Encounter with Enlightenment Robert E. Carter, 2012-02-01 In Encounter with Enlightenment Robert E Carter puts forth the East and specifically Japan as a source of possible solutions to the world s social economic and environmental problems Not only is the book a sustained scholarly analysis of both the religious and philosophical roots of Japan s distinctive ethical approach to life but it also provides the Western reader with a context for understanding Eastern values values that although familiar to the West tend to be deemphasized Encounter with Enlightenment begins a horizontal fusion between East and West and establishes a common ground for mutual understanding and for working toward an ethical approach that could resolve some of the earth s difficulties **The Universe of Stars** Richard Anthony Proctor, 1878

The Anthroposophical Soul Calendar and the Incarnation Cycle of Man Roland Schrapp, 2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner s lectures and

books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses
