David S. G. Goodman

Deng Xiaoping My Father:

Deng Xiaoping Deng Maomao, 2006-07-01 Deng Xiaoping 1904-1997 has been celebrated for reforming China's economy bringing a more sophisticated cosmopolitan sensibility to China's foreign policy Deng Maomao was the 4th of his 5 children was his personal assistant Here she writes about people events long shrouded in mystery She focuses on the first half of Deng's 60 year career from his birth in a village in Sichuan province his education in France to his underground revolutionary work his rise as a military commander an important government a key leader of the Communist Party Since becoming China's ruler in 1978 Deng Xiaoping molded the country according to his own vision which was economically liberal but politically conservative A best seller in China Photos *Deng Xiaoping* Maomao, 1995-01-26 The youngest daughter of Chinese leader Deng offers a sweeping history of 20th century China woven around the story of her father's life Writing about people and events long shrouded in mystery Deng Maomao traces Deng Xiaoping's remarkable 60 year career from his birth to his rise as leader of China *Deng Xiaoping and the Chinese Revolution* David S. G. Goodman, 1994 David Goodman reaches beyond China's spectacular economic success of recent years to understand the sources of Deng's political power This is a balanced evaluation of the career of one of the century's great political survivors **Deng Xiaoping, My Father** Maomao Deng, **My Father Deng Xiaoping : the War Years** 邓颖超, 2008 Biografie van de Chinese leider geb 1904 geschreven door zijn dochter **Deng Xiaoping and the Transformation of China** Ezra F. Vogel, 2013-10-14 No one in the twentieth century had a greater impact on world history than Deng Xiaoping And no scholar is better qualified than Ezra Vogel to disentangle the contradictions embodied in the life and legacy of China's boldest strategist the pragmatic disciplined force behind China's radical economic technological and social transformation **Deng Xiaoping and the Chinese Revolution** David Goodman, 2002-09-11 To the outside world Deng Xiaoping represents a contradiction he is both China's most successful moderniser and the Butcher of Beijing China's supreme leader who must take responsibility for the events surrounding Tiananmen Square in June 1989 However Deng the politician has no such contradiction only the Chinese Communist Party can bring modernisation to China For Deng any threat to the Communist Party is a threat to the project of China's modernisation This book attempts to reach beyond the spectacular economic success of recent years to understand Deng's own particular role and the sources of his political power Deng Xiaoping was involved with the communist movement before there was even a Communist Party of China and his entire career has been shaped by both the party and the network of relationships and people within it David Goodman explores the way in which Deng has survived being purged three times via his contacts with key politicians Zhou Enlai in Paris in the early 1920s and Mao Zedong from 1933 to the early 1960s His close relationship with the military from the Sino Japanese War of 1937 through to the present day has also enabled him to survive difficult political periods Indeed Deng's wartime experience in the Taihang Mountains plays a central but often overlooked role in his later career particularly as a source of political support David Goodman has been able to draw on the

substantial documentary sources that have become available from China since 1989 as well as the analysis of Deng's political life that has proliferated inside the People's Republic in recent years. In addition, there is included a catalogue and analysis of the speeches and writings of Deng Xiaoping since 1938 that will prove to be an invaluable reference aid to his years of influence and power. The result is a balanced evaluation of Deng, the politician, that provides fresh insights into the career of one of the twentieth century's greatest political survivors.

My Father Deng Xiaoping , The End of the Maoist Era: Chinese Politics During the Twilight of the Cultural Revolution, 1972-1976 Frederick C Teiwes, Warren Sun, 2014-12-18 This book launches an ambitious reexamination of the elite politics behind one of the most remarkable transformations in the late twentieth century. As the first part of a new interpretation of the evolution of Chinese politics during the years 1972-82, it provides a detailed study of the end of the Maoist era, demonstrating Mao's continuing dominance even as his ability to control events ebbed away. The tensions within the Gang of Four, the different treatment of Zhou Enlai and Deng Xiaoping, and the largely unexamined role of younger radicals are analyzed to reveal a view of the dynamic of elite politics that is at odds with accepted scholarship. The authors draw upon newly available documentary sources and extensive interviews with Chinese participants and historians to develop their challenging interpretation of one of the most poorly understood periods in the history of the People's Republic of China.

My Father's Daughter Eleanor Ramsay Williamson, Sterling Williamson, 2008-06 What doth the Lord require of man but to act justly, to love mercy, and to walk humbly with thy God? Micah 6:8 When Eleanor Ramsay Williamson was ten, her father, Kerr Craige Ramsay, died of a heart attack. Her idyllic life in North Carolina was shattered. Eleanor lost not only a parent who adored her but her whole world. In this memoir, Eleanor explores the effects her father's death had on her as she grew up. Her experiences were similar to that of others who had also lost their fathers as youngsters: she cared for her alcoholic mother and tried to be strong but found it difficult at best. In exploring her relationships, Eleanor recognized much of her father in her: his smile, energy, and self-confidence. Relying on these qualities, Eleanor unshackled the restraints placed on women of that era and blazed her own trail. She even married a Yankee, Sterling Rudolph Williamson, and later developed her passions for literature, foreign cultures, and teaching. This insightful memoir follows Eleanor's emotional journey from life as a youngster through the loss of her father and the subsequent upheaval to her own experiences as a mother and wife and finally her blossoming into a passionate teacher of international students. With *My Father's Daughter*, you will experience the events of Eleanor's life as she plucks the strings of your subconscious emotions with her keen observations.

Interpreting Chinese Foreign Policy Quansheng Zhao, 1996 This work applies the micro-macro linkage approach to Chinese foreign policy. It analyzes the effect of the international environment and domestic constraints, exploring the key trends of modernization, nationalism, and regionalism, reviewing literature on **The Domestic Sources of China's Foreign Policy**. Lai Hongyi, 2010-04-28 Offers a systemic analysis of the foreign policy of China. This title demonstrates how domestic factors have profoundly shaped China's foreign policy from

the late Mao s era to the reform era presenting its argument through an analysis of major cases of Chinese foreign policy

Victims of the Cultural Revolution Youqin Wang,2023-02-23 Between 500 000 to 2 million people died in the Cultural Revolution Yet a silence remains as to why Over eleven years in Mao s China an all out assault on class enemies took place Teenagers smashed their teachers skulls Doctors were tortured in jail as foreign spies Ordinary people condemned counter revolutionaries to execution and then went home and ate their dinner This was less than fifty years ago But the victims are being forgotten already Wang Youqin unmasks the true brutality of the Cultural Revolution Documenting the deaths of over six hundred individuals *Victims of the Cultural Revolution* calls on us to remember the evil ideological fanaticism wreaks and pays tribute to all those who suffered

Battle For China's Past Mobo Gao, 2008-02-20 Shows that the Mao era was beneficial for most Chinese citizens A powerful mixture of political passion and original research a brave polemic against the fashionable view on China Aims a knockout blow at Jung Chang's recent book on Mao which Bush and the conservatives rave reviewed Gregor Benton Professor of Chinese History University of Cardiff This important book opens a much needed window onto Chinese perceptions of the country's post Mao direction Highlights the renewal of popular support for socialism and the growing opposition to contemporary state policies Martin Hart Landsberg Professor of Economics Lewis Clark College Portland Oregon Mao and his policies have long been demonised in the West with the Cultural Revolution considered a fundamental violation of human rights As China embraces capitalism the Mao era is being surgically denigrated by the Chinese political and intellectual elite This book tackles the extremely negative depiction of China under Mao in recent publications and argues most people in China including the rural poor and the urban working class actually benefited from Mao's policy of a comprehensive welfare system for the urban and basic health and education provision for the rural which is being reversed in the current rush towards capitalism By a critical analysis of the mainstream account of the Mao era and the Cultural Revolution and by revealing what is offered in the unofficial e media debates this book sets the record straight making a convincing argument for the positive effects of Mao's policies on the well being of the Chinese people
