

An impressionist painting of a garden path. The path is made of reddish-brown bricks and leads from the foreground into a dense garden. On the left, there is a large, vibrant bush of flowers in shades of red, orange, and yellow, with green foliage. On the right, there are more flowers, including pink and white ones. In the background, a large, dark green tree with feathery leaves, possibly a palm, stands against a soft, hazy sky. The overall style is soft and painterly, with visible brushstrokes and a focus on light and color.
