Derrière l'objectif De Willy Ronis Photos Et Propos:

Derrière l'objectif de Willy Ronis Willy Ronis, 2010-03-25 Cet ouvrage est composé de 120 photos sélectionnées de son vivant par Willy Ronis. Certaines moins connues, elles sont toutes très représentatives de son parcours et ont permis au photographe de nous livrer souvenirs et réflexions. Qu'est-ce qui est l'œuvre dans l'apparente simplicité d'une prise de vue sur le vif ? Une sorte d'alchimie, un composé de pressentiment et d'imprévu de savoir-faire et d'instinct. En cinq mots clés : Patience, Réflexion, Hasard, Forme et Temps. Willy Ronis donne dans cet ouvrage une lecture passionnante de son œuvre. En nous dévoilant les planches contacts dont sont issus ses meilleurs clichés, le photographe retrace le trajet qui mène à l'image finale, celle que son choix considère comme la plus aboutie et la plus équilibrée. Photographier suppose une intention, c'est un acte volontaire dicté par un motif individuel, souligne Willy Ronis. En revêtant la genèse de ces images, l'ouvrage nous fait partager une expérience unique et nous offre une leçon magistrale de photographie.
