panache is the first comprehensive history of the art auction in Australia In this fascinating work Shireen Huda investigates
the construction of the glamorous reputation of art auctions and art auction houses Featuring absorbing case studies of key
art auctions and major art auction houses in Australia including Christies Sothebys and Deutscher Menzies the work provides
an overview of the origin and international development of art auctions The development of the Australian marketplace is
then explored detailing colonial inception and continuing until Christies withdrawal of its saleroom presence in 2006
