorly paid, dangerous labour. Lightning-fast Spiksley created and scored hundreds of goals, including to the great joy of the future Queen Mary who chased him down the touchline three against Scotland in 1893. The outside left scored both Sheffield Wednesday's goals in the 2-1 defeat of Wolves in the 1896 FA Cup Final at the Crystal Palace. Forced by injury to stop playing at aged 36, Spiksley adventured out into the world. He acted with Charlie Chaplin, escaped from a German prison at the start of the First World War and later made the first talking football training film for youngsters. As a coach/manager he won titles

in Sweden Mexico the USA and Germany becoming the last Englishman to coach a German title winning team with 1FC Nuremberg in 1927 He coached in Barcelona in 1932 and it was only after his involvement had exceeded 50 years during which time as this book explains the game changed dramatically did Spiksley s football career end As an addicted gambler and womaniser Spiksley had his problems away from football However he was beloved by his football fans including Herbert Chapman the greatest manager of that era in English football who towards the end of his life picked him in his finest XI
