Dependency And Japanese Socialization:

Dependency and Japanese Socialization Frank A. Johnson, 1993 Western ideologies traditionally emphasize the concepts of individualism privacy freedom and independence while the prevailing ethos relegates dependency to a disparaged status In Japanese society the divergence from these Western ideals can be found in the concept of amae perhaps best translated as indulgent dependency which is part of the Japanese social fiber and pervades their experience For the Western reader the concept of amae is somewhat alien and unfamiliar but in order to understand the Japanese fully it is essential to acquire a familiarity with the intensity that accompanies interdependent affiliations within their culture To place amae in the proper context Johnson critically examines the Western attitudes toward dependency from the perspectives of psychoanalysis psychiatry developmental psychology and anthropology Johnson traces the development of the concept and uses of the term dependency in academic and developmental psychology in the West including its recent eclipse by the more operationally useful terms attachment and interdependency This timely book makes use of the work of Japanese psychiatrist Takeo Doi whose book *The Anatomy of Dependence* introduced the concept of amae to the West Johnson goes on to illuminate the collective manner in which Japanese think and behave which is central to their socialization and educational practices especially as seen in the stunning success of Japanese trading practices during the past twenty years A major emphasis is placed upon the positive aspects of amae which are compared and contrasted with attitudes toward dependency seen among other nationalities cultures and groups in both Western and Asian societies Complete with a glossary of Japanese terms *Dependency and Japanese Socialization* provides a comprehensive investigation into Japanese behavior

Dependency and Japanese Socialization Frank A. Johnson, 1995 Surprisingly readable and studded with nuggets of insight *The Daily Yomiuri* This insightful well written fascinating book offers new understandings not only of Japan but also of American culture It is essential for those in anthropology psychology sociology and psychiatry who are interested in culture as well as those in law and the business community who deal with Japan Paul Ekman Ph D Director Human Interaction Laboratory Langley Porter Institute University of California San Francisco A thoughtful cross cultural study of development His work can only enhance the still evolving psychoanalytic theory of preoedipal development as it is being derived mostly from psychoanalytic research on child parent interaction in American families Calvin F Settlage M D Johnson's ambitious and exhaustive synthesis of anthropological and psychological treatments of dependency raises interesting questions Johnson alerts the reader to issues of universalism and relativity and leads us to ask What would psychoanalysis be like if it had originated in Japan Merry I White Edwin O Reischauer Institute of Japanese Studies Harvard University Johnson's erudite and critical re examination of human dependence succeeds to re profile dependence meaningfully and revives our interest in this major aspect of human experience Indeed much food for thought for both psychoanalysts and anthropologists Henri Parens M D Philadelphia Psychoanalytic Institute Western ideologies traditionally emphasize the concepts of individualism privacy freedom and

independence while the prevailing ethos relegates dependency to a disparaged status In Japanese society the divergence from these western ideals can be found in the concept of amae perhaps best translated as indulgent dependency which is part of the Japanese social fiber and pervades their experience For the Western reader the concept of amae is somewhat alien and unfamiliar but in order to understand the Japanese fully it is essential to acquire a familiarity with the intensity that accompanies interdependent affiliations within their culture To place amae in the proper context Johnson critically examines the western attitudes toward dependency from the perspectives of psychoanalysis psychiatry developmental psychology and anthropology Johnson traces the development of the concept and uses of the term dependency in academic and developmental psychology in the West including its recent eclipse by more operationally useful terms attachment and interdependency This timely book makes use of the work of Japanese psychiatrist Takeo Doi whose book *The Anatomy of Dependence* introduced the concept of amae to the West Johnson goes on to illuminate the collective manner in which Japanese think and behave which is central to their socialization and educational practices especially as seen in the stunning success of Japanese trading practices during the past twenty years A major emphasis is placed upon the positive aspects of amae which are compared and contrasted with attitudes toward dependency seen among other nationalities cultures and groups in both Western and Asian societies Complete with a glossary of Japanese terms *Dependency and Japanese Socialization* provides a comprehensive investigation into Japanese behavior

Frank A. Johnson M.D., 1992-09-01 Surprisingly readable and studded with nuggets of insight *The Daily Yomiuri* This insightful well written fascinating book offers new understandings not only of Japan but also of American culture It is essential for those in anthropology psychology sociology and psychiatry who are interested in culture as well as those in law and the business community who deal with Japan Paul Ekman Ph D Director Human Interaction Laboratory Langley Porter Institute University of California San Francisco A thoughtful cross cultural study of development His work can only enhance the still evolving psychoanalytic theory of preoedipal development as it is being derived mostly from psychoanalytic research on child parent interaction in American families Calvin F Settlage M D Johnson's ambitious and exhaustive synthesis of anthropological and psychological treatments of dependency raises interesting questions Johnson alerts the reader to issues of universalism and relativity and leads us to ask What would psychoanalysis be like if it had originated in Japan Merry I White Edwin O Reischauer Institute of Japanese Studies Harvard University Johnson's erudite and critical re examination of human dependence succeeds to re profile dependence meaningfully and revives our interest in this major aspect of human experience Indeed much food for thought for both psychoanalysts and anthropologists Henri Parens M D Philadelphia Psychoanalytic Institute Western ideologies traditionally emphasize the concepts of individualism privacy freedom and independence while the prevailing ethos relegates dependency to a disparaged status In Japanese society the divergence from these western ideals can be found in the concept of amae perhaps best translated as indulgent dependency which is

part of the Japanese social fiber and pervades their experience For the Western reader the concept of amae is somewhat alien and unfamiliar but in order to understand the Japanese fully it is essential to acquire a familiarity with the intensity that accompanies interdependent affiliations within their culture To place amae in the proper context Johnson critically examines the western attitudes toward dependency from the perspectives of psychoanalysis psychiatry developmental psychology and anthropology Johnson traces the development of the concept and uses of the term dependency in academic and developmental psychology in the West including its recent eclipse by more operationally useful terms attachment and interdependency This timely books makes use of the work of Japanese psychiatrist Takeo Doi whose book *The Anatomy of Dependence* introduced the concept of amae to the West Johnson goes on to illuminate the collective manner in which Japanese think and behave which is central to their socialization and educational practices especially as seen in the stunning success of Japanese trading practices during the past twenty years A major emphasis is placed upon the positive aspects of amae which are compared and contrasted with attitudes toward dependency seen among other nationalities cultures and groups in both Western and Asian societies Complete with a glossary of Japanese terms *Dependency and Japanese Socialization* provides a comprehensive investigation into Japanese behavior

The Social Self in Zen and American Pragmatism Steve Odin,1996-01-01 This is the first book on East West comparative thought to critically analyze the Zen Buddhist model of self in modern Japanese philosophy from the standpoint of American pragmatism

Culturally Diverse Parent-Child and Family Relationships Nancy Boyd Webb,2001-07-10 In an increasingly diverse social environment misunderstandings often arise between practitioners in the helping professions and clients from different racial and ethnic backgrounds This book investigates the culturally specific beliefs and child rearing practices of five major racial ethnic groups African Americans Latinos Native Americans Asian Americans and European Americans Analyses of case vignettes illustrate the book s dual focus on the practitioners own views in addition to those of their culturally diverse clients Guidelines offer suggestions for effective engagement and work with culturally diverse families

The Cambridge Companion to Modern Japanese Culture Yoshio Sugimoto,2009-06-30 This Companion provides a comprehensive overview of the influences that have shaped modern day Japan Spanning one and a half centuries from the Meiji Restoration in 1868 to the beginning of the twenty first century this volume covers topics such as technology food nationalism and rise of anime and manga in the visual arts The Cambridge Companion to Modern Japanese Culture traces the cultural transformation that took place over the course of the twentieth century and paints a picture of a nation rich in cultural diversity With contributions from some of the most prominent scholars in the field The Cambridge Companion to Modern Japanese Culture is an authoritative introduction to this subject

Social Work Practice with Ethnically and Racially Diverse Nursing Home Residents and Their Families Patricia Kolb,2007-07-06 The first of its kind this volume is a critical companion for service providers who work with African American American Indian Chinese Italian Japanese Korean Mexican American and Puerto

Rican elders and their families in nursing homes and other care settings These groups are likely to use nursing homes in larger numbers as cultural shifts such as higher divorce rates and increased outside of home employment for females transform traditional family dynamics Contributors are experience social workers and most belong to the specific ethnic or racial group that is the focus of their chapter and have also provided nursing home services to this group They provide a wealth of demographic historical cultural and practice information crucial to understanding and providing services to older adults and their families Many nursing home residents experience physical and or cognitive debilitation and increased dependence as older adults and cultural and situational differences create variations in how these changes are experienced and addressed In this volume contributors touch upon all of these areas as well as ways in which prejudice and discrimination have shaped intergenerational and other relationships for members of specific ethnic and racial groups Little has been written about the characteristics needs and experiences of racially and ethnically diverse nursing home residents and their families and requirements for culturally competent social work practice Written by social workers for social workers and other service providers this book fills a gap in a rapidly growing area of gerontological service and provides a truly comprehensive examination of cultural and practice phenomena

Religion and Psychotherapy in Modern Japan

Christopher Harding, Iwata Fumiaki, Yoshinaga Shin'ichi, 2014-09-15 Since the late nineteenth century religious ideas and practices in Japan have become increasingly intertwined with those associated with mental health and healing This relationship developed against the backdrop of a far broader and deeply consequential meeting between Japan's long standing Chinese influenced intellectual and institutional forms and the politics science philosophy and religion of the post Enlightenment West In striving to craft a modern society and culture that could exist on terms with rather than be subsumed by western power and influence Japan became home to a religion psy dialogue informed by pressing political priorities and rapidly shifting cultural concerns This book provides a historically contextualized introduction to the dialogue between religion and psychotherapy in modern Japan In doing so it draws out connections between developments in medicine government policy Japanese religion and spirituality social and cultural criticism regional dynamics and gender relations The chapters all focus on the meeting and intermingling of religious with psychotherapeutic ideas and draw on a wide range of case studies including how temple and shrine cures of early modern Japan fared in the light of German neuropsychiatry how Japanese Buddhist theories of mind body and self cultivation negotiated with the findings of western medicine how Buddhists Christians and other organizations and groups drew and redrew the lines between religious praxis and psychological healing how major European therapies such as Freud's fed into self consciously Japanese analyses of and treatments for the ills of the age and how distress suffering and individuality came to be reinterpreted across the twentieth and early twenty first centuries from the southern islands of Okinawa to the devastated northern neighbourhoods of the Tohoku region after the earthquake tsunami and nuclear disasters of March 2011 Religion and Psychotherapy in Modern Japan will be welcomed by

students and scholars working across a broad range of subjects including Japanese culture and society religious studies psychology and psychotherapy mental health and international history

The Linguistics of Eating and Drinking John Newman, 2009 This volume reviews a range of fascinating linguistic facts about ingestive predicates in the world's languages The highly multifaceted nature of eat and drink events gives rise to interesting clausal properties of these predicates such as the atypicality of transitive constructions involving eat and drink in some languages The two verbs are also sources for a large number of figurative uses across languages with meanings such as destroy and savour as well as participating in a great variety of idioms which can be quite opaque semantically Grammaticalized extensions of these predicates also occur such as the quantificational use of Hausa shaa drink meaning roughly do X frequently regularly Specialists discuss details of the use of these verbs in a variety of languages and language families Australian languages Papuan languages Athapaskan languages Japanese Korean Hausa Amharic Hindi Urdu and Marathi

Sexual Abuse and Education in Japan Robert O'Mochain, Yuki Ueno, 2022-09-09 Bringing together two voices practice and theory in a collaboration that emerges from lived experience and structured reflection upon that experience O Mochain and Ueno show how entrenched discursive forces exert immense influence in Japanese society and how they might be most effectively challenged With a psychosocial framework that draws insights from feminism sociology international studies and political psychology the authors pinpoint the motivations of the nativist right and reflect on the change of conditions that is necessary to end cultures of impunity for perpetrators of sexual abuse in Japan Evaluating the value of the MeToo model of activism the authors offer insights that will encourage victims to come out of the shadows pursue justice and help transform Japan's sense of identity both at home and abroad Ueno a female Japanese educator and O Mochain a non Japanese male academic examine the nature of sexual abuse problems both in educational contexts and in society at large through the use of surveys interviews and engagement with an eclectic range of academic literature They identify the groups within society who offer the least support for women who pursue justice against perpetrators of sexual abuse They also ask if far right ideological extremists are fixated with proving that so called comfort women are higaisha buru or fake victims Japan would have much to gain on the international stage were it to fully acknowledge historical crimes of sexual violence yet it continues to refuse to do so O Mochain and Ueno shed light on this puzzling refusal through recourse to the concepts of international status anxiety and male hysteria An insightful read for scholars of Japanese society especially those concerned about its treatment of women

Japanese Education Roberta E. Pike, 2007 Presents a large representative sample of the literature on Japanese education with an emphasis on its psychosocial aspects Many discussions compare the Japanese educational system with that of the United States and other countries The citations cover most of the 1990s including a few earlier and later references Includes extensive discussions about Japanese educational reform movements and their consequences Also cites published and unpublished dissertations and theses Updates the last comprehensive English language bibliography on Japanese education published by Ulrich

Teichler in 1974 The citations were taken from many online databases Suitable for students teachers scholars and the general public

Advances in Intelligent Networking and Collaborative Systems Leonard Barolli,2024-09-14 This book provides latest research findings innovative research results methods and development techniques from both theoretical and practical perspectives related to intelligent social networks and collaborative systems intelligent networking systems mobile collaborative systems and secure intelligent cloud systems as well as reveals synergies among various paradigms in such a multi disciplinary field of intelligent collaborative systems With the fast development of the Internet there is a shift from the traditional sharing of information and applications as the main purpose of the Web to an emergent paradigm which locates people at the very center of networks and exploits the value of people s connections relations and collaboration Social networks are also playing a major role in the dynamics and structure of intelligent Web based networking and collaborative systems Virtual campuses virtual communities and organizations strongly leverage intelligent networking and collaborative systems by a great variety of formal and informal electronic relations such as business to business peer to peer and many types of online collaborative learning interactions including the emerging e learning systems This has resulted in entangled systems that need to be managed efficiently and in an autonomous way In addition latest and powerful technologies based on grid and wireless infrastructure as well as cloud computing are currently enhancing collaborative and networking applications a great deal but also facing new issues and challenges The principal purpose of the research and development community is to stimulate research that will lead to the creation of responsive environments for networking and at longer term the development of adaptive secure mobile and intuitive intelligent systems for collaborative work and learning

Comprehensive Handbook of Psychopathology Henry E. Adams,Patricia B. Sutker,2007-05-08 The purpose of this handbook originally published in 1984 was to provide a comprehensive review of current clinical descriptions research and theories of psychopathology Descriptive psychopathology is a field that forms the foundation of clinical practice and research in clinical psychology psychiatry psychiatric social work psychiatric nursing and allied professions in mental health Since the 1st edition the editors have devised and updated a handbook to cover both general and specific topics in psychopathology that would be useful to researchers practitioners and graduate or other advanced students in the mental health and behavioral medicine professions To implement this plan we have very carefully chosen colleagues whom we respect for their expertise in particular fields These authors include both clinicians and researchers who have outstanding national reputations as well as more junior behavioral scientists and clinicians who in our opinion will achieve similar recognition in the future The excellent chapters in this book lead us to believe that we have chosen wisely We would like to express our appreciation to these authors for their outstanding contributions and cooperation

Taming Oblivion John W. Traphagan,2000-02-17 Examines the cultural construction of senility in Japan and the moral implications of dependent behavior for older Japanese

The Japanese Housewife Overseas Ruth Martin,2007-11-08 Based on research over a six year

period into three age groups of women this important new study offers in depth analysis for the first time of the experience of expatriate Japanese wives living temporarily in the United Kingdom It focuses on the roles of the housewife in the context of the changing status of women in contemporary Japan Oxford Textbook of Psychopathology Paul H Blaney, Theodore Millon, 2008-11-20 While most abnormal psychology texts seem to aim solely for breadth the acclaimed Oxford Textbook of Psychopathology aims for depth with a focus on adult disorders and special attention paid to the personality disorders Almost a decade has passed since the first edition was published establishing itself as an unparalleled guide for professionals and graduate students alike and in this second edition esteemed editors Paul H Blaney and Theodore Millon have once again selected the most eminent researchers in abnormal psychology to cover all the major mental disorders allowing them to discuss notable issues in the various pathologies which are their expertise This collection exposes readers to exceptional scholarship discussions of the best approaches and expert outlook on what future researchers and mental health professionals will be facing in the years to come **The Coherence of Personality** Daniel Cervone, Yuichi

Shoda, 1999-03-29 This volume reveals how social cognitive structures and processes serve as a basis of personality coherence the unique patterns of experience and action that make each of us who we are In doing so the volume demonstrates how a personality theory can be built on psychology's broader foundation of knowledge about cognitive and affective systems and the interactions between persons and the sociocultural environment Presenting novel theoretical developments from leaders in personality social cultural and developmental psychology chapters show how personality coherence arises from the ways people assign meaning to social information gain causal agency over their lives through self knowledge and self reflective processes and organize multiple life events within a framework of goals and life tasks The book stands as the most definitive presentation to date of the social cognitive theories of personality **Modern Japanese**

Organization and Decision-Making Ezra F. Vogel, 2023-11-10 This book constitutes the first attempt of its kind to probe the major features of modern Japanese organization that have played such a critical role in Japan's extraordinarily rapid economic development The contributors include prominent academic business consultants such as Peter Drucker of the United States and Kazuo Noda of Japan Japanese government officials such as Yoshihisa Ojimi former Administrative Vice Minister of the Ministry of International Trade and Industry and Taishiro Shirai a member of the Central Labor Relations Commission as well as outstanding Western experts on modern Japanese organization The essays deal not only with Japanese government and business but also with the structures of a newspaper and a university and with the role of Japanese intellectuals in modern organization The portrait of Japanese organization that emerges is much more dynamic and volatile than has been generally supposed One finds business and government managers creatively using so called traditional practices in novel ways and undertaking bold departures to achieve new purposes The findings contradict the view that decision stems from below Not only do executives have an important role in initiating action but lower level officials function within a context

defined by their superiors Far greater tensions and conflict exist within organizations than is commonly reported by outsiders especially in institutions like the university where conflicts often paralyze the decision making process Similarly there is far greater divergence of interest among different sectors of society than one might infer from the stereotypical view of Japan Inc And since the high level of consensus supporting the fundamental commitment to economic growth is now weakening increasing divergence may be anticipated in the future This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975 **Indigenous and Cultural Psychology** Uichol Kim,Kuo-Shu Yang,Kwang-Kuo Hwang,2006-04-19 Indigenous psychology is an emerging new field in psychology focusing on psychological universals in social cultural and ecological contexts Starting point for psychologists who wish to understand various cultures from their own ecological historial philosophical and religious perspectives *Japanese Patterns of Behavior* Takie Sugiyama Lebra,2021-05-25 Examines beliefs and values generally shared by the Japanese and the importance they place on social interactions relationships and proper conduct

Dependency And Japanese Socialization Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Dependency And Japanese Socialization free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Dependency And Japanese Socialization free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Dependency And Japanese Socialization free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Dependency And Japanese Socialization. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Dependency And Japanese Socialization any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Dependency And Japanese Socialization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dependency And Japanese Socialization is one of the best book in our library for free trial. We provide copy of Dependency And Japanese Socialization in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dependency And Japanese Socialization. Where to download Dependency And Japanese Socialization online for free? Are you looking for Dependency And Japanese Socialization PDF? This is definitely going to save you time and cash in something you should think about.
