Propp,2011-12-13 Its the Christmas seasonthe

most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book

**Respect the Path** Michele Noel, 2022-06-10 Respect the Path is a gritty truth telling companion book to any 12 Step Addiction Recovery effort for women It is also a must read for any woman who lives with or loves an addict and has suffered the abuses involved in such a relationship Generally focused on the broad diversity of the Christian community Michele pushes back on traditional Christian judgments about the good or bad direction anyone s path is currently taking Working with women in over a thousand group and individual meetings has taught Michele that even the most depraved addict or the most horribly abused woman can find health and healing for her body mind and soul The Recovery path is grueling exhausting powerful and glorious Truth is gloriousness can only come from growing out of that deprivation Every path is simply a valued vital part of uncovering the magnificence that already existed within every woman Work the path believe that your path has value no matter what Yet valuing the path does not grant permission to stew in the juices of self pity blame or self righteous rationalizations Rather we dig deep for that dormant power of Queenship and go to work We change ourselves and the world one day at a time Respecting the path requires us to open our minds to new concepts and ideas about how we think about what we are thinking about Michele has seen just as many lives brought to the brink of destruction by repetitive negative thinking patterns as by the ravages of any substance or behavioral addiction Addiction patterns and negative thinking patterns can be overcome because the brain has a God given healing power God is in this work Michele uses the term addiction in a broad non condemning sense because ownership and accountability are essential to healing and finding

the joy of Recovery The term addiction becomes our friend our instructor not a shame label and it certainly does not define who we are Rather it is merely the path we have trod Michele s favorite self title is Addict in Recovery     **Ensign** ,2001

**Mormon Zion** John J. Hammond,2012 A DIVIDED MORMON ZION NORTHEASTERN OHIO OR WESTERN MISSOURI This is Volume III of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generation Saga which combines family Mormon and American history focusing upon how the author s ancestors were affected by their conversion to the Mormon religion In Volume I four of the author s ancestral families the Carters Hammonds Knowltons and Spencer s and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York and their religious and occult magic worldviews Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical

look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon Church There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smith's 1820s visionary experiences The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831 Smith's interest in western Missouri as the site for his New Jerusalem Zion and the conversion of the author's direct ancestor Simeon Daggett Carter Volume III begins with a detailed look at the life of Sidney Rigdon who played a significant role in the development of the Campbellite Reformed Baptist Disciples of Christ Church When he became a Mormon in late 1830 he helped bring about the conversion of hundreds of his friends in the Campbellite movement which caused Joseph Smith Jr in early 1831 to change the headquarters of his fledgling Mormon Church from western New York to northeastern Ohio A remarkable fusion then took place between Mormonism as it had been formulated initially by Smith and the new Campbellite doctrines practices and organization In the summer of 1831 Smith and Rigdon visited Jackson County Missouri and numerous Smith revelations formally designated it as the site for the New Jerusalem Zion where immediately after the city was built Christ's Second Coming was to occur The sites for the city and a temple were dedicated at Independence but Smith returned to Ohio continued to live at Kirtland and made the decision to build the first temple there much to the chagrin of the Mormons who had obeyed his revelations and were gathering to Missouri This led to a serious rift between Ohio and Missouri leaders many of the latter Smith's earliest disciples from New York Ancestrally the focus of this volume is upon the four Carter brothers Simeon John S Gideon and Jared who joined the Mormon Church in the 1831-32 period While Simeon the author's great great grandfather did not keep a journal and Gideon's journal is very brief Jared's is one of the most important documents in early Mormon history and John S's shorter journal is also very valuable Jared was a kind of religious fanatic with utopian views on faith healing the power of prayer and prophecy yet nevertheless he became president of the Kirtland High Council and a member of the prestigious three man Kirtland Temple Building Committee John S became a leader of the Church in the northeastern New York Vermont region and brought a large company of saints to Kirtland in early 1833 All four Carter brothers became important early missionaries and four separate chapters document their activities

*For the Cause of Righteousness* Russell Stevenson, 2014-12-17 2015 Best Book Award Mormon History Association This book broaches one of the most sensitive topics in the history of Mormonism the story of the LDS community's turbulent relationship with the black population *For the Cause of Righteousness* A Global History of Blacks and Mormonism 1830-2013 promises to tell a story of how an American religious community could wander through the rocky landscape of American racial politics all while hoping to hold onto its institutional integrity in the face of attacks from both within and without Drawing on a rich array of archival documents and oral testimonies *For the Cause of Righteousness*

suggests that understanding race and Mormonism requires far more than watching the movements of well dressed men on North Temple it calls for understanding the dynamics of global Mormon communities ranging from Mowbray to Accra from Berkeley to Rio Di Janeiro But as any historian will say primary sources matter Thus *For the Cause of Righteousness* offers up not only a narrative history of the global black Mormon community but also an anthology of primary source transcripts letters newspaper articles and speech transcripts all in hopes that readers might take one more step toward understanding a story that simultaneously inspires troubles and urges Latter day Saints into understanding a provincial religion that has reached global proportions

*Volume Iii a Divided Mormon Zion: Northeastern Ohio or Western Missouri?* John J Hammond, 2012-05-30 A DIVIDED MORMON ZION NORTHEASTERN OHIO OR WESTERN MISSOURI This is Volume III of an epic multi volume work entitled *The Quest for the New Jerusalem A Mormon Generation Saga* which combines family Mormon and American history focusing upon how the authors ancestors were affected by their conversion to the Mormon religion In Volume I four of the authors ancestral families the Carters Hammonds Knowltons and Spencers and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York and their religious and occult magic worldviews Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon Church There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smiths 1820s visionary experiences The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831 Smiths interest in western Missouri as the site for his New Jerusalem Zion and the conversion of the authors direct ancestor Simeon Daggett Carter Volume III begins with a detailed look at the life of Sidney Rigdon who played a significant role in the development of the Campbellite Reformed Baptist Disciples of Christ Church When he became a Mormon in late 1830 he helped bring about the conversion of hundreds of his friends in the Campbellite movement which caused Joseph Smith Jr in early 1831 to change the headquarters of his fledgling Mormon Church from western New York to northeastern Ohio A remarkable fusion then took place between Mormonism as it had been formulated initially by Smith and the new Campbellite doctrines practices and organization In the summer of 1831 Smith and Rigdon visited Jackson County Missouri and numerous Smith revelations formally designated it as the site for the New Jerusalem Zion where immediately after the city was built Christs Second Coming was to occur The sites for the city and a temple were dedicated at Independence but Smith returned to Ohio continued to live at Kirtland and made the decision to build the first temple there

much to the chagrin of the Mormons who had obeyed his revelations and were gathering to Missouri This led to a serious rift between Ohio and Missouri leaders many of the latter Smiths earliest disciples from New York Ancestrally the focus of this volume is upon the four Carter brothers Simeon John S Gideon and Jared who joined the Mormon Church in the 1831-32 period While Simeon the authors great great grandfather did not keep a journal and Gideons journal is very brief Jareds is one of the most important documents in early Mormon history and John S s shorter journal is also very valuable Jared was a kind of religious fanatic with utopian views on faith healing the power of prayer and prophecy yet nevertheless he became president of the Kirtland High Council and a member of the prestigious three man Kirtland Temple Building Committee John S became a leader of the Church in the northeastern New York Vermont region and brought a large company of saints to Kirtland in early 1833 All four Carter brothers became important early missionaries and four separate chapters document their activities
