Ibbetson, Patrick Olivelle**

Demosthenes Speeches 50 59:

Demosthenes, Speeches 50-59 ,2010-01-01 This is the sixth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity indeed his very eminence may be responsible for the inclusion under his name of a number of speeches he almost certainly did not write This volume contains four speeches that are most probably the work of Apollodorus who is often known as the Eleventh Attic Orator Regardless of their authorship however this set of ten law court speeches gives a vivid sense of public and private life in fourth century BC Athens They tell of the friendships and quarrels of rural neighbors of young men joined in raucous intentionally shocking behavior of families enduring great poverty and of the intricate involvement of prostitutes in the lives of citizens They also deal with the outfitting of warships the grain trade challenges to citizenship and restrictions on the civic role of men in debt to the state Demosthenes, Speeches 18 and 19

Demosthenes,Harvey Yunis,2005-05-01 Presents a new translation of two oratories by Demosthenes delivered in 343 BC and 330 BC respectively In both On the Dishonest Embassy On the Crown Demosthenes assailed ultimately destroyed his arch rival Aeschines

Demosthenes, Speeches 50-59 Demosthenes,2003-07 This is the sixth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity indeed his very eminence may be responsible for the inclusion under his name of a number of speeches he almost certainly did not write This volume contains four speeches that are most probably the work of Apollodorus who is often known as the Eleventh Attic Orator Regardless of their authorship however this set of ten law court speeches gives a vivid sense of public and private life in fourth century BC Athens They tell of the friendships and quarrels of rural neighbors of young men joined in raucous intentionally shocking behavior of families enduring great poverty and of the intricate involvement of prostitutes in the lives of citizens They also deal with the outfitting

of warships the grain trade challenges to citizenship and restrictions on the civic role of men in debt to the state

The Cambridge Comparative History of Ancient Law Caroline Humfress, David Ibbetson, Patrick Olivelle, 2024-05-30 The Cambridge Comparative History of Ancient Law is the first of its kind in the field of comparative ancient legal history Written collaboratively by a dedicated team of international experts each chapter offers a new framing and understanding of key legal concepts practices and historical contexts across five major legal traditions of the ancient world Stretching chronologically across more than three and a half millennia from the earliest very fragmentary proto cuneiform tablets 3200 3000 BCE to the Tang Code of 652 CE the volume challenges earlier comparative histories of ancient law societies at the same time as opening up new areas for future scholarship across a wealth of surviving ancient Near Eastern Indian Chinese Greek and Roman primary source evidence Topics covered include law as text legal science inter polity relations law and the state law and religion legal procedure personal status and the family crime property and contract

The Enthymeme James Fredal, 2020-04-02 Central to rhetorical theory the enthymeme is most often defined as a truncated syllogism Suppressing a premise that the audience already knows this rhetorical device relies on the audience to fill in the missing information thereby making the argument more persuasive James Fredal argues that this view of the enthymeme is wrong Presenting a new exegesis of Aristotle and classic texts of Attic oratory Fredal shows that the standard reading of Aristotle s enthymeme is inaccurate and that Aristotle himself distorts what enthymemes are and how they work From close analysis of the Rhetoric Topics and Analytics Fredal finds that Aristotle s enthymeme is in fact not syllogistic and is different from the enthymeme as it was used by Attic orators such as Lysias and Isaeus Fredal argues that the enthymeme as it was originally understood and used is a technique of storytelling primarily forensic storytelling aimed at eliciting from the audience an inference about a narrative According to Fredal narrative rather than formal logic is the seedbed of the enthymeme and of rhetoric more broadly The Enthymeme reassesses a fundamental doctrine of rhetorical instruction clarifies the viewpoints of the tradition and presents a new form of rhetoric for further study and use This groundbreaking book will be welcomed by scholars and students of classical rhetoric the history of rhetoric and rhetorical theory as well as communications studies classical studies and classical philosophy

Character Evidence in the Courts of Classical Athens Vasileios Adamidis, 2016-11-25 There has been much debate in scholarship over the factors determining the outcome of legal hearings in classical Athens Specifically there is divergence regarding the extent to which judicial panels were influenced by non legal considerations in addition to or even instead of questions of law Ancient rhetorical theory and practice devoted much attention to character and it is this aspect of Athenian law which forms the focus of this book Close analysis of the dispute resolution passages in ancient Greek literature reveals striking similarities with the rhetoric of litigants in the Athenian courts and thus helps to shed light on the function of the courts and the fundamental nature of Athenian law The widespread use of character evidence in every aspect of argumentation can be traced to the Greek ideas of character and personality the

inductive method of reasoning and the social political and institutional structures of the ancient Greek polis According to the author s proposed method of interpretation character evidence was not a means of diverting the jury s attention away from the legal issues instead it was a constructive and relevant way of developing a legal argument **The Perpetual**

Immigrant and the Limits of Athenian Democracy Demetra Kasimis,2018-08-16 Argues that immigration politics is a central but overlooked object of inquiry in the democratic thought of classical Athens Thinkers criticized democracy s strategic investments in nativism the shifting boundaries of citizenship and the precarious membership that a blood based order effects for those eligible and ineligible to claim it **Body Behaviour and Identity Construction in Ancient Greek**

and Roman Literature Andreas Serafim,2024-09-27 This book offers the first systematic up to date cross cultural and detailed study of semi volitional bodily behaviour sneezing spitting coughing burping vomiting defecating etc in the classical world Examining verse and prose texts fragments and scholia from the age of Homer to the second century AD the central argument put forward in this volume is that semi volitional bodily acts have the potential to betray individual or collective ethnic civic and cultural identities centred on a variety of different themes Discussions specifically focus on the following five aspects of the interplay between semi volitional body language and identity construction sexuality and gender the link between sexuality and socioeconomic identity of individuals or groups the embodied markers of civic ethnic and cultural collectives and the contrast between we ness and otherness thos and emotions and how dietary habits and illnesses indicate the somo psychosocial identity of individuals or groups The book offers a comprehensive understanding of representations of the human body in ancient Greece and Rome while reopening the complex and fascinating discussion about the relationship between intention mind body and identity This book offers a fascinating study suitable for students and scholars of classics and ancient Greek and Roman history It is also of interest to those in a variety of other disciplines including body culture studies gender and sexuality studies and performance studies as well as sociology anthropology cognitive medicine and the history of medicine *From Bedroom to Courtroom* Sandra Schwartz,2017-01-23 From Bedroom to Courtroom argues that the fictional trial scenes in the Greek ideal romances reflect Roman legal institutions and ideas particularly relating to family and sexuality Given the genre s emphasis on love and chastity the specter of adultery looms over most of the scenarios that develop into elaborate trials Such scenes shed light on the Greek reception of the criminalization of adultery promulgated by the moral legislation during the reign of Augustus This book focuses on three major novels whose composition coincided with the extension of Roman citizenship when access to Roman courts was granted to increasing numbers of inhabitants of the eastern provinces of the Roman Empire Chariton s Callirhoe is interpreted as an artifact of the generation after the implementation of the Augustan moral legislation particularly its criminalization of adultery Achilles Tatius Leucippe and Clitophon was created in a legally pluralistic milieu where shrewd sophists learned to navigate and exploit the interstices between the overlapping jurisdictions of imperial and local law Finally Heliodorus Aethiopica widely regarded as the

masterpiece of the genre adapts the type scene of the trial to present a series of case studies of different types of government culminating in the utopian kingdom of Meroe Through the novels melodramatic trial scenes we can begin to see how the opening of Roman courtroom to Greek speaking citizens of the Roman Empire stimulated dreams of a world in which universal justice under Rome was wed to Hellenism *Kinesis* Christina Clark, Edith Foster, Judith P. Hallett, 2015-08-20

Kinesis The Ancient Depiction of Gesture Motion and Emotion analyzes the depiction of emotions gestures and nonverbal behaviors in ancient Greek and Roman texts and considers the precise language depicting them Individual contributors examine genres ranging from historiography and epic to tragedy philosophy and vase decoration They explore evidence as disparate as Pliny's depiction of animal emotions Plato's presentation of Aristophanes' hiccups and Thucydides' use of verb tenses Sophocles' deployment of silence is considered as are Lucan's depiction of death and the speaking objects of the medieval Alexander Romance Ancient authors' depictions of emotion gesture and nonverbal behavior are intrinsically relevant to psychological social and anthropological studies of the ancient world and are perhaps even more important to those who study the texts themselves and try to understand them The volume will be relevant to scholars studying Greek and Roman society and literature as well as to those who study the imitation of ancient literature in later societies Since jargon is avoided and all passages in ancient languages are translated the volume will be suitable for students from the upper undergraduate level Contributors in addition to the volume editors include Jeffrey Rusten Rosaria Vignolo Munson Hans Peter Stahl Carolyn Dewald Rachel Kitzinger Deborah Boedeker Daniel P. Tompkins John Marincola Carolin Hahnemann Ellen Finkelpearl Hanna M. Roisman Eliot Wirshbo James V. Morrison Bruce Heiden Daniel B. Levine and Brad L. Cook **Ruins** Odai Johnson, 2018-10-10 Much of the theater of antiquity is marked by erasures missing origins broken genres fragments of plays ruins of architecture absented gods remains of older practices imperfectly buried and ghosting through the civic productions that replaced them *Ruins: Classical Theater and Broken Memory* traces the remains the remembering and the forgetting of performance traditions of classical theater The book argues that it is only when we look back over the accumulation of small evidence over a thousand year sweep of classical theater that the remarkable and unequalled endurance of the tradition emerges In the absence of more evidence Odai Johnson turns instead to the absence itself pressing its most legible gaps into a narrative about scars vanishings erasures and silence all the breakages that constitute the ruins of antiquity In ten wide ranging case studies theater history and performance theory are brought together to examine the texts artifacts and icons left behind reading them in fresh ways to offer an elegantly written extended meditation on how the aesthetic of ruins offered a model for an ideal that dislodged and ultimately stood in for the historic *Rulers of the Sea* John Nash, 2023-12-04 This is a study of sea power and maritime strategy in the Classical Greek world More than just a study of navies and battles it examines how the sea was used to influence events ashore and how the use of naval power combined with land power had a defining impact on the period After an examination of the oft overlooked practical issues of navigation

and administration the book explores the idea of a maritime consciousness in Greece and how this shaped the way the Greeks engaged in war Naval operations from the Persian Wars down to the rise of Thebes are examined at the operational and strategic level including a catalogue of the hundreds of different maritime operations from the 5th and 4th centuries BCE Further while the great sea power Athens is most prominent it looks at other city states to examine how they utilised sea power This new approach uses modern theory to highlight some enduring lessons of sea power It demonstrates that Classical scholars should embrace sea power as an important concept in the Greek world Modern scholars of naval and strategic studies should cast their gaze further back in time when looking for lessons in sea power This book helps to bridge the scholarship between these two disciplines

Trials from Classical Athens Christopher Carey, 2012-03-12 The ancient Athenian legal system is both excitingly familiar and disturbingly alien to the modern reader It functions within a democracy which shares many of our core values but operates in a disconcertingly different way Trials from Classical Athens assembles a number of surviving speeches written for trials in Athenian courts dealing with themes which range from murder and assault through slander and sexual misconduct to property and trade disputes and minor actions for damage The texts illuminate key aspects both of Athenian social and political life and the functioning of the Athenian legal system This new and revised volume adds to the existing selection of key forensic speeches with three new translations accompanied by lucid explanatory notes The introduction is augmented with a section on Athenian democracy to make the book more accessible to those unfamiliar with the Athenian political system To aid accessibility further a new glossary is included as well as illustrations for the first time Providing a unique and guided introduction to the Athenian legal system and explaining how the system reveals the values and social life of Classical Athens Trials from Classical Athens remains a fundamental resource for students of Ancient Greek history and anyone interested in the law social history and oratory of the Ancient Greek world

Ancient Obscenities Dorota Dutsch, Ann Suter, 2015-11-18 References to the body's sexual and excretory functions occupy a peculiarly ambivalent space in Greece and Rome

The Law of Ancient Athens David Phillips, 2013-10-14 A topic fundamental to understanding the ancient world

Fearmongering in Greek and Roman Literature and Beyond Priscilla Gontijo Leite, Ian Worthington, 2025-08-25 This volume provides for the first time a focused study of scare tactics and fearmongering in a broad range of Greek and Roman authors and genres showing how alarmist tactics were used in both antiquity and today Scare tactic rhetoric is a timely topic fear in current politics can justify actions and decisions and be used to control what is debated in the public arena with the truth often shaped and even removed from what was being said The ancient world was no different In this volume an international selection of scholars discusses how and why alarmist tactics were used in a variety of genres in Greco Roman literature including oratory historiography drama philosophy and children's stories to convey political messages and ideas They also draw parallels between ancient and contemporary fear Fearmongering in Greek and Roman Literature and Beyond is suitable for students and scholars in Classics and Ancient

History Rhetoric and Rhetorical Theory Ancient Societies and Politics as well as those operating in adjacent fields of study along with the general reader interested in the ancient world psychology politics and the exploitation of rhetoric *Stanford Law Review: Volume 64, Issue 4 - April 2012* Stanford Law Review, 2012-04-25 A leading law journal features a digital edition as part of its worldwide distribution using quality ebook formatting and active links This issue of the Stanford Law Review Volume 64 Issue 4 April 2012 contains studies of law economics and social policy by recognized scholars on diverse topics of interest to the academic and professional community Contents for this issue include The Tragedy of the Carrots Economics and Politics in the Choice of Price Instruments by Brian Galle They Saw a Protest Cognitive Illiberalism and the Speech Conduct Distinction by Dan M Kahan David A Hoffman Donald Braman Danieli Evans the original note numbering is retained Also the URLs in notes are active and the issue is properly formatted [A Commentary on Apollodorus' Against Evergus and Mnesibulus](#) Eleni Volonaki, Michael Edwards, 2023-11-07 This book offers the first modern commentary on an important historical and legal speech from mid fourth century Athens A comprehensive introduction examines in detail the life and works of the author Apollodorus the legal background to the case and the historical circumstances which led to it Athens was facing a crisis in funding her fleet during wartime and the alleged unscrupulous and illegal behaviour of the speaker's opponent and others like him posed a real threat to her security The extensive commentary aims to explain the intricate legal issues raised by the speech as well as uncovering the clever rhetorical strategies employed by the speaker The book offers a new English translation to accompany the Greek text thereby facilitating access for non classicists The speech will be of interest to political and legal historians as well as those interested in the history of rhetoric and is designed for use by students and academics alike **Greek Prostitutes in the Ancient Mediterranean, 800 BCE-200 CE** Allison Glazebrook, Madeleine M. Henry, 2011-01-06 Greek Prostitutes in the Ancient Mediterranean 800 BCE 200 CE challenges the often romanticized view of the prostitute as an urbane and liberated courtesan by examining the social and economic realities of the sex industry in Greco Roman culture Departing from the conventional focus on elite society these essays consider the Greek prostitute as displaced foreigner slave and member of an urban underclass The contributors draw on a wide range of material and textual evidence to discuss portrayals of prostitutes on painted vases and in the literary tradition their roles at symposia Greek drinking parties and their place in the everyday life of the polis Reassessing many assumptions about the people who provided and purchased sexual services this volume yields a new look at gender sexuality urbanism and economy in the ancient Mediterranean world *The Rule of Law in Action in Democratic Athens* Edward M. Harris, 2013-09 The Law in Action in Democratic Athens is the first extensive study of the importance of the rule of law in Athenian democracy

Demosthenes Speeches 50 59 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Demosthenes Speeches 50 59 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Demosthenes Speeches 50 59 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Demosthenes Speeches 50 59 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Demosthenes Speeches 50 59 Books

What is a Demosthenes Speeches 50 59 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Demosthenes Speeches 50 59 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Demosthenes Speeches 50 59 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Demosthenes Speeches 50 59 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Demosthenes Speeches 50 59 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides

basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
