deliveries Melvin Laird and the Foundation of the Post-Vietnam Military, 1969-1973 Richard A. Hunt, 2015 Examines the former Congressman Melvin Laird's efforts to reconstitute the Department of Defense during the last years of the Vietnam war. Laird acted to mitigate the adverse effects of the Vietnam War on the department and to prepare the nation's armed forces for the future. Foremost was the transition from a conscripted military to an all-volunteer force, a fundamental policy shift that ended an unpopular and inequitable draft system from jacket **Air University Library Index to Military Periodicals** , **Just Politics** C. William Walldorf, Jr., 2011-08-15 Many foreign policy analysts assume that elite policymakers in liberal democracies consistently ignore humanitarian norms when these norms interfere with commercial and strategic interests. Today's endorsement by Western governments of repressive regimes in countries from Kazakhstan to Pakistan and Saudi Arabia in the name of fighting terror only reinforces this opinion. In *Just Politics* C. William Walldorf Jr. challenges this conventional wisdom, arguing that human rights concerns have often led democratic great powers to sever vital strategic partnerships even when it has not been in their interest to do so. Walldorf sets out his case in detailed studies of British alliance relationships with the Ottoman Empire and Portugal in the nineteenth century and of U.S. partnerships with numerous countries ranging from South Africa, Turkey, Greece, and El Salvador to Nicaragua, Chile, and Argentina during the Cold War. He finds that illiberal behavior by partner states, varying degrees of pressure by nonstate actors, and legislative activism account for the decisions by democracies to terminate strategic partnerships for human rights reasons. To demonstrate the central influence of humanitarian considerations and domestic politics in the most vital of strategic moments of great power foreign policy, Walldorf argues that Western governments can and must integrate human rights into their foreign policies. Failure to take humanitarian concerns into account, he contends, will only damage their long-term strategic objectives **Infantry** , 1985 **The Rise and Decline of the American Century** William O. Walker III, 2018-10-15 No detailed description available for *The Rise and Decline of the American Century* **Political science quarterly** , 1992 **Professional Journal of the United States Army** , 1983 **The West and the Birth of Bangladesh** Richard Pilkington, 2021-08-15 In 1971, authorities in Islamabad perpetrated mass atrocities in East Pakistan in an attempt to thwart a struggle for autonomy by terrorizing the local population into submission. *The West and the Birth of Bangladesh* explores the decision-making processes and ethical debates in Washington, Ottawa, and London during the crucial first few months of the crisis. US President Richard Nixon and his national security advisor Henry Kissinger favoured appeasement of Islamabad. The Canadian government was unwilling to hazard bilateral ties with Pakistan. Under public pressure, only the UK showed somewhat greater willingness to coerce Islamabad into ending its oppressive actions. Richard Pilkington analyzes the interplay of US, Canadian, and British responses toward East Pakistan and the available policy options. This insightful book reveals how even as human rights movements began to emerge in the West, blinkered government actors there remained too preoccupied with protecting national interests to take firm action during the crisis **A Tangled Web** William P.

Bundy,1999-06-04 Richard Nixon s accomplishments in foreign affairs his China policy detente with the USSR and the conclusion of the Vietnam War have long been cited as an enduring legacy A Tangled Web offers a critical reassessment of Nixon s foreign policy *Armor* ,1982 *The Presidency of Richard Nixon* Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos The Defence Trade Trevor Taylor,Ryūkichi Imai,1994
