Doctrine Of Scripture:

The Doctrine of Scripture Mark Thompson, 2022 Centered on the words of Scripture and especially the teaching of Jesus himself this volume unpacks the doctrine of Scripture as taught by the church through the ages helping to strengthen readers confidence in God's word Manual of Christian Doctrine Louis Berkhof, 1939-02-15 Basing this work on his own full scale Systematic Theology Berkhof summarizes the body of church doctrine beginning with the doctrines of Scripture and God and proceeding through statements on anthropology Christology soteriology and more The Doctrine of Scripture Brad East, 2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church's liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church's sacred tradition in service to the gospel and redounding to the glory of the triune God The Doctrine of Sacred Scripture George Trumbull Ladd, 1883

Light in a Dark Place John S. Feinberg, 2018-04-30 What we believe about the Bible is foundational to every part of life Scripture is the very Word of God the final authority for all of theology the governing source of all other doctrines In the latest volume of the Foundations of Evangelical Theology series theology professor John S Feinberg has written a landmark work on the doctrine of Scripture offering a robust serious treatment of topics such as revelation the canon inerrancy infallibility sufficiency preservation and more all with the goal of helping readers cherish obey and be transformed by what God has spoken in his Word A Treatise on Christian Doctrine John Milton, 1825 **The Great Doctrines of the Bible** Rev William Evans, 2019-03-27 The demand for this book has come from the students in the class room who have listened to these lectures on the Great Doctrines of the Bible and have desired and requested that they be put into permanent form for the purpose of further study and reference This volume is prepared therefore primarily but not exclusively for the student and with his needs in mind The doctrines herein treated are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel

passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings *The Doctrine of God* Veli-Matti Kärkkäinen,2004-08 A global survey of interpretations of God in Scripture Christian history and contemporary theology with a focus on key God talk issues of the day **A Treatise of Christian Doctrine, Compiled from the Holy Scriptures Alone ... Translated from the Original by C. R. Sumner** John Milton,1825 **The Typology of Scripture** Patrick Fairbairn,1852 **Scripture's Doctrine and Theology's Bible** Markus Bockmuehl,Alan J. Torrance,2008-11 A team of world renowned scholars explores on what grounds and to what extent the New Testament shapes and prescribes Christian theology The God Who Is Triune Allan Coppedge,2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God s nature attributes roles relationship to creation and providence The Quest for the Trinity Stephen R. Holmes,2012-10-29 The doctrine of the Trinity was settled in the fourth century and maintained with only very minor disagreement or development by all strands of the church Western and Eastern Protestant and Catholic until the modern period In the twentieth century there arose a sense that the doctrine had been neglected and stood in need of recovery In The Quest for the Trinity Holmes takes us on a remarkable journey through 2 000 years of the Christian doctrine of God We witness the church s discovery of the Trinity from the biblical testimony its crucial patristic developments and medieval and Reformation continuity We are also confronted with the questioning of traditional dogma during the Enlightenment and asked to consider anew the character of the modern Trinitarian revival Holmes s controversial conclusion is that the explosion of theological work in recent decades claiming to recapture the heart of Christian theology in fact deeply misunderstands and misappropriates the traditional doctrine of the Trinity Yet his aim is constructive to grasp the wisdom of the past and ultimately to bring a clearer understanding of the meaning of the present **Within the Love of God** Anthony Clarke,Andrew Moore,2014 David C Parker looks at how new methodology changes what an edition is for and how we use it using the example of the New Testament texts **Church Doctrine and the Bible** David Instone-Brewer,2020-05-13 You know the doctrines but are they biblical Too often Christians are content to state a doctrine list a few supporting Bible passages and proceed on to the next But are these doctrines truly derived from the Bible or are we slotting verses into our pre determined theological grids In Church Doctrine and the Bible biblical scholar David Instone Brewer applies his expertise in first century backgrounds and culture to popular Christian doctrines Peeling away thousands of years of theological development reveals how the Bible s original hearers would have understood these doctrines and helps us resolve some of our doctrinal disputes and misunderstandings Through this process Instone Brewer answers the question is this doctrine biblical Church Doctrine and the Bible will help pastors theologians and laypersons see familiar doctrines with fresh first century eyes By restoring the revolutionary simplicity of the Bible s teachings we gain new insights into these doctrines and what they mean for the church today *The Great Doctrines of the Bible* Reverend William Evans,2010-08-28 The Great

Doctrines of the Bible is comprised of a series of essay lectures given to students The subject matter is covered from a Biblical rather than a dogmatic perspective The Table of Contents includes 1 The doctrine of God 2 The doctrine of Jesus Christ 3 The doctrine of the Holy Spirit 4 The doctrine of man 5 The doctrines of salvation repentance faith regeneration justification adoption sanctification prayer 6 The doctrine of the church 7 The doctrine of the scriptures 8 The doctrine of angels 9 The doctrine of Satan 10 The doctrine of the last things the second coming of Christ the resurrection the judgment the destiny of the wicked the reward of the righteous **Church Doctrine, Bible Truth** Michael Ferree Sadler, 1865

The Doctrine of the Trinity Sir Anthony Buzzard, Charles F. Hunting, 2023-11-30 This important work is a detailed biblical investigation of the relationship of Jesus to the one God of Israel The authors challenge the notion that biblical monotheism is legitimately represented by a Trinitarian view of God and demonstrate that within the bounds of the canon of Scripture Jesus is confessed as Messiah Son of God but not God Himself Later Christological developments beginning in the second century misrepresented the biblical doctrine of God and Christ by altering the terms of the biblical presentation of the Father and Son This fateful development laid the foundation of a revised unscriptural creed that needs to be challenged This book is likely to be a definitive presentation of a Christology rooted as it originally was in the Hebrew Bible The authors present a sharply argued appeal for an understanding of God and Jesus in the context of the original Christian documents For additional information visit the author's website at www.restorationfellowship.org *The Scripture Doctrine of the Church* David Douglas Bannerman, 1887
