Do Nothing Shadows:

Do Nothing Jonathan Cottrell, 2022-07-12 Do Nothing shares a strong message of how to accomplish something greater for Jesus Most religions proudly and regularly teach what their followers must do to reap spiritual rewards and climb the peaks of enlightenment But then there s Jesus Rather than tell His followers what they could do Christ taught believers that they could do nothing apart from Him John 15 5 Likewise the Son of God insisted that He could do nothing apart from His Father in heaven John 5 19 Unfortunately this is a message that has been largely forgotten among even the most well intentioned Christians and trendiest of churches Maybe it s a message that readers have never even heard In Do Nothing readers learn how to peacefully rest better discern and calmly walk forward in the completed work of Jesus Finally they can escape the burdensome mantras of today s culture which indoctrinate everyone everywhere to work hard hustle earn it make it happen try harder and do something So much doing Jesus offers a much easier way in fact He is the way And He accomplishes everything He begins

World War and his hugely famous uncle **The Shadow of the East** E. M. Hull, 2022-09-04 E M Hull's *The Shadow of the East* is a captivating narrative that delves into the complexities of Eastern mysticism and the tumultuous emotions of love and dominance. With its rich prose and intricate detailing, Hull's work is entrenched in the literary tradition of the early 20th century, showcasing a deep fascination with the exotic Orient. The novel builds upon the zeitgeist of its time, synthesizing the allure of foreign lands and the romanticism prevalent in post-Victorian literature. Hull's literary style is vivid and immersive, imbuing the text with a sense of immediacy that enthralls and entices the reader through its descriptive prowess and the exploration of passionate if not tempestuous relationships. E M Hull, born Edith Maude Winstanley, is perhaps best known for her earlier work *The Sheik*, which reflects themes of power and desire that echo through her subsequent writings. *The Shadow of the East* possesses a thematic lineage to Hull's previous works, drawing upon her intrigue with the cultural and psychological interaction between the West and the East. Hull's inspiration for such narratives may well be rooted in the societal shifts and imperialist attitudes of her own era, manifesting in a fervent literary exploration of the otherness that the East represented to her Western audience. This special edition by DigiCat Publishing is a commendable effort to resurrect the enduring legacy of Hull's work, inviting contemporary readers to engage with the emotive and atmospheric quality of *The Shadow of the East*. Literary enthusiasts and scholars alike will appreciate the book's historical significance as well as its raw and powerful examination of intercultural entanglements. Hull's flair for crafting compelling human experiences against the backdrop of wider socio-political themes renders this work an essential read for those captivated by early 20th-century literature and its cultural reverberations.

In the Empire of Shadow Lawrence Watt-Evans, 2004-11-01 Originally published in 1995 by Del Rey **The Beadle Files: Graveyard Promises** Ken R. Abell, 2018-01-10 *Graveyard Promises* is the first installment of *The Beadle Files*, a hardboiled suspense series set in the Roaring Twenties. Prohibition is the law of the land; social and economic fluctuations are sweeping across the country, and organized crime has become a volatile influence. It is the era of gangland infighting for territory and control of the flow of liquor. The main character in the ensemble cast is LC Beadle, a World War I foreign correspondent who is now stateside in Durango, Colorado. Following a lead, the newspaperman gets caught up in a murder mystery that has conspiratorial undercurrents involving the Chicago rackets. Trouble or the threat of it is an ever-present reality leaping off the pages like an aggressive terrier. Schemes and plotlines jump from the Backdoor Vault to Triad Medical to Rooster's Barnyard to Jewel's Tea Spice Emporium to the Kilkenny Social Club. The narrative entwines around the life and times of a legendary lawman and his family. Supernatural elements are woven into the fabric of story arcs as the age-old war between good and evil continues unabated. Despair is at odds with hope, while hints of tragedy lurk in the shadows. The words of Yaz Lightfoot, a deeply spiritual Lakota Sioux man, serve as an overarching theme: Justice demands the fidelity of principled men.
