Do It Again Lord:

Do it Again, Lord! Shelton L. Revival-God's Proven Method of Awakening His Church Edgar Lewellen, 2005-08 *Simple Things* Charles Preston Fletcher, 2012-10-01 This collection of simple poetry is a pleasant journey of deeper self awareness and gratitude on the road to self discovery You will learn a little more of how to find and fully appreciate the joy and fun in life as the topics of love gratitude hope and inspiration are more deeply explored God gives us strength through the struggle between good and evil In this struggle is where the best in life is found The more we look the more we begin to clearly see that the joys in life abound If we are lucky God lets us all start out our lives with a strong sense of curiosity while knowing that we are loved We find the best in life by strengthening three aspects of our faith The strength of our faith in God the strength of our faith in others and the strength of our faith in ourselves Both our love and our faith are strengthened by never giving up At some point in our lives many of us come to realize that it is the strength we find in the selfless love of Jesus Christ that is all that s held us up The greatest value in the Christian life is the gift of eternal life The second greatest value in the Christian life is in the living of it Curtis H West M L S The journey of self discovery can be frightening exhilarating confusing liberating and often best undertaken accompanied by a caring voice Charles Preston s poetry shiningly serves as such a voice for all who wish to begin a journey of their own Suzanne Beeson Ph D HSPP **Wise Her Still Three-Fold** Tiffany Buckner, *Wise Her Still Three Fold* is a compelling follow up to the *Wise Her Still* series This phenomenal book is a must have guide for single and not so single Christian women *Wise Her Still Three Fold* contains a compilation of fictional stories written to bring revelation and restoration to women Each story is followed up by hard hitting facts and truths so potent they will change the way you view life relationships and God I Fail to Miss Your Point Jim O'Bryon, 2007 O Bryons new book is packed with quotes trivia historical interest inspiration and wisdom Christian **Amazing Trace - A Sister's Journal** Karen West, 2007

A Commentary on THE MINOR PROPHETS David Pawson,2019-08-22 David Pawson looks at the messages of these so called minor prophets and says I do not like that term To God all prophets are important whether they speak a little or a lot Even if God only gave you three words for somebody else that is prophecy You don't need to do it at length for fifty years as some prophets did There are some prophets in the Old Testament who only speak once and then as far as we know they disappear but they have given a message from God This is all a prophet is someone who has heard a message and passes it on to the right people It is such a simple ministry You don't need to be theologically educated you don't need to be a public speaker In fact God seems to entrust this ministry to those who don't have a gift of oratory It is exciting to hear ordinary folk who would never be able to get up into a pulpit and preach a sermon hear from God and pass on a word from him

Have You Ever Seen a Hearse Pulling a Trailer? Rev. James W. Moore,2010-11-01 You know the old saying You can't take it with you when you go So instead of putting our faith in material things that we can acquire let's put our faith in God and focus on the things in life that money can't buy

Louie Blanco,2020-03-09 All of the real life experiences are true and many were very dangerous The style of writing is serious and humorous and will have the reader both laughing and sometimes crying in the same paragraph making the book hard to put down once started The entire family will be found in the book as they were an integral part of the Ministries Why me again Lord was born out of the difficult times that come to a servant of God who only wants to serve and keep on keeping on with as little interference as possible to get done as much as possible in the time frame given for the job When the Lord decides to step in and test us it can be very disrupting and confusing to the one who is at the blunt end of the trial and tribulation Why would God want to cause us to doubt Him or His calling when we are doing our best to get the job done which in our case was to start and build new churches training nationals to take over the pastorship of said work and move on to another area repeating the same The book relates many trials and tribulations that God does not have to explain or make easy The harder they are the faster we can learn to trust Him and keep on keeping on by faith in His word The greater our faith the bigger can be the work Trusting the mighty hand of God and going where no other has gone to reveal Him to the lost world is a tremendous responsibility He will test us supplying all we need to follow producing fruit for His glory even if we don't understand it all He is still in charge **Here I Am Again, Lord** Carole Mayhall,2011-02-16 WE ALL WANT TO

EXPERIENCE successful even dramatic spiritual growth Yet we often feel as though we're taking two steps forward three steps back As we learn and relearn the same spiritual lessons time and again we become discouraged thinking that we are not changing or growing But as author Carole Mayhall gently reminds us such experiences are a normal even vital part of the healthy Christian life With heart warming vulnerability Mayhall explains and illustrates that spiritual growth is a lifelong endeavor but through it all your heavenly Father is whispering I will uphold you I will sustain you I will carry you Painting a vivid picture of a patient God who loves and shapes you Here I Am Again Lord offers solid reassurance and motivation to significantly encourage you in your walk with Christ Praying Like Monks, Living Like Fools Tyler Staton,2022-10-27 What if until now you've never really prayed Not like Jesus designed it anyway Prayer is the source of Jesus's most astonishing miracles and the subject of Jesus most audacious promises and yet most people even most Bible believing Christians find prayer to be boring obligatory disappointing confusing or most often all of the above If you've ever felt this way Praying Like Monks Living Like Fools is your invitation to trade your conceptions and misconceptions about prayer for prayer in its purest form a vital sustaining powerful connection with God that is more real and alive than you could have ever imagined In these pages Tyler Staton author pastor and national director of the 24/7 Prayer movement addresses common roadblocks to prayer and gives you the confidence to come to God just as you are Through biblical teaching powerful storytelling and insights on historic Christian practices Staton helps you Express your doubts and disappointments about prayer Discover and practice multiple postures of prayer including silence persistence confession and more Understand and embrace the wonder and

mystery of prayer in everyday life Realize that prayer is a powerful invitation to partner with God in the redemption of a fallen world And ultimately open or reopen the line of communication with your Creator and experience afresh his divine power on earth Prayer is a journey and this book will help you transition your prayer life from a path littered with half hearted requests to a treasured journey of ever deepening adventurous relationship with Jesus Tyler Staton will be coming to the UK in May this year to speak as a contributor at Wildfires 2023
