BODYWORK PLUS WIRING DIAGRAMS This Owners Edition Workshop Manual covers the VW Transporter Type 4 T4 which
was introduced in December 1990 fitted with 2 0 and 2 5 litre petrol engines and 1 9 and 2 4 litre diesel engines It has been
specially written for the practical owner who wants to maintain a vehicle in first class condition and carry out the bulk of his
or her own servicing and repairs Comprehensive step by step instructions are provided for service and overhaul operations to
guide the reader through what might otherwise be unfamiliar and complicated tasks Numerous drawings are included to
amplify the text With the aid of this manual many aspects of service overhaul and repair are within the scope of an owner
with a reasonable degree of mechanical aptitude Some operations however demand more skill Other jobs require the use of
special tools and in some cases testing facilities and techniques that are not generally available Only you can judge whether a
job is within your capabilities We do however try to assist the reader to come to an informed decision Whilst every effort has
been made to ensure that the information provided is correct it is obviously not possible to guarantee complete freedom from
errors or omissions Information to be found in the driver s handbook is not necessarily duplicated here and it is not possible
within this volume to cover every aspect to be found in the manufacturer s own workshop manual which is of much greater
size and complexity However it should be consulted if more detailed information is needed Always remember that you are
responsible for your own safety and that of others when working on a vehicle Take particular care with safety related
systems like the brakes and steering and seek professional advice if in any doubt Never work under a vehicle unless it is
properly supported a single jack is not enough Take care with power tools also regard as potentially harmful fuel lubricants
solvents and sealers which should always be and kept in labelled sealed containers With care and common sense the
practical owner can make an excellent job of maintenance and overhaul The benefits include money saved and the
satisfaction of work well done You will be adding to your knowledge too knowing more about the vehicle you own will help
you to make logical decisions about what needs to be done even if it does in some instances have to go into a professional
repair shop The Volkswagen Transporter T4 is a vehicle that will respond to careful regular servicing and is built to a
