been able to make No wonder why we long ago went crazy We are blocked from our procreative life together in spirit mind and body But with the understanding of the two forces of creation in making the conscious metaphysical distinction between male and female we can now rectify this problem We can accept our other half into our hearts and lives by simply saying I choose you Such is the existential choice that will bring life to our lives Psychotherapy As If Life Really Mattered Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Psychology Completeness Sexuality Spirituality Identity Consciousness
