Do Cats Think Notes Of A Cat Watcher:

Do Cats Think? Paul Corey, 1977 Observations on and descriptions of cat behavior based on the author's decades of watching his feline companions testify to the ability of cats to remember, communicate and think *The Cat Who Thought Too Much - An Essay Into Felinity* Robin D Gill, 2010 Imagine a cat who mastered more tricks than a highly trained dog covered up cans of food he did not want to eat before they were opened and could delicately touch a tiny finger spun top repeatedly without stopping it Han Chan was such a cat His memory preserved in notes and sketches inspired an authority on stereotypes of national character and translator of Edo era Japanese poetry to essay out of his fields of expertise and into felinity Sample chapters The animal that kneads the world Conversing with cats easier in Japanese Smiling with closed eyes or far from Ecotopia Are cats the most or least false animal Beauty Is it relative or is it the cat A little red mouse or are we keeping the right pet The third generation tanuki a new theory of domestication Observations are coupled with thought about things such as 1 whether the altered behavior usually explained as saving face or covering up weakness is not more like improvisation that retrospectively makes melodic sense of what would be wrong notes by offsetting or dream style logic that ever present keeps the flow from breaking 2 Cats or some cats may avoid trauma from bad experiences by convincing themselves it was only a nightmare and continuing to hope until they can cope 3 Cats demonstrate their social nature by showing off their catches sleeping together in the cold and behaving themselves but most are unfortunately like so called feral children because they are separated from their family while too young to have socialized they re-enforce the stereotype of the independent asocial cat One can only understand felinity by living with generations of cats under one roof The author did this People who liked Barbara Holland's *Secrets of the Cat* the cat chapter in Vicki Hearne's *Adam's Task* and Leonard Michaels A Cat will probably purr while reading this **The Cat and the Human Imagination** Katharine M.
