Schlapobersky,2016-02-05 Recipient of the 2017 Anne Alonso Award for Excellence in Psychodynamic Group Therapy
conferred by the Group Foundation for Advancing Mental Health part of the American Group Psychotherapy Association
From the Couch to the Circle Group Analytic Psychotherapy in Practice is a handbook of group therapy and a guide to the
group analytic model the prevailing form of group therapy in Europe The book draws on both John Schlapobersky s
engagement as a practitioner and the words and experience of people in groups as they face psychotherapy s key challenges
understanding and change This book provides a manual of practice for therapists use that includes detailed descriptions of
groups at work accounts of therapists own experience and the issues they face in themselves and in their groups The book is
devoted to the Group Analytic model but the other principally psychodynamic models of group therapy the Tavistock
Interpersonal Psychodynamic Modern Analytic and Structural Systemic models are brought into a comparative discussion
and drawn upon to create an integrated and coherent approach The book is divided into three sections Foundations aimed at
practitioners using groups of any kind and working at every level including those providing supportive psychotherapy and
providing groups for psychosis trauma the elderly people at risk the elderly and children The Group Analytic Model defines
the group analytic model at a basic and advanced level The Dynamics of Change aimed at group analysts psychotherapists
and psychologists providing short term psychotherapy and long term group analysis The book is illustrated with clinical
vignettes including incisive instructive commentaries to explain the concepts in use It is intended for those seeking
psychotherapy whether to resolve personal problems or to find new sources of meaning in their lives It is also intended for
policy makers in mental health students of different models of psychotherapy and the psychosocial field The comparative
discussion running through the text about methods and models of practice will likely be of interest to the wider mental health
and psychotherapy fields The author draws together the inherited wisdom of group analysis since Foulkes time and makes
his own lasting contribution From the Couch to the Circle will be an invaluable accessible resource for psychotherapists
