Barnett, Paul Cloke, Nick Clarke, Alice Malpass, 2010-12-09 Globalizing Responsibility The Political Rationalities of Ethical Consumption presents an innovative reinterpretation of the forces that have shaped the remarkable growth of ethical consumption Develops a theoretically informed new approach to shape our understanding of the pragmatic nature of ethical action in consumption processes Provides empirical research on everyday consumers social networks and campaigns Fills a gap in research on the topic with its distinctive focus on fair trade consumption Locates ethical consumption within a range of social theoretical debates on neoliberalism governmentality and globalisation Challenges the moralism of much of the analysis of ethical consumption which sees it as a retreat from proper citizenly politics and an expression of individualised consumerism The Blackwell Guide to Ethical Theory Hugh LaFollette, Ingmar Persson, 2013-04-16 Building on the

strengths of the highly successful first edition the extensively updated Blackwell Guide to Ethical Theory presents a complete

state of the art survey written by an international team of leading moral philosophers A new edition of this successful and highly regarded Guide now reorganized and updated with the addition of significant new material Includes 21 essays written by an international team of leading philosophers Extensive substantive essays develop the main arguments of all the leading viewpoints in ethical theory Essays new to this edition cover evolution and ethics capability ethics virtues and consequences and the implausibility of virtue ethics

Basic Handbook of Police Supervision: A Practical Guide for Law Enforcement Supervisors Gerald W. Garner, 2022-02-23 This updated handbook provides reliable guidance on what to do next and offers practical no frills advice about what to do to counter the day to day challenges and outright calamities that make up the first line leader s work life Perhaps even more important it offers time proven recommendations on how to prevent a bothersome situation from escalating into crisis proportions in the first place It will prove equally useful to the veteran novice or future law enforcement supervisor Its sound advice will help him retain his emotional as well as physical and moral health in a real world environment that seems to become more challenging every day It will help him to lead and bring his people to share his practices and beliefs in doing a very critical job the right way Just as it should be the handbook is short on theory and long on how to advice It is literally a resource that the supervisor can tuck into an equipment bag or otherwise keep close at hand It likewise will aid him in carrying out the very practical tasks of communicating effectively evaluating employee performance correcting inappropriate behavior and helping his officers survive both on the street and in the police organization A new chapter has been added on the topic of how to lead successfully during the current very challenging environment for law enforcement entitled How to Lead During Challenging Times Summary boxes have been interspersed throughout the text that emphasize important points for police leaders to remember Meanwhile the handbook will assist the law enforcement leader in working well with his own boss and planning his own career There is no job description in the world quite like that of first line law enforcement boss The job is as unique as it is difficult and vital to the success of any successful police organization This book will help them become even better at their very important job
