Alexander Legge 1866 1933:

Alexander Legge, 1866-1933 Forest Crissey, 2013-10 This is a new release of the original 1936 edition **Alexander Legge, 1866-1933** Forrest Crissey, 1936 Alexander Legge 1866 1933 was a prominent American business executive serving as president of International Harvester from 1922 1933 He performed public service during World War I on the War Industries Board and at the Versailles Peace Conference and again during the Great Depression on the Federal Farm Board

Wikipedia [Alexander Legge, 1866-1933. The Life Story of a Truly Great American, Etc. \[With Plates, Including Portraits.\].](#) Forest CRISSEY, Alexander LEGGE, 1936 [Alexander Legge](#) Forrest Crissey, 1936 **The International Harvester Company** Chaim M. Rosenberg, 2019-05-13 Ancient farmers used draft animals for plowing but the heavy work of harvesting fell to the humans using sickle and scythe Change came in the mid 19th century when Cyrus Hall McCormick built the mechanical harvester Though the McCormicks used their wealth to establish art collections and universities battle disease and develop birth control members of the family faced constant scrutiny and scandal This book recounts their story as well as the history of the International Harvester Company IHC a merger of the McCormick and Deering companies and the world's leader in agricultural machinery in the 1900s *Planning War, Pursuing Peace* Paul A. C. Koistinen, 1998 The third volume in a magisterial five volume study of the political economy of American warfare **America and World War I** David Woodward, 2013-01-11 America and World War I the first volume in the new Routledge Research Guides to American Military Studies series provides a concise annotated guide to the vast amount of resources available on the Great War With over 2 000 entries selected from a wide variety of publications manuscript collections databases and online resources this volume will be an invaluable research tool for students scholars and military history buffs alike The wide range of topics covered include war films and literature to civil military relations to women and war Routledge Research Guides to American Military Studies will include concise easy to use bibliographic volumes on different American military campaigns throughout history as well as tackling timely subjects such as women in the military and terrorism **Populists, Plungers, and Progressives** Cedric B. Cowing, 2015-12-08 From market memoirs newspapers financial journals and Congressional records the author has woven a narrative describing the political social and economic adjustment of the American people to the speculative machinery that developed between 1868 and the New Deal The book begins with the struggle of Populist legislators representing stable farmers to win a Congressional ban of future commodity trading Congress failed to act but anti speculation a characteristic of Populism remained important In the Progressive era the stock market rivaled the commodity exchanges for attention Criticism of market practices was rampant as stories of Plungers spread but no halt came until the crash Then New Deal philosophy favored the Progressive faction of the anti speculators Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important

books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Experiment Station Record* United States. Office of Experiment Stations,1941 The Letters of Robert Frost Robert Frost,2021-04-30 The third installment of Harvard's five volume edition of Robert Frost's correspondence The Letters of Robert Frost Volume 3 1929-1936 is the latest installment in Harvard's five volume edition of the poet's correspondence It presents 601 letters of which 425 are previously uncollected The critically acclaimed first volume a Times Literary Supplement Book of the Year included nearly 300 previously uncollected letters and the second volume 350 more During the period covered here Robert Frost was close to the height of his powers If Volume 2 covered the making of Frost as America's poet in Volume 3 he is definitively made These were also however years of personal tribulation The once tight Frost family broke up as marriage illness and work scattered the children across the country In the case of Frost's son Carol both distance and proximity put strains on an already fractious relationship But the tragedy and emotional crux of this volume is the death of Frost's youngest daughter Marjorie Frost's correspondence from those dark days is a powerful testament to the difficulty of honoring the responsibilities of a poet's eminence while coping with the intensity of a parent's grief Volume 3 also sees Frost responding to the crisis of the Great Depression the onset of the New Deal and the emergence of totalitarian regimes in Europe with wit canny political intelligence and no little acerbity All the while his star continues to rise he wins a Pulitzer for *Collected Poems* in 1931 and will win a second for *A Further Range* published in 1936 and he is in constant demand as a public speaker at colleges writers workshops symposia and dinners Frost was not just a poet but a poet teacher as such he was instrumental in defining the public functions of poetry in the twentieth century In the 1930s Frost lived a life of paradox as personal tragedy and the tumults of politics interwove with his unprecedented achievements Thoroughly annotated and accompanied by a biographical glossary and detailed chronology these letters illuminate a triumphant and difficult period in the life of a towering literary figure **Loans and Legitimacy** Katherine A.S. Siegel,2021-05-11 In 1919 the Soviet government directed Ludwig Martens to open a trade bureau in New York Before his deportation two years later Martens had established contact with nearly one thousand American firms and conducted trade in the face of a stiff Allied embargo His work planted the seeds for growing commercial ties between the U.S. and the U.S.S.R. throughout the 1920s Because the United States did not recognize the Soviet Union until 1933 historians have viewed the early Soviet American relationship as an ideological stand off Katherine Siegel drawing on public private and corporate documents as well as newly opened Soviet archives paints a different picture She finds that business ties flourished between 1923 and 1930 American sales to the Soviets grew twentyfold and American firms supplied Russians with more than a fourth of their imports American businesses were only too eager to tap into huge Soviet markets Under the Soviets New Economic Policy and first Five Year Plan American firms invested in the U.S.S.R. and sold technical processes provided consulting

services built factories and trained Soviet engineers in the U S Most significantly Siegel shows this commercial relationship encouraged policy shifts at the highest levels of the U S government Thus when Franklin D Roosevelt opened diplomatic relations with Russia he was building on ties that had been carefully constructed over the previous fifteen years Siegel s study makes an important contribution to a new understanding of early Soviet American relations **Strategy and Structure** Alfred Dupont Chandler,1966 Investigates the changing strategy and structure of the large industrial enterprise in the United States **Experiment Station Record** U.S. Office of Experiment Stations,United States. Agricultural Research Service,United States. Office of Experiment Stations,1942 **Cowboy Culture** David Dary,1989 A colorful account of five centuries of cowboy culture details the life history customs status job equipment and more of the cowboy from sixteenth century Spanish Mexico to the present **Wisconsin Biographical Dictionary** Caryn Hannan,2008-01-01 Wisconsin Biographical Dictionary contains biographies on hundreds of persons from diverse vocations that were either born achieved notoriety and or died in the state of Wisconsin Prominent persons in addition to the less eminent that have played noteworthy roles are included in this resource When people are recognized from your state or locale it brings a sense of pride to the residents of the entire state Harvard Guide to American History Frank Freidel, Frank Burt Freidel, Richard K. Showman,1974 Editions for 1954 and 1967 by O Handlin and others Agricultural Library Notes ,1937 **Tractor Wars** Neil Dahlstrom,2022-01-11 Mr Dahlstrom has written a superb history of the tractor and this long forgotten period of capitalism in U S agriculture We now know the whole story of when farming business and the free market economy diverged divided and conquered Wall Street Journal Discover the untold story of the tractor wars the twenty year period that introduced power farming the most fundamental change in world agriculture in hundreds of years Before John Deere Ford and International Harvester became icons of American business they were competitors in a forgotten battle for the farm From 1908 1928 against the backdrop of a world war and economic depression these brands were engaged in a race to introduce the tractor and revolutionize farming By the turn of the twentieth century four million people had left rural America and moved to cities leaving the nation s farms shorthanded for the work of plowing planting cultivating harvesting and threshing That s why the introduction of the tractor is an innovation story as essential as man s landing on the moon or the advent of the internet after all with the tractor a shrinking farm population could still feed a growing world But getting the tractor from the boardroom to the drafting table then from factory and the farm was a technological and competitive battle that until now has never been fully told A researcher historian and writer Neil Dahlstrom has spent decades in the corporate archives at John Deere In Tractor Wars Dahlstrom offers an insider s view of a story that entwines a myriad of brands and characters stakes and plots the Reverend Daniel Hartsough a pastor turned tractor designer Alexander Legge the eventual president of International Harvester a former cowboy who took on Henry Ford William Butterworth and the oft at odds leadership team at John Deere that partnered with the enigmatic Ford but planned for his ultimate failure With all the

bitterness and drama of the race between Ford Dodge and General Motors Tractor Wars is the untold story of industry stalwarts and disruptors inventors and administrators racing to invent modern agriculture a power farming revolution that would usher in a whole new world Historical Dictionary from the Great War to the Great Depression Neil A. Wynn,2013-12-16 The period from 1913 to 1933 is not often seen as a coherent entity in the history of the United States It is more often viewed in terms of two distinct periods with the pre war era of political engagement idealism and reform known as progressivism separated by World War I from the materialism conservatism and disengagement of the prosperous 1920s To many postwar observers and later historians the entry of the United States into the European conflict in 1917 marked not just a dramatic departure in foreign relations but also the end of an era of reform This second edition of Historical Dictionary from the Great War to the Great Depression covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about a vital period in U S history *The Publishers Weekly* ,1937
