Contemporary Stained Glass Sidelights Jody Wright,2006-01-01 Sidelights the elongated windows set next to doorways tend to be narrow making them challenging to design These 60 patterns are specially chosen to form an attractive fit within limited spaces Designs include florals nature motifs and geometric shapes Bonus features include an enlargement guide and helpful hints

Popular Mechanics ,1989-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle

[Structures Unveiled - A collection of architectural insights. Life is a Story - story.one](#) ZiQing Li,2023-09-18 One look around you and you will find yourself amidst a chaos of construction a myriad of infrastructures captured as art in the form of architecture But have you ever wondered where all these buildings came from Were they derived from Vitruvius ancient design principles or inspired by Frank Gehrys Guggenheim Museum Architecture is not so easily unveiled as it boasts a complex interplay of history politics geography creativity and more Yet in this collection I will be setting it simple It begins with a journey through history exploring the prominent architectural styles and eventually delves into the latest masterpieces that capture our attention By the end of this book you will have a notion of what architecture could truly mean when fuelled with enough curiosity to explore the world around us

Historic Preservation Technology Robert A. Young,2008-03-21 This introduction to historic preservation goes well beyond the Secretary of the Interior s Standards for Rehabilitation and shows how wood stone masonry and metal were used in the past and how adaptive re use can be employed to bring modern amenities to historic structures The book covers all aspects of the exterior and interior building fabric including windows

roofing doors porches and electrical and mechanical systems for both residential and small scale commercial buildings Richly illustrated with photographs showing typical elements of historic buildings decay mechanisms and remediation techniques the book also contains a variety of useful case studies and features a companion Website that offers dozens of additional images and resources Treasury of Traditional Stained Glass Designs Ann V. Winterbotham, 2012-03-08 Nearly 400 traditional and domestic designs of popular stained glass windows Victorian era to 1940s A rich source book for graphic artists and designers and stained glass craftspeople Introduction Easy-to-make Stained Glass Boxes Ed Sibbett, 1984-01-01 Durable full size templates for constructing 42 different stained glass boxes Clear complete instructions cover tools materials and techniques Motifs include floral butterfly heart geometric Art Deco Art Nouveau Pennsylvania Dutch contemporary more List of supply sources 42 designs Color illustrations on covers **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative

endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Art Deco Designs, Motifs and Alphabets Marcia Loeb, 2009-11-19 An enduringly popular style of the 20s and 30s Art Deco combines bold images and geometric patterns in elegant decorative and sophisticated designs This eclectic CD ROM set features over 100 illustrations and a variety of Art Deco alphabets inspired by architecture jewelry stained glass and other geometric forms from the period This book and CD ROM set is part of the Dover Digital Design Source series Collected from Dover's famous Pictorial Archive library the images can be used in a variety of print and web projects

Geometric Designs Stained Glass Coloring Book A. G. Smith, 1999-05 Color 16 squares rectangles circles triangles other geometrical patterns on translucent paper with crayons paints felt tip pens for brilliant glow when placed in window or other light source

Art Deco Chicago Robert Brueggmann, 2018-10-02 An expansive take on American Art Deco that explores Chicago's pivotal role in developing the architecture graphic design and product design that came to define middle class style in the twentieth century Frank Lloyd Wright's lost Midway Gardens the iconic Sunbeam Mixmaster and Marshall Field's famed window displays despite the differences in scale and medium each belongs to the broad current of an Art Deco style that developed in Chicago in the first half of the twentieth century This ambitious overview of the city's architectural product industrial and graphic design between 1910 and 1950 offers a fresh perspective on a style that would come to represent the dominant mode of modernism for the American middle class Lavishly illustrated with 325 images the book narrates Art Deco's evolution in 101 key works carefully curated and chronologically organized to tell the story of not just a style but a set of sensibilities Critical essays from leading figures in the field discuss the ways in which Art Deco created an entire visual universe that extended to architecture advertising household objects clothing and even food design Through this comprehensive approach to one of the 20th century's most pervasive modes of expression in America Art Deco Chicago provides an essential overview of both this influential style and the metropolis that came to embody it

Stained Glass Virginia Chieffo Raguin, 2003-09 Raguin and Pongracz offer a detailed and lavish review of the style's designs practitioners tools and techniques of stained glass and give the complete history of this exquisite medium
