**Proceedings of the 2nd UPY International Conference on Education and Social Science (UPINCESS 2023)** Ari Kusuma Wardana, 2023-12-31 This is an open access book

Technology has had a huge impact on education and social dynamics around the world Since the introduction of information and communication technologies ICTs such as the internet smartphones and social media much has changed in the way we learn and interact with others In education technology has enabled students and teachers to access more diverse and engaging educational resources With internet access students and teachers can access educational resources from all over the world and learn about various topics and disciplines In addition technology also enables distance learning which allows students and teachers to connect from different locations However there are also negative impacts of using technology in education For example excessive use of social media and the internet can cause concentration disorders and addiction in students In addition too much reliance on technology can also reduce students' ability to think critically and solve problems independently In social dynamics technology has allowed us to connect with people from all over the world and paved the way for greater collaboration and cultural exchange However technology has also brought negative impacts on social dynamics such as the spread of fake news or hoaxes cyberbullying and social media addiction In this regard technology can

be a very useful tool if used wisely and with proper understanding of its impact Therefore to support this Universitas PGRI Yogyakarta was hold an international conference and Call for Papers The 2nd UPY International Conference on Education and Social Science UPINCESS The Impact of Technology on Education and Social Dynamics on September 27 2023 The conference aims to discuss in depth about the impact of technology on education and social dynamics as well as finding appropriate solutions and strategies to minimize its negative impact and maximize its benefits Experts researchers and practitioners in the field of education and technology from around the world can share their knowledge and experience in this conference and can encourage collaboration and innovation in this field *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1993 **The Counseling Practicum and Internship Manual** Shannon Hodges,2010-08-03 For many counseling students the first experience with a counseling practicum or internship can be daunting With this manual students in practicum and internship settings receive the orientation and guidance they need to successfully navigate field placement In this book author Shannon Hodges shares over 16 years of expertise in counseling and clinical training He discusses everything students need to know to fully understand all aspects of the practicum internship process The book provides detailed guidelines to selecting and applying for an appropriate practicum internship performing responsibly on the job maintaining ethical standards and much more The manual comprehensively covers practicum internships in all settings including rehabilitation school mental health addictions and marriage and family counseling With this book students will learn how to Select apply to and interview for the internship practicum Use the practicum internship as a means to land a job Create a professional identity and demeanor Navigate ethical legal and professional issues Comply with HIPA the Health Insurance Portability and Accountability Act Use various new leading technologies in counseling Write clinical case notes and develop treatment plans Set clear boundaries with clients and deal with difficult colleagues *From Buddy to Boss, 2nd Ed* Chase Sargent,2018-04-13 Professional development and leadership with you in mind A good friend once said about Chase Sargent that he s a very intelligent man but he sure does tick people off sometimes Sargent doesn t disagree He may have made some people mad but he wishes he had done it more often to get this point across Leadership in all aspects of life is sorely lacking The second edition of *From Buddy to Boss* Effective Fire Service Leadership reinforces the fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success Being a firefighter can be tiring and frustrating but it can be rewarding It s not only about the job but also about raising kids managing your life and trying to be a good person attached to God country family and friends says the author Many leaders today are surrounded by external politics hidden agendas fiscal constraints and manipulative people Consider these factors when navigating your career Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader Before he went into teaching this subject It became apparent very quickly that the leadership and human resources training being provided was

as scarce as water in a desert and that the re service was thirsty This new second edition includes must read topics on leadership lessons from the War in Iraq knowing death in the fire service and providing leadership in large scale disasters This book will change your life     The Counselor's Helpdesk Phil Travers,2002 THE COUNSELOR S HELPDESK is a concise reliable resource guide designed to provide students practitioners educators and clinical supervisors with a handy resource for frequently needed information     **2nd International Conference on Lifelong Education and Leadership for ALL-ICLEL 2016** Prof. Dr. Osman TITREK,Ress.
