Atwood,2012-06-01 James Atwood contends that the thirty thousand gun deaths America suffers every year cannot be understood apart from our national myth that God has appointed America as the trustee of the civilization of the world and even Christ s light to the nations Because these purposes are noble and we are supposedly a good and trustworthy people violence is sometimes required and gives license to individuals to carry open or concealed weapons which save lives and can even be redemptive Atwood an avid hunter cautions that an absolute trust in guns and violence morphs easily into idolatry Having spent thirty six years as a Presbyterian pastor fighting against the easy access to firearms one of which took the life of a friend he uses his unique experience and his biblical and theological understanding to graphically portray the impact guns have on our society He documents how Americans have been deceived into believing that the tools of violence whether they take the form of advanced military technology or a handgun in the bedside stand will provide security He closes with a wake up call to the faith community which he says is America s best hope to unmask the extremism of the Gun Empire Monthly Catalog of United States Government Publications ,2002-07 **Fbi Killer Escapes** Tommy Tiernan,2013-03-28 This is a fun but deadly story about East Coast Irish Twins who worked for J Edgar Hoover The protagonist JAMES BLACKIE BUTLER is from Boston and did his undergraduate work robbing banks with a degree for ten years three of which were served on the ROCK Then back home took over the Winter Hill Gang An old buddy from school who became an FBI Agent told him the FBI was hiring TEIs So they cut a deal that turned devastating for both For starters they needed his help to break the North Boston LCN Italian Mob Before the Appalachian Meet the Bureau said No National Crime Syndicate next day JEH started the Top Hoodlum Program in all FBI Offices in USA They had to take care not to knock off a Race Track when the boss was in attendance dont embarrass the Bureau While they did not have a parade for BLACKIE all soon learned he was back in town He worked overtime to become multi millionaire Boston Drug Kingpin whacking those who dared to get in his way If you want whack job details check out the press accounts under homicide CAUTION he is alleged to have whacked 19 PLUS two were females he strangled to death Not the guy you want your daughter to date Some of the kills were aided by the law closing their eyes A major casualty was the Boston Southie kids and young adults They ODD became vegetables committed suicide due to the quantities ingested of Meth Coke etc as the dealers said it was their choice Unfortunately this scenario
