Deng Xiaoping The Marxist Road To The Forbidden City:

Deng Xiaoping Ching Hua Lee, 1985-01-01 Deng Xiaoping and the Chinese Revolution David Goodman, 2002-09-11
First published in 1994 Routledge is an imprint of Taylor Francis an informa company **Deng Xiaoping and the Chinese Revolution** David S. G. Goodman, 1994 David Goodman reaches beyond China's spectacular economic success of recent years to understand the sources of Deng's political power This is a balanced evaluation of the career of one of the century's great political survivors **Problems of Communism**, 1990 *New Perspectives on State Socialism in China* Timothy Cheek, Tony Saich, 2016-12-05 Placing Chinese Communist Party history in the realm of social history and comparative politics this text studies the roots of the policy failures of the late Maoist period and the tenacity of the CCP **The Third Chinese Revolutionary Civil War, 1945-49** Christopher R. Lew, 2009-03-30 This book examines the Third Chinese Revolutionary Civil War of 1945-1949 which resulted in the victory of the Chinese Communist Party (CCP) and the founding of the People's Republic of China in 1949 It provides a military and strategic history of the conflict exploring how the communists achieved victory Deng Benjamin Yang, 1997-12-30 A comprehensive exposition of the life of Deng Xiaoping the pre-eminent leader of late 20th century China from his birth in 1904 to the present Written by an insider this study is notable for the detail it provides on elite level Chinese Communist Party politics and Deng's changing relations with his party colleagues in the jockeying for power that constitutes a significant aspect of CCP politics This biography combines intimate details and the sweep of history that encompasses the struggles of 20th century China This text provides both political and personal information that may be of interest to students of Chinese history as well as providing an insight into the man who has influenced the social, political and economic development of China Managing Transitions Gerry Groot, 2004-02-24 *Managing Transitions* examines the history and roles of China's minor parties and groups (MPGs) in the Chinese Communist Party's (CCP) united front between the 1930s and 1990s using Antonio Gramsci's principles for the winning and maintaining of hegemony Gramsci advocated a war of position the building of political alliances to isolate existing state powers and win consent for revolutionary rule and transform society Economic reform is now creating new socio-economic groups and the CCP is adjusting the united front and the MPGs to co-opt their representatives and deliberately forestall the evolution of an autonomous civil society and middle class which could challenge CCP rule This has resulted in a new and expanding role for the united front the MPGs and organisations representing the new interest groups **Calamity and Reform in China** Dali L. Yang, 1996 This is the first book length treatment of the political causes and consequences of the Great Leap Famine 1959-61 one of the worst tragedies in human history **China without Mao [electronic resource]** Immanuel Chung-Yueh Hsü, 1990 Party Vs. State in Post-1949 China Shiping Zheng, 1997-07-13 This book provides the most comprehensive analysis of one of the most important issues in China today the tensions between the Chinese Communist Party and the Chinese state legislative judicial administrative and military institutions Taking the neo-institutionalist approach the author

suggests that the Communist Party in post 1949 China faces an institutional dilemma the Party cannot live with the state and it cannot live without the state Zheng demonstrates that it is not only conceptually constructive but analytically imperative to distinguish the state from the Communist Party Secondly he integrates detailed study with broader generalizations about Chinese politics thus making efforts to overcome the tendency toward specialized scholarship at the expense of comparative and systemic understanding of China He also opens a new dimension of Chinese politics the uncertain and conflictual relationship between the Communist Party and the Chinese state

Mental Maps in the Era of Détente and the End of the Cold War 1968-91 Jonathan Wright, Steven Casey, 2015-09-29 Mental Maps in the Era of D tente and the End of the Cold War recreates the way in which the revolutionary changes of the last phase of the Cold War were perceived by fifteen of its leading figures in the West East and developing world

Perspectives ,1985 *Political Science Quarterly* Columbia University. Faculty of Political Science, 1931 A review devoted to the historical statistical and comparative study of politics economics and public law

AHA Perspectives ,1984 **China During the Cultural Revolution, 1966-1976** Tony H. Chang, 1999-01-30 One of the most tumultuous periods in modern Chinese history the Cultural Revolution affected virtually all Chinese people and all aspects of Chinese life including art music and drama education factory management economic planning and medical care Studies of the Cultural Revolution in both Chinese and Western languages have burgeoned over the past three decades This comprehensive easy to use bibliography provides a guide to published English language sources on the Cultural Revolution With over a thousand entries it includes books monographs dissertations and audio visual materials on a broad range of topics from the military education religion and economics to foreign relations population art literature and drama Including titles published through the end of 1997 and a few in 1998 the book provides a general overview of the literature on the Chinese Cultural Revolution and its impact on China Its scope and coverage make it a useful resource for any library whose readers have an interest in modern Chinese history

The Rise of Modern China Immanuel Chung-Yueh Hsü, 1990 The Rise of Modern China vividly describes China s extraordinary metamorphosis from a traditional self sufficient empire into a modern nation Immanuel C Y Hs surveys the main currents of modern Chinese history from 1600 to the present devoting particular concern to the shaping forces of China s political diplomatic intellectual social and economic history The new Fourth Edition of this classic is brought fully up to date to reflect the current economic political and cultural climate in China Informed by Hs s lifetime study of the country and observations during recent visits new chapters offer an inside view of the problems created by China s accelerated economic growth in the past decade and examine the cultural impact of Teng Xiao ping s acceptance of various Western market mechanisms to help modernize the economy More than 100 photographs drawings maps and charts illuminate the narrative and make it of interest to general readers as well as scholars of Chinese history

Encyclopaedia of South East and Far East Asia P. C. Sinha, 2006

Distant Neighbours Harish Kapur, 1990 This study covers forty years of China s relations with Western and Eastern

Europe Its approach is essentially historical successive phases of the relationship have been analysed with a particular focus on the internal as well as external determinants that contributed to the movement of Chinese foreign policy from one phase to the other

Aging and Political Leadership Angus McIntyre, 1988-09-13 The final part of this book takes an in depth look at Ronald Reagan His advanced age is not unusual in a political leader Other heads of government in the post war world have been as old as or even older than he when they held office for example Churchill In n Chiang Kai shek Nehru Salazar De Gualle Kenyatta Tito Mao Zedong Adenauer and Ulbricht The large number of names gives the impression that contemporary leadership is gerontocracy The book is divided into three sections The fist two examine middle age and old age with each section offering numerous case studies from a variety of countries
