Does God Suffer:

Does God Suffer? Thomas Weinandy, 2000 The immense suffering in the modern world especially in the light of the Holocaust has had a profound impact on the contemporary Does God Suffer? Thomas Weinandy O.F.M., 2000-02-15 The immense suffering caused by sin and evil within the modern world especially in the light of the Holocaust has had a profound impact on the contemporary understanding of God and his relationship to human suffering Since the early part of this century there has been a growing consensus among theologians that God himself within his divine nature suffers in solidarity and love with those who suffer This present theological position contradicts the traditional Christian understanding of almost two thousand years that God is impassible and so does not experience negative emotional states such as suffering Thomas Weinandy O F M resolutely challenges this contemporary view of God and suffering Calling upon scripture and the philosophical and theological tradition of the Fathers and Aquinas Weinandy creatively and systematically addresses all of the contemporary concerns He strongly advocates the incarnational truth that the Son of God actually does experience as man all that pertains to living an authentic human life and so does indeed suffer This book is both a challenge to much received contemporary philosophical and theological wisdom and a scholarly original and refreshing account of the Christian Gospel It is one of the most comprehensive Christian presentations of God and human suffering available today Divine Impassibility and the Mystery of Human Suffering James Keating, O.P. White, Thomas Joseph, 2009-07-14 James F Keating and Thomas Joseph White have gathered here a selection of essays that consider how God's suffering or lack thereof can relate to our redemption from and through human suffering The contributors Catholic Protestant and Orthodox tread carefully but surely over this thorny ground defending diverse and often opposing perspectives Divine Impassibility and the Mystery of Human Suffering is an excellent contribution to the latest stage in this difficult and important theological controversy BOOK JACKET God, Suffering, and Pentecostals Marius Nel, 2022-02-04 Pentecostals emphasize that God is still the Healer of all illnesses implying that God answers all prayers What about those who are not healed How do we explain suffering Why does a good God allow suffering Is God not powerful enough to prevent it In this publication the author reconsiders these questions from a Pentecostal hermeneutical perspective to develop a novel way to think about God's involvement with suffering among people His experimental theology speculates how a Pentecostal ethos accommodates a theodicy that acknowledges suffering and God's involvement in people's lives Although the book is a theologically constituted attempt anyone can follow and understand its arguments It concludes with alternative views of suffering evil God's loving attention to people the doctrine of original sin and Satan The author also suggests some ways to respond to suffering God's Wounds Jeff B Pool, 2011-07-28 God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering Volume I Divine Vulnerability and Creation is the first of a three volume study of Christian testimonies to divine suffering The larger study focuses its inquiry on the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak

freely The goal is then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God In this first volume the author develops an approach to interpreting the contested claims about the suffering of God Through this approach to the Christian symbol of divine suffering he then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation *God and the Mystery of Human Suffering* Robin Ryan,2003 **A Spiritual and Ethical**

Compendium to the Torah and Talmud Arthur Segal, Frank Dunne, Jr.,2009-02-25 A Spiritual and Ethical Compendium to the Torah and Talmud dissects the Torah s weekly sections using the Talmud and other rabbinic texts to show the true Jewish take on what the Torah is teaching us *God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume One* Jeff B. Pool,2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation **Does God Feel Your Pain?** H. Wayne House, William Grover,2009 The furnace of affliction has a way of bringing to surface some of the hardest questions of life many of them questions about God And the only trustworthy source for answers is the Bible which God Himself wrote In *Does God Feel Your Pain* authors Wayne House and William Grover skillfully interweave compassion honesty and scriptural counsel as they explore these difficult issues and more Why has God allowed evil in the world Why does God permit pain in our lives How can God really be in control when Satan is at work Why aren t my prayers being answered Is it really possible to know joy even in the worst of pain Readers will find this a highly personal and practical resource that can help restore bright hope even in the midst of

dark despair **God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume Two** Jeff B. Pool, 2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering. God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering vol 2: Evil and Divine Suffering. The larger study focuses its inquiry into the testimonies to divine suffering themselves, seeking to allow the voices that attest to divine suffering to speak freely, then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God. This second volume of studies proceeds on the basis of the presuppositions of this symbol: those implicit attestations that provide the conditions of possibility for divine suffering, that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project: an understanding of God through the primary metaphor of love. God is love, and an understanding of the human as created in the image of God with a life though finite, analogous to the divine life, the *imago Dei* as love. The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest: 1. divine grief suffering because of betrayal by the beloved human or human sin, and 2. divine self-sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation. Each divine wound thus constitutes a response to a creaturely occasion. The suffering in each divine wound also occurs in two stages: a passive stage and an active stage. In divine grief, God suffers because of human sin, betrayal of the divine lover by the beloved human; divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief. In divine self-sacrifice, God suffers in response to the misery or bondage of the beloved human's infidelity; divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self-sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self-sacrifice.

Divine Suffering Andrew J. Schmutzer, 2023-02-22 Divine Suffering is an interdisciplinary study that draws from systematics, philosophy, biblical theology, and pastoral experience. In addition to covering topics like the suffering of the Father in the Son and God's cruciform vulnerability, this book also explores how divine suffering animates the Christian gospel and resonates in the ongoing persecution of believers. The study of the suffering God has everything to do with Theology, History, and Church Mission. Like exploring a cathedral from all its entrances, both scholars and seekers will find ample opportunity for theological challenge, biblical insight, and missional hope. To accomplish this, both Scripture and doctrine are closely investigated. Today, divine suffering must face the contemporary realities of protest, atheism, escalating wars, new studies in relational theology, and dialogical personhood that presses the need to explain a Christian message about the kind of God who is not only transcendent but also personal. Divine Suffering introduces us to the history of God, not just the God of history. In this study, we meet a God available to our pain, though not diminished by it. Mounting forms of grief need

to be met with an equally pastoral understanding that validates suffering without valorizing it **The Suffering of God in the Eternal Decree** Nixon de Vera,2020-06-15 This book seeks to unpack the evolution of Barth's understanding of God's suffering in Jesus Christ in the light of election The interconnectedness of election crucifixion and impassibility is explored in order to ask whether the suffering of Christ is also a statement about the Trinity *Suffering and God's Redemptive Love* Parrish W. Jones,2014-05-01 Suffering and God's Redemptive Love resulted from conversations Dr Jones had with his wife during her final painful days of dying from cancer Through the Bible they were able to find redemption in the midst of the suffering Jones emphasizes the Jewish Christian theme of Immanuel God with us the Christian theme of incarnation Jones brings out the grand narratives of the biblical literature focusing on personal suffering and God's engagement with us in our suffering to deal with the common conceptions of why people suffer how Job shatters those views the way in which God comes to us suffers with us suffers for us and takes us beyond suffering The final chapter deals with God's Redemptive Love and Ministry to the Suffering seeking to give practical application of the themes of the book Jones added an Epilogue dealing with suffering communities based on his engagement with persons living in extreme poverty in Mexico and Colombia growing out of the testimonies of the people **Constructing a Mediating Theology** J. D. Kim,2022-11-16 How does an almighty and all loving God respond to his beloved human creatures who are made in his image and yet implicated in sin and suffering What is the origin of human suffering Is it sin or the limitations of human beings Is God moved by our suffering If he sympathizes and co suffers with us can he deliver us out of our miseries Thousands and perhaps millions of people have asked these questions and are searching desperately for their answers Two major views have been advanced in the history of Christian theology to describe God's response to the suffering of the world divine impassibility and divine passibility More recently a third mediating position between impassibilism and passibilism has arisen which affirms both the impassibility and the passibility of God This position can be identified as modified classical theism an approach that grasps the perfect and relational nature of God Following this mediating position this book sets out its own constructive understanding of a mediating position with the help of a new way of understanding the way in which the eternal actions and corresponding passions of the divine persons condition one another the dynamic reciprocity model **40 Questions About Suffering and Evil** Greg Welty,2024-11-12 Both inside and outside the Christian faith many difficult realities trouble human hearts and minds By being equipped to answer questions about suffering and evil Christians can persevere in faith share their faith and defend the faith when confronted with these inevitable challenges of living in a fallen world In 40 Questions About Suffering and Evil Greg Welty shows the necessity of exploring our vocabulary around evil and suffering so we can clearly see and express the best questions Welty explores vital ideas backgrounds and issues answering questions like these What is the difference between moral Evil and natural Evil What is the Bible's role in helping us understand suffering and evil Does God will all suffering and evil How is the gospel relevant to counseling those who suffer Welty provides biblically informed

intellectual resources for answering significant questions about suffering and evil exposing readers to a wide range of influential views articulated by Christians over the past two millennia *Made in the Image of God* Michael Fuller, David Jasper, 2021-05-15 What does it mean to be human and made in the image of God This collection of essays explores the question from a wide range of theological and philosophical perspectives *Making Sense of Suffering: Theory, Practice, Representation* , 2020-09-25 Suffering may be universal but it is not universally understood In this collection scholars from many nations and disciplines explore theoretical and practical approaches to understanding suffering as well as the ethics and effects of representing suffering in art and literature Does God Suffer with Us? Hyung do Lee, 2014 **The Order of God** Aaron Yom, 2018-10-17 In this most up to date study Aaron Yom provides a comprehensive analysis of the doctrine of God particularly from a pneumatological perspective He focuses on retrieving the order of God that has been consistently misunderstood and mistreated by modern scholars The author carefully examines scholarly works of modern thinkers such as Karl Barth Thomas Torrance Karl Rahner David Coffey Jürgen Moltmann Clark Pinnock and Stanley Grenz as well as ancient masters such as Augustine and Aquinas With a critical analysis he highlights the strengths and weaknesses of their work to lay a foundational platform for understanding God's order in the twenty first century theological context Yom proposes a holistic approach that does not marginalize the logic of the Trinity that begins with God's order of ontology rather than God's order of economy though the former is read from the latter He maintains the intricate balance of the immanent Trinity and the economic Trinity with his newfound principle of identity and duality Yom offers several new theological paradigms for those who are interested in the topic of systematic theology *Sit on Our Hands, or Stand on Our Feet?* Roger Philip Abbott, 2013-01-07 The aim of *Sit on Our Hands or Stand on Our Feet* is not to present a theology that explains disasters In fact there is no such theology Nor is this work primarily for those who are responded to it is not part of the theological grab bag that Christian responders carry with them to use for the benefit of casualties It is more a part of the Christian's engaged practical theological apprenticeship prior to and during a response This book represents the role of the practical theologian who empowers the church community's legitimation and contribution in disaster response and who encourages individual Christians whose calling into particularly relevant professions whose natural skills and or professional training could find them placed in a major incident responding status paid or voluntary doing their work as unto the Lord It is a serious must read for any Christians who have hearts heavy with compassion but who are not sure what to do or why when disaster strikes
