Dictionary of

Spanish Place Names of the Northwest Coast of America: New Mexico René Coulet du Gard,1983 **Travels and Researches in Native North America, 1882-1883** Herman Frederik Carel Kate,2004 This important but little known account of several southwestern tribes has heretofore been available only in the author's native Dutch. Ten Kate's studies of the Pima, Hopi, Apache, and Zuni people are especially noteworthy for their information on tribal cultures. He observed firsthand and sought out informants willing to elaborate on Indian games and sports and on social organization and myths of religious significance. He was particularly interested in the position of women and treatment of children and admired the natives' attitudes on these matters more than did other early anthropologists. His best material is from his extended stay at Zuni where he and Frank Hamilton Cushing became lifelong friends. His observations on the impact of whites on Indian cultures constitute valuable documentation of the dilution of native life styles. Although he is not as well known as contemporaries like Bandelier, Bourke, and Matthews, Ten Kate's work remains influential in the field after more than 120 years. *American Indian Linguistics and Literature* William Bright,2014-01-02 No detailed description available for *American Indian Linguistics and Literature*. *Al Sieber* Dan L. Thrapp,2012-11-28 General George Crook planned and organized the principal Apache campaign in Arizona, and General Nelson Miles took credit for its successful conclusion in the 1800s, but the men who really won it were rugged frontiersmen such as Al Sieber, the renowned Chief of Scouts. Crook relied on Sieber to lead Apache scouts against renegade Apaches who were adept at hiding and raiding from within their native terrain. In this carefully researched biography, Dan L. Thrapp gives extensive evidence for Sieber's expertise, noting that the expeditions he accompanied were highly successful, whereas those from which he was absent met with few triumphs. Perhaps the greatest tribute to his abilities was paid by a San Carlos Apache who, no matter how miserable life might become, because he said Sieber would find him even if he left no tracks.
