Fury's Gate One H. T. Martin, 2011-08-29 Christian has a tough decision to make does he go for the mysterious girl that teases and eludes him or for the bubbly blonde who s near perfect in his eyes Looking past their unique personalities and their incredible sex appeal that is so difficult for him to resist his decision bears heavy burden because the girls in question are really a Valkyrie and a Harpy The two races have been warring with each other for many millennia and Christian s final choice will decide one of their fates for good As if a love triangle with devastating consequences wasn t enough Christian also has to make a good impression his freshman year of college if he wants to have any chance of playing football next fall While behaving like a good boy and dealing with two fantastical girls he also has to come to terms with who his father is and more

importantly what his father is Mayhem an immortal that previously held the title as The God of War offers to help Christian on his journey to answer all of his questions Mayhem's help proves to be detrimental rather than beneficial and forces Christian to take matters into his own hands It's time for him to grow up and make up his mind time is short Taken on the Wing Boxed Set, Books 1 and 2 Elizabeth Munro, Boxed set includes both full length gryphon shifter novels Wingspan and Skyfall Wingspan Jenn Klein was raised in the human world unaware of her gryphon heritage or the legacy before her Devastated by the death of her twin brother she makes the uncharacteristic decision to find emotional connection with a stranger a man she knows only as Talon in the cave like sleeper cab of his rig But no sooner is she introduced to the gryphon world they're meant to share than she's violently taken and forced to fight delicately balancing the human world she knows with the world of the gryphons Born and reared a proud warrior Talon's life takes the turn of most male gryphons that of a rogue existing in both the human world and on the fringes of his adopted Rocky Mountain eyrie After proving himself to the beautiful but emotionally damaged rogue female in his truck they part ways He's haunted by her presence in his heart until they're reunited in his eyrie When she's torn from his arms he'll stop at nothing to have the woman he now calls Shadow returned to his side Skyfall When Cloud is expelled from Master Sky's ranger training program the last gryphon she expects to find at her den is her old lover Soar Now she's the only gryphon with the skills to get inside a corrupt Calgary eyrie and Soar needs her in more ways than one Cloud has little choice but to accept the mission Success will get her back in Sky's good books but accepting Soar as her working partner will either heal her broken heart or ruin it completely Master Soar walked out of Cloud's life when her departure to the ranger program was inevitable She was motivated beautiful and too young to tie herself to someone like him As much as it hurt it was better to let her go But when the Calgary eyrie is at the centre of a conspiracy to destroy his own he's forced to play every card he has including Cloud When Cloud shuts him out and starts to operate on her own he has no choice but to go in after her risking the entire mission to get the gryphon he loves out alive *Armour and Masculinity in the Italian Renaissance* Carolyn Springer, 2010-07-15 During the Italian Wars of 1494 to 1559 with innovations in military technology and tactics armour began to disappear from the battlefield Yet as field armour was retired parade and ceremonial armour grew increasingly flamboyant Displaced from its utilitarian function of defense but retained for symbolic uses armour evolved in a new direction as a medium of artistic expression Luxury armour became a chief accessory in the performance of elite male identity coded with messages regarding the owner's social status genealogy and political alliances Carolyn Springer decodes Renaissance armour as three dimensional portraits through the case studies of three patrons of luxury armourers Guidobaldo II della Rovere 1514-75 Charles V Habsburg 1500-58 and Holy Roman Emperor from 1519-56 and Cosimo I de Medici 1519-74 A fascinating exposition of male self representation *Armour and Masculinity in the Italian Renaissance* explores the significance of armour in early modern Italy as both cultural artefact and symbolic form **The Way to Hell** Nathan Crick, 2024-10 We are living in Machiavellian times argues Nathan Crick in

The Way to Hell Machiavelli for Catastrophic Times Just as Machiavelli warned in the closing chapter of the Prince a foreboding sense of catastrophe encroaches upon our daily lives from every corner political cultural environmental and viral forces not unlike the Four Horsemen of the Apocalypse that were familiar characters in the daily lives of Machiavelli's Renaissance contemporaries and which feature in the headlines that greet us every morning Where catastrophe looms Machiavelli inevitably follows Drawing from the insights contained in Machiavelli's collected works Crick interprets Machiavelli's political thought by first applying it to his own time and then our own exploring the different paths we might choose when trying to avoid the hellish outcomes environmental economic and political that feel as if they are increasingly inevitable Here Crick explores key questions in Machiavelli's writing with pragmatic sensibility and an open mind When is force and fraud necessary to defend democracy Is cruelty ever justified When does social protest slip into violent revolution What is the relationship between politics and propaganda Can we have both good and effective leaders in times of crisis And how does catastrophe bring out the comedy and tragedy of life In our effort to avoid the way to Hell we must confront difficult questions and make hard choices The Way to Hell contributes not only to our understanding of Machiavelli but to our ability to meet the challenges ahead with forethought and courage

Pfinger and the End of Power John Margeryson Lord, 2012-03 In a previous book BORK and the Stones of Power the birth of the giant stone circle and the start of a static agricultural orientated society is described In this the old ways are defended against a destroying army from the north led by Bork and it survived In this tale the stones and the ancestors they may have represented are blamed for the natural hardships of weather and poor crops being experienced by the clan Their ring of giant stones are attacked ultimately destroyed and eventually abandoned as family groups followed each other looking for a better way of life It had however performed its function for a good many generations The Story Singers first appear in Bork and are a pure invention But something of the kind probably existed to carry news between relatively isolated groups

The Last Bell Donald McRae, 2025-03-13 One of the very best writers working today Benjamin Myers author of The Offing and The Gallows Pole Thrilling and raw this is sport writing at its best Dina Nayeri author of The Ungrateful Refugee Donald McRae has been immersed in boxing for fifty years He has followed fighters around the world and won multiple awards for his writing But in recent years McRae's love has waned as criminality

and corruption consume the soul of boxing In 2018 grieving the death of his sister and with his parents terminally ill he sought refuge in boxing again just as Tyson Fury completed an incredible comeback proving that the ring can still offer exhilaration and redemption From Fury s resurrection to the first undisputed heavyweight champion this century boxing can be epic and electrifying It can also be disappointing as McRae discovers when he documents doping s insidious rise or travels to Saudi Arabia where boxing ignores state repression In *The Last Bell* McRae takes us ringside to thrilling bouts with great contemporary champions and fighters as different as Fury Canelo Alvarez Oleksandr Usyk Katie Taylor Regis Prograis and Isaac Chamberlain Whether in London or Las Vegas he shows us what it is like to see joy pour out of a boxer in the dressing room after a magnificent victory or to hold the hand of a fighter being wheeled away on a stretcher after a devastating defeat As he tries to reconcile the contradictions which lie at boxing s murky heart McRae is unflinching and compelling McRae helps boxers open up about their doubts and fears and charts the courage of fighters facing ordeals from depression to war And in telling the heartbreaking story of Patrick Day he faces death in the ring *The Last Bell* is his most powerful and personal book yet a riveting account of life death and boxing

The Quest for Epic Sergio Zatti,Sally Hill,2006-01-01 An original and challenging work *The Quest for Epic* documents the development of Italian narrative from the chivalric romance at the end of the fifteenth century to the genre of epic in the sixteenth century

Machiavelli and Empire Mikael Hörnqvist,2004-11-25 Mikael Hörnqvist challenges us to rethink the overall meaning and importance of Machiavelli s political thinking *Machiavelli and Empire* combines close textual analysis of *The Prince* and *The Discourses* with a broad historical approach to establish the importance of empire building and imperial strategy in Machiavelli s thought The primary context of Machiavelli s work Hörnqvist argues is not the mirror for princes genre or medieval and Renaissance republicanism in general but a tradition of Florentine imperialist republicanism dating back to the late thirteenth century based on the twin notions of liberty at home and empire abroad Weaving together themes and topics drawn from

contemporary Florentine political debate Medicean ritual and Renaissance triumphalism this study explores how Machiavelli in his chancery writings and theoretical works promoted the long standing aspirations of Florence to become a great and expanding empire modelled on the example of the ancient Roman republic This is a distinctive and important work Book The First, Chapters 14-16 ; Book The Second, Chapters 1-18 ; Appendix Pasquale Villari,1892 Fury's Bridge Brey Willows,2017-02-14 If you knew the gods worked from a building in Santa Monica California would it change you Avenging fury Alec Alec Graves has been tasked with saving the world when she isn't out seeking justice for those innocents who suffer at the hands of evil doers If she fails in her mission those she loves will cease to exist Selene Perkton is a philosophy professor in Los Angeles She lives an ordinary well scheduled life and knows her place in it When Alec appears the world she thought she knew becomes a very different place Can Alec and Selene put aside their differences or will the evil lurking in the shadows manage to pull them apart **A Compleat Collection of State-tryals, and Proceedings Upon**
