Does God Really Talk:

Does God Really Talk Dr. Mary Washam, 2004-06-29 Many readers may relate to the cover of this book in how they view God and His speaking where He is distant and above the clouds rather than being close and personal like a friend Organized religion has perpetuated the notion of a God who is far away This religious system has stifled spiritual intimacy between God and people and replaced it with rules and rituals Though Bible scripture and her personal experiences Dr Washam shows that God is an intimate personal talking God Who desires to be involved in every aspect of our lives everyday issues and extraordinary trials Dr Washam shares her experiences as though she were conversing with a familiar acquaintance she speaks to us rather than at us Through this book the reader will know without a doubt that God Does Talk and that He desires to speak unto them The reader will learn the ways in which God speaks and the hindrances that can keep them from hearing the voice of God In these uncertain times it is vital that we hear and know the voice of God so that we can make good decisions that will ultimately impact the course of our lives

Does God Really Speak to Us? Rowena Andres, 2025-09-19 Have you ever lost someone you loved Carried a dream in your heart unsure whether it will ever come true Wondering if marriage is part of your future Or questioned why bad things happen to good people These are questions many of us grapple with questions that often leave us searching for answers we can't seem to find The author of Does God Really Talk to Us has wrestled with these very same questions during seasons of grief and uncertainty Through her journey she discovered a deeper relationship with God one that began over 30 years ago when she lost her father and started recording heartfelt prayers in her journals In this deeply personal book she shares her experiences and the intimate prayers that helped her find peace and clarity She reveals how in the stillness of our hearts we can truly hear God speak if we're willing to be quiet and listen

Can't You Talk Louder, God? Steve Shultz, 2007 How many times have you felt God is trying to speak to you and yet you feel like you're hearing nothing Who hasn't asked God can't you talk louder I just want to know what to do The reality is that all of God's sheep in every denomination already hear God's voice every day Steve Shultz uncovers the many Scriptures hidden in plain sight as he likes to say These clear yet often forgotten passages contain easy answers to the questions you've asked or wish you could ask about hearing God's voice Learn how you can tune in to what God has to say personally to you You don't even have to believe in prophecy It's not the term prophecy that's the problem but how it's defined Back cover

Brümmer on Meaning and the Christian Faith Vincent Brümmer, 2019-10-01 This volume presents a wide ranging selection from the writings of a leading contemporary philosophical theologian Vincent Brümmer In his many books and articles Brümmer has demonstrated how the tools of philosophical analysis are not only fruitful but also essential for dealing with the central issues of systematic theology The title of this volume Meaning and the Christian Faith highlights two characteristic themes that recur throughout the many writings of Vincent Brümmer Much of his work has been devoted to exploring the meaning of the Christian faith and especially of its central claim that God is a personal being whose fellowship

believers may enjoy On the other hand Br mmer has also shown that religious belief should not be understood as an explanatory theory but rather as a way in which believers understand the meaning of their lives and their experience of the world and direct their lives accordingly Thus in the Christian tradition believers claim that their lives are meaningful because they seek to attain ultimate happiness in the love of God In the introductory sections throughout this volume Vincent Br mmer describes how he came to pay attention to the various themes dealt with in his writings and explains why he came to deal with them in the ways he did

Broadcast Talks C. S. Lewis, 2021-08-31 Broadcast Talks by C S Lewis is a collection of two distinct talks presented in a series of concise sections that invite deep contemplation In the first talk titled Right and Wrong A Clue to the Meaning of the Universe Lewis unveils a compelling clue through his Christian beliefs that unravels the mystery of the universe by exploring the concepts of right and wrong The second talk What Christians Believe delves into the profound beliefs held by Christians challenging readers to confront the pivotal question Is Jesus simply a moral teacher or something far greater

Talking God in Society Ute E. Eisen, Heidrun Elisabeth Mader, 2021-02-15 Peter Lampe s work has covered a wide range of fields the common denominator being his interest in contextualizing belief systems Mirroring his multifaced work the authors pursue his interest from different interdisciplinary angles addressing the interdependence between religious expressions and their situations or contexts The application of theoretical models to texts examples flanks the inspiring theoretical epistemological and methodological reflections Studies in socio economic and political history adjoin archaeological epigraphic papyrological and iconographic investigations Social psychological interpretations of texts complement rhetorical analyses The hermeneutical reception of biblical materials in for example the Koran and Christian Chinese or Orthodox contexts as well as in religious education and homiletics rounds off the volumes

Talking with God J. Ben Pickering, 2014-05-11 Fact Prayer changes lives Fact Superman couldn t Batman didn t Wonder Woman wouldn t Fact You can Your super power is talking with God Fact You don t need a degree in theology anyone can pray In this book we discover there are three simple elements to prayer how to use them to effectively change our communication both with God and with other people and in doing so how these transform our minds from looking at the ordinary to achieving a spiritual understanding of how God looks at things When we pray we are talking with God not metaphorically or figuratively or symbolically but literally and in reality This book is a journey that explains in everyday language and examples just what prayer is and how we can find our own relationship with God prayer is His gift to allow us to change our lives and the lives of those around us Are you ready God is

Listening to God Charles F. Stanley, 2009-07-28 TALKING TO GOD IS EASY IT S THE LISTENING THAT S THE HARD PART Although most of us can talk with ease to our best friend many of us aren t so good at keeping quiet and hearing what our friend has to say So it is with God For true communication with Him we must learn to listen through understanding His Word Dr Charles Stanley s

Listening to God part of the Life Principles Study Series presents a sound way to explore the Word and hear God's truths. You'll learn to identify with the passages, recognize your emotional response, reflect on the passages' meaning, and take steps to apply what you've learned.

A State of Nine One One D. L. Harman, M.D., 2006-08-17 In this book the reader will discover that we all have the ability in a matter of minutes to destroy the people we love most. Based on a shocking true story, *A State of Nine One One* is an account of facts that everyone who loves someone should know. A physician and single mother is trying to raise her family right. An anonymous meeting with John F. Kennedy Jr. changes her life for the better. When the pretty doctor is seduced by a dashing alleged Mafia member, she finds her life exploding. Desperate to make sense of the tragic, surrealistic events in her life, the doctor turns to a psychiatrist for help and characterizes a deadly disease in young people.

Questions and Answers on Conversations with God Neale Walsch, 2025-09-12 Millions of readers have come to value the *Conversations with God* series by Neale Donald Walsch, which has now been translated into twenty-six languages. Many thousands of those readers have had questions for him: questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God, and the universe, prayer, angels and devils, spiritual paths, relationships, and much more. In *Questions and Answers on Conversations with God*, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters, and the result is a book that is profoundly enlightening and inspiring. By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals, Neale's answers illustrate the direct link between spiritual and physical reality, clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe. This book gives us all the opportunity to look at ourselves to change ourselves and thus perhaps to change the world.

Talking about God and Talking about Creation Rahim Acar, 2021-08-04 Comparing Avicenna's and Thomas Aquinas' positions regarding human knowledge, this volume talks about God and the nature of the creative action and the beginning of the universe. The overall argument of the book is that their conception of theological language plays an important role in shaping their positions concerning the creation of the universe. In the first part, their conception of the theological language and divine formal features are explored, and how their positions regarding theological language differ from each other is discussed. The second part includes a comparison of their conceptions of the nature of the divine creative action, which provides a good example showing how their conceptions of theological language affect the way they talk about creation and their arguments concerning the beginning of the universe.

To Be Like Jesus Brother Gene, 2010-10-29 This book is about Truth. Jesus said, "I am the Way, the Truth, and the Life." John 14:6. The God Who designed and created us also designed a Life for us. This book is about that Life. Every page of *To Be Like Jesus* is grounded in the Bible, the Written Word of the Living God. Coming to know Christ in the miracle of New Birth is only the beginning; this book is about the continuation of that Life. I came to know the Lord Jesus Christ in 1959. I remember the night very well. No revival meeting, no bells or whistles, but on that night my entire life changed. I had wanted a career in

country music wanted it badly But that night I walked out of my wife s parents home into the driveway looked up into the sky where I thought that God was and prayed the simple little prayer God have mercy on me a sinner That night Jesus Christ came into my life and the rest is all detail Bless the Lord O my soul and all that is within me bless His Holy Name Edward E Gene Stacks The R.C. Sproul Collection Volume 2: Essential Truths of the Christian Faith / Now, That's a Good Question! R.C. Sproul,2017-02-15 This Collection bundles two of popular and accessible theologian R C Sproul s works into one e book for a great value Essential Truths of the Christian Faith For those who yearn for a deeper walk in faith their journey can begin here Dr Sproul takes theology down off of the dusty shelves of theological libraries and expounds in clear and simple terms over one hundred major Christian doctrines He offers readers a basic understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we can all understand Sproul s homespun analogies and illustrations from everyday life make this book interesting informative and easy to read Now That s a Good Question Now That s a Good Question answers more than 300 challenging questions about life and faith Sproul a distinguished theologian and educator address doctrinal points and contemporary issues such as euthanasia evolution and abortion His answers cover over three hundred topics in a personable easy to read style that s perfect for the lay person New believers as well as those older in the faith will find this book a great resource for those challenging questions of life and faith **Vision Stories** John E. Sumwalt,2002 What if Moses had never told anyone about the burning bush What if Paul had kept quiet about his experience on the road to Damascus What if John had never written a word of what he saw during his exile on Patmos The Bible is filled with mystical stories yet modern culture is often uncomfortable with the concept of spiritual visions Though a recent study showed that as many as 44% of Americans have had some sort of mystical experience people are frequently hesitant to share holy moments that might seem strange to others But John Sumwalt discovered that whenever a small group is gathered together and a vision story is told two or three others will recount a similar episode Almost everyone has either a personal vision story or knows of a friend s experience and if they know that its sacredness will be honored most people want to tell their story This remarkable collection shares 69 authentic life changing narratives that witness to the Lord s power and presence Many of these intensely personal accounts have never been told before and whether they concern visions healing or answers to prayer they all demonstrate our spiritual thirst as well as the indescribable joy comfort and peace that comes from encountering the divine Each illustrates a scripture passage from Cycle B of the Revised Common Lectionary so Vision Stories is an especially valuable resource for lectionary preaching But even more it s inspiring reading for personal devotion and spiritual growth This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of New Testament Stories from the Back Side John Sumwalt has given us a treasury of God s meetings with the daily lives of people Too often we think of

God as hidden away in the stories of the Bible Here we see God now encountering people in surprising ways of grace May these stories encourage us to tell one another our stories of God s meetings with us as well Dwight Judy Author of Quest for the Mystical Christ I am very impressed with Vision Stories as a resource for preaching teaching and spiritual formation reading These stories help us to meet what may be the greatest spiritual need of our time to know and to share the experience of the reality of God and the spiritual realm in a materialistic world Charles R Gipson Author of The Three Year Community for Spiritual Formation Through stories and scriptural comparisons Sumwalt offers insight into the extraordinary spiritual experiences of ordinary people Cheryl Kirking Author of Ripples of Joy A noted storyteller John E Sumwalt is the senior pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS acclaimed Lectionary Stories series Sumwalt leads seminars and retreats on sharing and understanding visions [Is It God's Will?](#) Brandon Ambrosino,2025-09-09 From an acclaimed journalist and a rising star in theological academia a provocative book about human and divine agency in an era of political extremism climate catastrophe and rising violence In the wake of two foiled assassination attempts while Donald Trump was campaigning for President many of his supporters claimed Trump s survival was an act of Divine intervention and a sign that Trump was favored by God In his victory speech Trump alluded to this But his survival prompts other questions Why did God spare Trump but not the retiree sitting behind him Why couldn t God have spared everyone that day And if God is truly omnipotent why do so many children die in gun violence every year To award winning journalist and theologian Brandon Ambrosino these mortal questions provide us with an opportunity to explore the great questions about Divine and human agency especially in relation to human tragedy and a world that seems to be slipping into chaos In this powerful and searching enquiry in the vein of N T Wright and C S Lewis Ambrosino argues that theologians have been poorly equipped to confront these questions because many hang on to an omnipotent model of God Exploring the daily tragedies that so many of us must contend as well as a provocative and challenging reading of Christ s death and resurrection Ambrosino provides us with the tools to understand and process grief but also presents a refreshing portrait of less a God of power and more of one of persuasion who can still provide a residue of hope in a world gone wrong

Standing Firm in the Faith James Morrisson,2004-11 After many years of wandering in a secular humanist wilderness James Morrisson became a Christian at age 66 He quickly developed a deep love for the life giving truth of Scripture Standing Firm in the Faith reflects his rich and varied training and experience It has the broad perspective of a student of history the sharp reasoning of a lawyer the practical down to earth examples of a teacher and the passion of a classical musician It also reflects the love of a man who is Dad and Grandpa to many members of his church The purpose of Standing Firm in the Faith is very practical to let Scripture stir people into action Whether you are a new believer or a seasoned Christian it will give you a solid Scriptural foundation for being an overcomer so that you can stand your ground in these challenging times This is more than a discussion of important Scriptural principles It is also a personal testimony of how the

life giving mind transforming power of Scripture can change our lives Thank you so much for the labor of love you have given in the clarity and soundness of this high impact book Dr Joseph Umidi Professor of Ministry Regent University

Obedience from First to Last Edmund Fong, 2020-03-18 Obedience from First to Last explores the theological significance of the obedience of Jesus Christ in Karl Barth's theology It does this via a threefold consideration of first the nature of Jesus incarnate obedience second the relation of that obedience to the obedience of the second triune person of the eternal Son and third the effects Jesus obedience has on our own obedience Barth not only affirms the pivotal role Jesus obedience has within the economy of salvation but by equating that obedience with that of the eternal Son's Barth gives Jesus obedience a pre eminent place within the immanent being of Godself The obedience of Jesus Christ is seen to have a co participatory role in God's determination of his own divine being that arises from the primordial act of divine election This notion bears on our understanding of freedom and obedience as divine freedom is expressed in divine obedience so it is with human freedom and human obedience

365 Questions for a Woman's Soul Katherine J. Butler, 2018-06-12 Why do so many people have to suffer Why doesn't my spouse love me Why can't I get a job Why can't we all just get along Why doesn't God seem to care what happens to me It is human nature to have a multitude of questions swirling around in your mind Sometimes you wonder if asking these questions about God the Bible and our world show signs of unbelief or doubt Or maybe you wonder if there is any point in asking questions of God at all 365 Questions for a Woman's Soul asks the deep questions for which our souls long for answers Some of these questions can be clearly answered from the pages of Scripture Other questions do not have tidy answers but by wrestling with them in relationship with God's Word we can gain perspective wisdom and a better understanding of who God is and why he allows events to unfold as they do
