Depeche Mode , Depeche Mode Steve Malins, 2006 Written with the band's co operation Steve Malins biography throws light on this private frequently misunderstood group and their lives which have been bizarre hilarious extreme and destructive through nearly 20 years of constant success and excessive celebration Now fully updated and expanded with an additional 10 000 words new cover and enlarged format this new edition will coincide with the band's first world tour in over 3 years as they promote their brand new album *Playing the Angels* **Depeche Mode - The Early Years 1981-1993**

Trevor Baker, 2013-04-25 Depeche Mode are one of the UK's most popular global bands a multi million selling phenomenon their last album *Sounds Of The Universe* went top three in 25 countries worldwide But it is their astonishing series of early albums that made them such a legend among their hardcore army of fans Mostly ignored by the UK press at the time LPs such as *Some Great Reward* *Black Celebration* and *Music For The Masses* have grown in stature with every passing year as a new generation of artists have proclaimed their influence Now for the first time with *Depeche Mode The Early Years* those

early classics from their 1981 debut *Speak And Spell* to 1993's *Songs Of Faith And Devotion* are examined in depth with interviews from session musicians and studio engineers who saw their creation first hand In 2013 with a new album about to drop Depeche Mode seem more relevant and important than they ever did and a new generation of fans are waiting to discover them The first and only book to focus specifically on the early years of this globally massive band a slant which will strongly appeal to their massive devoted fanbase Depeche Mode have sold over 73 million records worldwide **Depeche Mode** Steve Malins,2004 **Dave Gahan - Depeche Mode & The Second Coming** Trevor Baker,2009-11-05 THE FIRST AND ONLY BIOGRAPHY OF ONE OF MUSIC'S MOST INFLUENTIAL AND ENIGMATIC CHARACTERS Dave Gahan's extraordinary life as the frontman of one of modern music's most successful bands is a tale unrivalled in rock and roll folklore From a colourful childhood and youth in Essex Gahan went on to become a huge star all over the world For years each Depeche Mode album was more successful than the one before but in 1995 the increasing pressures on the band and within Gahan's personal life almost killed him From this harrowing abyss Gahan has bounced back and forged a new acclaimed career as a solo artist Gahan's stunning rehabilitation as a songwriter and rejuvenated frontman means he deserves his own chapter in music history this unauthorised biography includes new and exclusive interviews with numerous people who've worked with and around Gahan Aside from recounting his turbulent private battles this first ever book on Gahan examines his musical legacy and suggests he is arguably Britain's most under rated and interesting rock vocalist Recounted for the very first time Gahan's tale away from his band mates overshadows even the remarkable story of Depeche Mode the combination of his difficult yet triumphant story plus the thrilling music he has recorded make this a story like no other in rock and roll history *Depeche Mode on track* Brian J. Robb,2023-09-28 For four decades Depeche Mode dominated electronic music from the naive melodies of 1981's *Speak Spell* through to 2023's *Memento Mori* Through changing line ups featuring Vince Clarke Alan Wilder and Andy Fletcher singer Dave Gahan and main songwriter Martin Gore have been the band's core Starting as teenagers and now in their 60s they have survived worldwide fame addictions to drink and drugs and near death experiences while continuing to innovate as technology and the music business evolved An acclaimed live band it is through their fifteen studio albums that Depeche Mode have best expressed themselves from the industrial darkness of *Black Celebration* 1986 to their popular breakthroughs with *Music For the Masses* 1987 and *Violator* 1990 and the emotional upheaval of 1993's *Songs of Faith and Devotion* The band survived the chaotic fallout from that album and tour in the mid 1990s with Gahan experiencing a near fatal drug overdose to regroup with *Ultra* 1997 They continued their explorations of love death sex and politics on acclaimed albums *Playing the Angel* 2005 *Delta Machine* 2013 and *Spirit* 2016 Inducted into the Rock and Roll Hall of Fame in 2020 proven survivors Depeche Mode have their story told here in song by song detail Brian J Robb is the New York Times and Sunday Times bestselling biographer of Leonardo DiCaprio Johnny Depp and Brad Pitt He has also written books on silent cinema the films of Philip K Dick Wes Craven Laurel and Hardy the Star Wars movies

Stripped: Depeche Mode Jonathan Miller,2009-11-05 An electrifying new biography about the four Essex lads who became award winning stadium superstars and champions of synth pop Jonathan Miller s groundbreaking book features in depth interviews with founder member Vince Clarke and producers Gareth Jones and Mark Bell and contains never before seen interviews with the band members themselves With additional input from Gary Human Howard Jones and Thomas Dolby this is a unique portrait of a band that almost lost control when their lives went off the rails and lead singer Dave Gahan s heroin addiction nearly killed him In the end Depeche Mode not only survived they triumphed racking up a staggering 40 million plus album sales on the way This is their amazing story told in full for the first time Born out of the post punk backlash in the early 80 s Depeche Mode took their name from a phrase in a French style magazine and became the definitive international synth pop group Vince Clarke Andy Fletcher and Martin Gore had started out as an Essex guitar band but it was their bright and upbeat synthesizer driven brand of pop fronted by Dave Gahan that was to find global acceptance and enjoy unlikely success in the US Despite a handful of early plaudits in the music press the group won only intermittent critical acceptance over the years its often light musical approach contrasting with lyrics that sometimes plunge into darker topics like S M religious fetishism and the scourge of capitalism But whatever the music press said the fans finally bought into Depeche Mode in a big way Their Violator tour at the start of the 90s sold millions of records and turned them into major US concert stars In true rock style Depeche Mode s members have suffered their share of internal strife over a long career Dave Gahan reinvented himself as a lead singer with both a harder musical edge and a near fatal drug habit while internal acrimony often marred the later stages of their career Jonathan Miller has made an exemplary job of telling the Depeche Mode saga in its entirety and goes a long way towards explaining how the group have managed to thrive when almost all their post punk contemporaries fell by the wayside long ago
