Improvement Era ,1970 **True Latter-Day Saints' Herald** ,1956 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **The Trek East** Shinji Takagi,2016-09-27 2017 Best International Book Award Mormon History Association The Trek East represents Mormonism s ongoing search for a haven in Japan that began at the turn of the twentieth century This effort to evangelize and grow in Japan occurred with the backdrop of three forces of history that had emerged in the previous century First with the aspirations of Manifest Destiny achieved in conquering the western frontier the United States was becoming a Pacific military and economic power Second Japan was opening up its borders after 220 years of national seclusion allowing its enterprising young men to travel abroad foreign missionaries to enter the country and its citizens eventually to practice a religion of their choice Third the Church of Jesus Christ of Latter day Saints having been freed from government harassment for the practice of polygamy was beginning to think of going beyond the then established missions Author Shinji Takagi takes a distinctively macro approach focusing on the logic behind the narrative why certain decisions were made and their historical significance The Trek East is therefore as much about Japan as it is about Mormonism Readers will observe through the eyes of Mormonism the intellectual legal political religious and social aspects of Japan as the country evolved across history *Halflives* Brooke Williams,2003 As a member of a prominent Salt Lake City family and a direct descendant of Mormon pioneer Brigham Young Brooke Williams was born into a carefully scripted life He would study hard be involved with his church and community and follow in the footsteps of three previous generations to work in the family business And that is what he did at least at first Yet despite his outward signs of success Williams was not satisfied His deep love of the outdoors and insatiable desire to experience wild nature made living the life expected of him an ongoing struggle He escaped at every opportunity into wildness deliberately seeking risky ski routes long lonely runs and other outdoor adventures from the deserts of Mexico to the waters off Alaska Realizing he was drowning emotionally and unable to bring his halflives together he grew increasingly frustrated as the gap between his two worlds expanded *Halflives* is the story of Brooke Williams personal quest to balance the expectations of family and society with the needs and desires of his heart He identifies a balance we all must strike between our cultural obligations and the strong pull toward wildness that our evolutionary heritage exerts on the human psyche Book jacket **The Publishers' Trade List Annual** ,1974 *The Latter-Day Saints' Millennial Star* ,1910 *DORIAN* NEPHI ANDERSON,2023-02-08 DORIAN BY NEPHI ANDERSON Greenstreet USA is the late 19th century American backdrop for LDS teenager Dorian Trent A simpler life where not every town has the new electric wires or even an automobile and two silver dollars buys you a good pair of shoes Living on a farm

with his mother Dorian's life is just the way he likes it especially when he has a book in his hands But Dorian's life is about to become more complex as he is reacquainted with a childhood friend Mildred Brown and begins to develop feelings for her Unsure of his destiny Dorian seeks the advice of his friend and mentor Uncle Zed while building a friendship with schoolmate Carlia Duke With feelings for both Mildred and Carlia Dorian has to learn to follow his heart

Mormonism: A Guide for the Perplexed Robert L. Millet,Shon D. Hopkin,2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life

The Vision of

Mormonism Robert L. Millet,2007-10 Introduces the core beliefs and practices of the twenty first century Church of Jesus Christ of Latter day Saints church and its adherents the Mormons Provided by publisher *Volume III a Divided Mormon Zion* John J. Hammond,2012 A DIVIDED MORMON ZION NORTHEASTERN OHIO OR WESTERN MISSOURI This is Volume III of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generation Saga which combines family Mormon and American history focusing upon how the author's ancestors were affected by their conversion to the Mormon religion In Volume I four of the author's ancestral families the Carters Hammonds Knowltons and Spencer's and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the

Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York and their religious and occult magic worldviews Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon Church There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smith s 1820s visionary experiences The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831 Smith s interest in western Missouri as the site for his New Jerusalem Zion and the conversion of the author s direct ancestor Simeon Daggett Carter Volume III begins with a detailed look at the life of Sidney Rigdon who played a significant role in the development of the Campbellite Reformed Baptist Disciples of Christ Church When he became a Mormon in late 1830 he helped bring about the conversion of hundreds of his friends in the Campbellite movement which caused Joseph Smith Jr in early 1831 to change the headquarters of his fledgling Mormon Church from western New York to northeastern Ohio A remarkable fusion then took place between Mormonism as it had been formulated initially by Smith and the new Campbellite doctrines practices and organization In the summer of 1831 Smith and Rigdon visited Jackson County Missouri and numerous Smith revelations formally designated it as the site for the New Jerusalem Zion where immediately after the city was built Christ s Second Coming was to occur The sites for the city and a temple were dedicated at Independence but Smith returned to Ohio continued to live at Kirtland and made the decision to build the first temple there much to the chagrin of the Mormons who had obeyed his revelations and were gathering to Missouri This led to a serious rift between Ohio and Missouri leaders many of the latter Smith s earliest disciples from New York Ancestrally the focus of this volume is upon the four Carter brothers Simeon John S Gideon and Jared who joined the Mormon Church in the 1831 32 period While Simeon the author s great great grandfather did not keep a journal and Gideon s journal is very brief Jared s is one of the most important documents in early Mormon history and John S s shorter journal is also very valuable Jared was a kind of religious fanatic with utopian views on faith healing the power of prayer and prophecy yet nevertheless he became president of the Kirtland High Council and a member of the prestigious three man Kirtland Temple Building Committee John S became a leader of the Church in the northeastern New York Vermont region and brought a large company of saints to Kirtland in early 1833 All four Carter brothers became important early missionaries and four separate chapters document their activities
