Arjuna In The Mahabharata Where Krishna Is There Is Victory:

Arjuna in the Mahabharata Ruth Cecily Katz,1990-01-01 It is a work of unusual breadth and depth that will attract readers in religious studies comparative literature Sanskrit Asian studies and humanities in general The book is a thorough study of the great Indian hero the Achilles of India Arjuna as portrayed in the epic poem Mahabharata including its world famous subsection the Bhagavadgita Different aspects of Arjuna s Character has been discussed **The Difficulty of Being Good** Gurcharan Das,2010-10-04 Why should we be good How should we be good And how might we more deeply understand the moral and ethical failings splashed across today s headlines that have not only destroyed individual lives but caused widespread calamity as well bringing communities nations and indeed the global economy to the brink of collapse In **The Difficulty of Being Good** Gurcharan Das seeks answers to these questions in an unlikely source the 2 000 year old Sanskrit epic Mahabharata A sprawling witty ironic and delightful poem the Mahabharata is obsessed with the elusive notion of dharma in essence doing the right thing When a hero does something wrong in a Greek epic he wastes little time on self reflection when a hero falters in the Mahabharata the action stops and everyone weighs in with a different and often contradictory take on dharma Each major character in the epic embodies a significant moral failing or virtue and their struggles mirror with uncanny precision our own familiar emotions of anxiety courage despair remorse envy compassion vengefulness and duty Das explores the Mahabharata from many perspectives and compares the successes and failures of the poem s characters to those of contemporary individuals many of them highly visible players in the world of economics business and politics In every case he finds striking parallels that carry lessons for everyone faced with ethical and moral dilemmas in today s complex world Written with the flair and seemingly effortless erudition that have made Gurcharan Das a bestselling author around the world and enlivened by Das s forthright discussion of his own personal search for a more meaningful life **The Difficulty of Being Good** shines the light of an ancient poem on the most challenging moral ambiguities of modern life [The Mahabharata of Krishna-Dwaipayana Vyasa Translated Into English Prose: Bhishma parva \(1891\) ,1887](#)

[The Hidden Story of the Mahabharata](#) Nayaswami Gyandev,2024-11-01 The Hidden Story of the Mahabharata reveals a treasure trove of practical spiritual wisdom that most people miss Woven subtly into this compelling tale of dharma righteous action is a profound inner teaching and Paramhansa Yogananda s insights bring it to life pointing the way to true happiness and inner freedom Nayaswami Gyandev s riveting storytelling takes you deep into this beloved saga from its celestial origin to its surprising ending Occasional explanations from Yogananda never break the story s magical spell Instead they make it highly personal by addressing such down to earth topics as The battle within each spiritual seeker What our ultimate victory really depends on How to know whether an action will lead to true happiness Essential qualities to develop for growth How to avoid the countless traps of desire and attachment Navigating the subtleties of right and wrong action The crucial role of will power and how to increase it Countering the ego s clever ways of holding us back Why and how we must overcome even

good habits How personal effort fits with divine grace The Hidden Story of the Mahabharata has everything you love about this timeless scripture and more **The Anatomy of Book of Mormon Theology, Volume One** Joseph M.

Spencer,2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ s atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them

The Mahabharata ,1898 An English Abridgment With Introduction Notes And A Review A Prose English Translation of the Mahabharata Manmathanatha Datta,1897 *Behind Kṛṣṇa's Smile* Antonio Rigopoulos,Gianni Pellegrini,2024-10-01 Behind K a s Smile offers a wholly original perspective on the celebrated Bhagavadg t or Song of God The book investigates K a s hint of laughter prahasann iva in Bhagavadg t 2 10 which is generally understood to be the turning point of the famous poem signaling the outpouring of his grace and teaching to Arjuna Remarkably it is from this verse that a kara and other leading theologians begin to write their commentaries In addition to exploring the momentousness of K a s hint of laughter and its impact on the poem s central teachings Behind K a s Smile provides a crucial interpretation of K a s prahasann iva in the Ved nta commentarial tradition from a kara up to modern times The book also considers the meanings of the stock phrase prahasann iva in the larger epic framework of the Mah bh rata and R m ya a Moreover the book offers the first comprehensive review of the significance of K a s smile in K aite iconography and literature demonstrating that there is a unified canon bringing together the literary and performative dimensions of K a s hint of laughter The Great Golden Sacrifice of the Mahabharata Maggi Lidchi Grassi,2011-11-20 A stunningly lyrical work The Great Golden Sacrifice of the Mahabharata reinterprets Vyasa s epic from Arjuna s point of view As Arjuna relives the battle of Kurukshetra he senses a profound change coming upon himself He begins to understand the true meaning of surrender and sacrifice The book comprises three parts narrated principally by Arjuna Part I takes us through the childhood and youth of the Pandavas and Kauravas the game of dice the Pandavas exile and ends with the armies arrayed for battle at Kurukshetra Part II recounts the battle itself and the teachings of the Bhagvad Gita Part III presents a moving and brilliantly original take on the Mahabharata

as Lidchi Grassi gives a voice to the forgotten victims of every war the ordinary citizens who must pick themselves up and resume the business of life An old order has been swept away but can the new age the Kali Yuga help lessen human strife and misery Vastly ambitious in scope and epic in scale The Great Golden Sacrifice of the Mahabharata is an astonishing read

Mahabharat is one of the most renowned epic poems of all times It contains 100 000 couplets and is nearly eight times as long as Homer's Iliad and Odyssey put together This colossal epic was composed by the renowned sage Ved Vyas and it was none other than Lord Ganesh who assisted him in scripting this enormous text The Mahabharat is an extremely gripping narrative of internecine warfare in the Kuru family It tells the story of how the Kauravas resorted to the deceit and treachery to cheat the Pandavas of their kingdom how the Pandavas fought for their rights and how in the end good triumphed over evil This unique and never before written version of The Mahabharat presents the events in a different light and with great depth revealing the true meaning of various events that dramatically unfold in front of our eyes A timeless classic and its message is highly relevant even in this day and age Among other things the Mahabharat teaches the importance of leading a righteous life doing one's duty selflessly without worrying about the outcome *Devotional Poetics and the Indian Sublime* Vijay

Mishra, 1998-08-06 The last two decades of the twentieth century have been marked by an immense revival of interest in the sublime The sublime has been periodized and trans periodized gendered politicized and even made into a commodity with specific social and economic effects Yet past studies have used Western texts as their archives This book dramatically shifts the focus by examining a major instance of a non Western sublime the Hindu Brahman Devotional Poetics and the Indian Sublime examines European theories of the sublime reads them off against contemporary critical uses of the term notably by Lyotard and Paul de Man and proposes that the Hindu Brahman constitutes an instance of one of the most fully developed of all sublimines Mishra argues that the negative aesthetics of Brahman and the largely decentered rhetoric of Hinduism generally is part of this massive culture's use of the category of the sublime and not the beautiful to speak about a moment when the mind is confronted with an idea too large to be presented to consciousness The book then examines the case of one of India's dominant literary genres devotional verse to show that once the category of the sublime is grasped or seen as the

undertheorized category of Indian aesthetics it soon becomes clear that this massive genre is also predicated upon Brahman the Absolute as the sublime object of impossible desire It is the first book to offer a comprehensive theory of both the Indian sublime and Indian devotional verse **The Story of the Great War** Annie Besant, 1899 Theosofische verklaring van een deel van het Mahabharata epos *Mahabharat in English rhyme* Munindra Misra, 2025-04-06 The Mahabharat a tale of yore An epic saga forever to explore A tapestry of life woven with divine threads Adi Parva from Sections 1 to 119 treads In Naimisha forest Sauti tells the tale Of Mahabharata where legends prevail King Shantanu marries Ganga a celestial being Under curse sons are Vasus fate sealed and seen Devavratha later Bhishma vows celibacy true To ensure Satyawathi s son inherits his duty anew Vichitravirya s reign begins with Bhishma as guide Amba Ambika Ambalika princesses does provide The Pandavs face trials in forests dark and deep Their journey marked by battles and gods they keep Draupadi s Swayamvara a test of strength and might Arjun wins her hand in the morning s golden light
