Marelle thought she could live with what she did It was just business A necessary betrayal But five years later the guilt still lingers and so does the memory of Jaxson Reid the man she hurt the most Now she s being hunted Watched Cornered With nowhere else to run she returns to the one place she swore she d never see again his hometown One look at Jaxson and the years fall away One kiss and the truth resurfaces But thinking she can find safety or forgiveness in his arms That kind of hope could get her killed Jaxson Reid never forgot the woman who broke his heart When Marelle shows up on his doorstep frightened vulnerable and asking for protection he knows he should turn her away He also knows he won t Whatever happened between them no one deserves to be terrorized And the threat closing in on Marelle isn t backing down She regrets the past So does he But with danger circling and secrets unraveling there s no time to dwell on what might ve been Because Jaxson isn t just fighting to keep her alive He s fighting not to fall for her all over again **The Hydrangea Garden**
