Starfist: Force Recon: Backshot David Sherman, Dan Cragg, 2005-07-26 An exciting new special ops adventure from the battle tested vets who created the popular Starfist series Jorge Lavager charismatic leader of the mysterious Union of Margelan ferociously guards an agricultural research facility on the planet Atlas What that facility conceals will prove whether Lavager is an idealist seeking to unify Atlas under a banner of freedom and prosperity or a tyrant aiming to control all of Human Space The Marines of Fourth Force Recon s second platoon are dispatched to Atlas to uncover the truth They will have to sneak past state of the art surveillance equipment barring unlawful entry to the planet and land in a desolate area miles from their target And if they discover lethal new weapons instead of legitimate research the thirty six Marines are to seize the compound guarded by merciless armed to the teeth soldiers and destroy it But what the recon team finds on

Atlas sets off a chain of events that will force some hard decisions on the Marines and end in a deadly surprise **Starfist: Force Recon: Recoil** David Sherman, Dan Cragg, 2008-11-25 Swift silent and deadly they strike where no one else dares Fear is the fastest growing crop on Haulover a newly colonized planet where someone or something is destroying isolated farmhouses The unseen enemy strikes without warning then disappears leaving no stone standing no trace of families or farm animals When the Confederation receives a desperate plea for help it's time to send in the Marines Impossible missions are a matter of course for Fourth Force Recon's second platoon squads and the situation at Haulover with no witnesses and few clues is no exception But this assignment turns out to be even tougher and bloodier than usual because the devastation is a ploy to lure the nine Marines into a trap and to force them to bust the Confederation's terrible secret wide open And as for the Skinks lying in ambush on Haulover they have no idea what trouble is until they go up against a few good Marines

Starfist: Force Recon: Pointblank David Sherman, Dan Cragg, 2006-08-29 A bold new contingent Force Recon joins the explosive Starfist space epic of marines at war A Confederation army is besieged on the planet Ravenette cut off by and facing destruction at the hands of a dozen Secessionist Coalition worlds arrayed against it The outnumbered and outgunned forces cling precariously to their foothold dubbed Bataan by the desperate men in their fighting bunkers Reinforcements are on the way but will they arrive in time And even if they do can they match the well led highly motivated enemy determined to destroy them in battle But the Confederation commander holds a wild card an elite force armed only with what they carry on their backs and in their heads a small detachment of Marines who lightly go where others fear to tread the Fourth Force Recon Company For anyone else this mission would be suicide but for these Marines it's just another day in the maelstrom

Starfist: Flashfire David Sherman, Dan Cragg, 2006-01-31 Packed with hard core action written by battle savvy combat veterans the explosive Starfist series has become hugely popular across America Now the saga of the courageous Marines continues in Flashfire as the 34th Fleet Initial Strike Team FIST ventures to the edge of Human Space to fight a number of enemies some on their own side Tensions erupt between the Confederation and several frontier worlds when civilians are shot dead at an army base on the planet Ravenette Enraged the Ravenette government and nine neighboring planets form a coalition and their first act of secession is to overrun Ravenette's Confederation garrison With the armed forces of ten worlds seizing the brutal upper hand the embattled troops need help now and they need it bad Enter the Marines of the 34th FIST As the nearest ready to deploy unit the team is sent to Ravenette with orders to hold the line until reinforcements arrive The upcoming operation promises to be no picnic for while sophisticates may ridicule the backward ways of the uncouth frontier folk no one scoffs at their fighting ability Charlie Bass doesn't mince words for his men in Company L's third platoon Two army divisions perhaps thirty thousand soldiers are being overwhelmed and somebody expects a thousand Marines to save the day As pompous Confederation generals wreak even more havoc than the enemy there are those who call the mission suicide but not the Marines Of course it sounds hopeless but for Marines like Charlie Bass and the rest of the 34th FIST

accomplishing the impossible comes with the territory *Starfist: Wings of Hell* David Sherman,Dan Cragg,2008-12-30 Planet Haulover has been invaded by Skinks Until now the aliens existence has been hushed up But Force Recon s shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction Meanwhile back home the Confederation s president is being denounced as a warmonger out to exterminate harmless aliens If she loses the upcoming elections the Confederation will have a lot more Skinks to worry about than the ones on Haulover Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns such as staying alive But what would be a suicide mission for most whether it s raiding a hidden Skinks base or destroying the enemy s most lethal weapons during a desperate firefight is just another job for the Thirty fourth FIST **Starfist: A World of Hurt** David Sherman,Dan Cragg,2009-01-16 With its down and dirty depiction of warfare written by men who know what it s like to be under fire the Starfist saga is a runaway success across America Now in the explosive new Starfist adventure packed with fierce action and danger Marines at war in future space find themselves pitted against a faceless insatiable foe bent on destroying them And that s just for starters How bad is the upcoming mission facing the battle hardened Marines of 34th Fleet Initial Strike Team FIST the military s unofficial alien first contact force Bad enough to make the brass take the unprecedented step of issuing 34th FIST replacements for combat losses before the Marines even leave their home base In response to a series of unexplained deaths on a lonely outpost on the frontiers of human space 34th FIST has been dispatched to investigate and eradicate the problem Beyond that the information available to Gunnery Sergeant Charlie Bass and his men is meager even by Marine standards No one knows what awaits them for the newly colonized world remains largely unexplored That means 34th FIST can expect creatures they have never seen or even heard of much less trained for It could be Skink acid shooters could be anything for the barren station has several secrets all of them deadly But the last thing these Marines expect to find is themselves in the middle of an invasion and a mysterious war with none other than 34th FIST as Enemy 1 Whatever happens they ll deal with it because they re Marines determined to be ready and to give worse than they get **Starfist: Kingdom's Swords** David Sherman,Dan Cragg,2002-04-29 The Marines were told it was a simple peasant rebellion but the mission proved to be far deadlier Gunny Charlie Bass isn t the only Marine mystified by the order sending the entire 34th to put down a few seditious serfs on planet Kingdom Rumors swirl of a deadly alien invasion But few believe that such sentient beings exist Except Gunny Bass and the Marines of the 3rd platoon who once fought enemy aliens called Skinks fierce fanatical fighters with hideous weapons who attack for no other reason but to kill Then while slogging through Kingdom s fetid swamps the Marines are attacked by awesome unseen weapons that could destroy half a platoon with one shot Clearly they are facing no normal enemy And if their adversaries are Skinks one FIST isn t enough Third platoon s orders are to penetrate deeper into the bloody jungle hell and find out what happens when a few good men bite the bullet *Starfist: Blood Contact* David Sherman,Dan Cragg,2002-01-08 Through three centuries of interstellar travel

intelligent alien life forms had never been encountered until now When a scientific team exploring an obscure planet fails to make its regular communications check the Marines of third platoon are sent to investigate They prepare for a routine rescue operation but what they find on Society 437 is a horror beyond description Only a handful of ragtag pirates who were in the wrong place at the very worst time have survived and there is little trace of the scientists What happened to the scientists Why have the pirates been spared Gunnery Sergeant Bass and the men of third platoon are about to find out and the answer carries a terrifying implication for the Marines and the entire human race **Starfist: School of Fire** David Sherman,Dan Cragg,1999-02-11 Combat betrayal and murder at the edge of human space Deployed to assist the oligarchs of Wanderjahr in putting down a rebellion that threatens the planet's political and economic stability the Marines must fight two wars at the same time one against the resourceful well led guerrillas and another with the entrenched police bureaucracy But who is the real enemy and who can be trusted On Wanderjahr nothing is as it seems not even the animal life and everyone has his own agenda Inexorably the Marines of the 34th FIST are drawn deeper and deeper into the politics of a world where murder terror and betrayal are the accepted methods of government and everyone is ripe for an old fashioned butt kickin Star Wars: Jedi Trial David Sherman,Dan Cragg,2012-10-31 Major original Star Wars adventure set against the backdrop of the Clone Wars and telling the tale of Anakin Skywalker's rise to full Jedi Knight status Somewhere between Star Wars Attack of the Clones and Star Wars Episode III Anakin Skywalker graduates from Jedi Padawan apprentice to Jedi Knight status This book tells how that happens A planet that is a crucial communications centre is taken by the Separatists and the Republic decides to back a guerrilla fighting group called Freedom's Sons in taking it back A detachment of clone troopers led by Jedi Knight Nejaa Halcyon and Jedi Padawan Anakin Skywalker is sent out to help the Freedom's Sons Little does Anakin know that the volatile situation on this occupied planet will prove to be his own personal Jedi Trial and that if he emerges victorious he will have won the coveted title of full Jedi Knight student no longer but Jedi in his own right This is the Anakin who learns how great his powers can be and how huge is his real potential **Starfist: Double Jeopardy** David Sherman,Dan Cragg,2009-12-29 It may be the twenty fifth century but the Marines are still looking for a few good men The Confederation has finally disclosed the existence of Skinks fierce aliens bent on wiping out humankind While the rest of the universe grapples with the news the Skink savvy Marines of the Confederation's Thirty fourth Fleet Initial Strike Team FIST have their own worries they've just learned they can't transfer out of the unit Who else has the skills to fight the Skinks on their home turf when the time comes Morale isn't improved by a report of Skinks on the uncolonized world of Ishtar which means that FIST must turn around and head right back into the jaws of hell with no downtime But none of that matters to Lieutenant Charlie Bass and the third platoon of Company L They're Marines they're the best and they've got a job to do Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *Demontech: Rally Point* David Sherman,2003-02-04 Ruthless and seemingly indestructible the dark army didn't count on the few the proud the Marines The Dark Prince's vast armies have

destroyed nation after nation with the aid of powerful demon magic Their total victory would be swift and certain except for two things Haft and Spinner a pair of soldiers trained in the art of warfare through the teachings of a magically transported Marine Gunnery Sergeant The Dark Prince s orders are swift and simple find them Haft and Spinner along with scores of soldiers and refugees are determined to form an army and defeat the invaders Outnumbered and outgunned they must uncover and kill the enemy before the enemy kills them Haft and Spinner have already accomplished great feats But to achieve the impossible will require a few strokes of genius and a few good men Fortunately these Marines have both

Books in Print Supplement ,2002 **Onslaught** David Sherman,2002-01-01 After the fall of the city of New Bally to the renegade Dark Prince and his demon allies two survivors Haft and Spinner are determined to use their training as Marines to retrieve their weapons escape the beleaguered city and rebuild an army to drive back the invaders Original
