Island Stories

Raphael Samuel,1999-07 *Island Stories* looks at the multiplicity of myths that issue from the 4 nations that make up Great Britain His perspective brings new meaning to the idea of history revealing how nations use their past to give meaning to their present and future [The English Catalogue of Books Published from January, 1835, to January, 1863](#) ,1864 A *Dictionary of English Folklore* ,2003-10-09 Are there any legends about cats Is Cinderella an English story What is a Mumming Play The subject of folklore covers an extremely wide field with connections to virtually every aspect of life It ranges from the bizarre to the seemingly mundane Similarly folklore is as much a feature of the modern technological age as the ancient world of every part of the country both urban and rural and of every age group and occupation Containing 1 250 entries from dragons to Mother Goose May Day to Michaelmas this reference work is an absorbing and entertaining guide to English folklore Aimed at a broad general readership the dictionary provides an authoritative reference source on such legendary characters as The Sandman Jack the Giant Killer and Robin Hood and gives entertaining and informative explanations of a wide range of subjects in folklore from nosebleeds and wishbones to cats and hot cross buns From an exemplary clear and concise introduction to an admirably comprehensive yet selective bibliography but above all from more than 1 250 A Z entries in between it is good to know that Oxford University Press can still commission and publish new standard reference titles A welcome degree of scholarly rigour coverage is excellent the quality of the entries is also outstanding It is all very readable concise and clear throughout another one of those reference works one can wish to read from cover to cover a huge amount of fascinating material in this clearly and attractively designed deceptively concise and reasonably priced volume It becomes at once a new standard reference book in its field As such it belongs in any reference collection in or about England and any collection dealing with folklore Library Review **Violence and the Labor**

Movement Robert Hunter,2019-12-12 In *Violence and the Labor Movement* Robert Hunter provides a critical examination of the interplay between labor unrest and violent conflicts in early 20th century America Hunter s prose is both incisive and accessible weaving together historical narratives sociological analysis and direct testimonies to create a vivid depiction of the struggles faced by laborers Through a rich literature context the book scrutinizes how violence both from labor organizations and state authorities influenced the trajectory of the American labor movement during a tumultuous period marked by strikes riots and the quest for workers rights Robert Hunter a prominent labor historian and social activist draws from his own background in union organizing and his academic tussles with economic disparities to illuminate the stark realities of workers lives His insights are informed by firsthand experiences and extensive research allowing him to deliver a compelling discourse on the socio political factors that incited aggression within labor movements Hunter s commitment to social justice

and equity is evident in his thorough exploration of the historical context This book is essential for readers interested in labor history social justice and the complexities of worker movements Through meticulous scholarship and passionate narrative Hunter invites readers to reconsider the role of violence in shaping labor relations urging a deeper understanding of workers past and its implications for present and future struggles

A Good Man and a Brave Man Alan Gaunt, 2017-04-26 Cecil Packer was a farm labourer a factory worker a shepherd and a devoted family man from Wiltshire who like so many others was sent to France to fight for his country in the First World War and never returned Cecil survived both the Gallipoli and Somme campaigns so for his descendants his death on the Western Front when his battalion was far from the front line was a mystery as well as a tragedy Alan Gaunt whose wife Shirley is Cecil s great granddaughter set about researching Cecil s humble but interesting life and finally established the tragic circumstances of his accidental death in December 1916 at the age of 31 This is not the story of a traditional hero in the mould of Nelson or Wellington but that of a village shepherd a local man who did not come from the nobility or the ranks of the nation s leaders but simply loved his family and died in the service of his country

Austin Harrison and the English Review Martha S. Vogeler, 2008 Political and literary journalist Austin Harrison became editor of the English Review in 1910 While holding that chair he expanded the publication s literary scope by publishing articles on such issues as women s suffrage parliamentary reform the German threat and Irish home rule But although he edited the Review far longer than did its celebrated founder Ford Madox Ford history has long confined him to the shadows of not only his predecessor but also his father the English Positivist Frederic Harrison This first scholarly assessment of Harrison s tenure at the English Review from 1910 to 1923 shows him courting controversy establishing reputations winning and losing authors and pushing the limits of the publishable as he made his Great Adult Review the most consistently intelligent and challenging monthly of its day Martha Vogeler offers a compelling personal and family narrative and a new perspective on British literary culture and political journalism in the years just before during and after the First World War Vogeler provides a revealing account of Harrison the editor his writings and opinions his public life and relations as she also traces the complex relationship between a son and his famous father Balancing a scholar s attention to detail and a fine writer s eye for style she relates Harrison s improbable friendships with the notorious Frank Harris and the outrageous Aleister Crowley And she has mined Harrison s correspondence to lend insight into the careers of such writers as Ford Madox Ford D H Lawrence H G Wells Joseph Conrad John Masefield Bernard Shaw Arnold Bennett and Marie Stopes Other figures such as George Gissing Bertrand Russell Lord Northcliffe and important Irish revolutionaries appear in new contexts Ranging widely across literature foreign relations national politics the women s movement censorship and sexuality Vogeler captures the themes of Harrison s era She describes his transformation from Germanophobe before and during World War I to an outspoken critic of the punitive measures against Germany in the Treaty of Versailles She explores the ambiguities in his engagement with modernist aesthetics and in his attempt to escape the shadow of his father while benefiting from his

family's wealth and connections Vogeler's assessment of Harrison's books further sharpens our understanding of his ideas about Germany women education and Victorian family life notably his underappreciated tribute rebuke to his father Frederic Harrison Thoughts and Memories This account of Austin Harrison's career allows us to observe a journalist making his way in a highly competitive world and opens up a new window on Britain in the era of the Great War

Embodied Working Lives Louise Waite,2006-01-01 Embodied Working Lives explores the work a day of seasonal migrant laborers in India through a nexus of embodiment theories to enhance our understanding of what constitutes the intense lived and physical experience of such work Echoing constructive explorations of labor science Bernard Doray but in the sentiment and with the intense rigor of contemporary phenomenology and labor studies Louise Waite gives us unique and original ethnographic research to help enhance our understanding of laboring bodies and the policies that effect them

The Orchard Grower: Create and Harvest As Many Prospects As You Want Ron Butt, CFP,2014-12-23 The goal of this book is to connect technically competent professionals with consumers that desperately need their service Ron Butt CFP has been helping individuals and businesses accomplish their goals for over 30 years as a financial planner In addition he established one of America's largest Registered Investment Advisory firms ARGI Investment Services LLC and comprehensive fee based financial planning firms He has helped numerous advisors reverse their tedious often unproductive new business approach from an unplanned cold call sales method to a system where abundant viable prospects in the market seek them

Routledge Library Editions: The Labour Movement Various,2021-07-28 This set of 44 volumes originally published between 1924 and 1995 amalgamates a wide breadth of research on the Labour Movement including labour union history the early stages and development of the Labour Party and studies on the working classes This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of political history

Not in Our Name Jesse Stellato,2012 A collection of American antiwar speeches from every major conflict starting with the Mexican American War Includes critical analyses biographical and bibliographical information and an appendix describing common rhetorical devices used by antiwar speakers Provided by publisher

A New English Music Tim Rayborn,2016-04-27 The turn of the 20th century was a time of great change in Britain The empire saw its global influence waning and its traditional social structures challenged There was a growing weariness of industrialism and a desire to rediscover tradition and the roots of English heritage A new interest in English folk song and dance inspired art music which many believed was seeing a renaissance after a period of stagnation since the 18th century This book focuses on the lives of seven composers Ralph Vaughan Williams Gustav Holst Ernest Moeran George Butterworth Philip Heseltine Peter Warlock Gerald Finzi and Percy Grainger whose work was influenced by folk songs and early music Each chapter provides an historical background and tells the fascinating story of a musical life

Enslaved Archives Maria R. Montalvo,2024-07-16 This work is a history of slavery capitalism and the law that not only reframes how we understand

the commodification of enslaved people but also makes a significant methodological and moral argument for how historians should seek to make sense of the lived experiences of enslaved people in the antebellum United States *My One Big Break* Jack Grimm, Clark Johnson, 2004 *My One Big Break* takes a look at how successful businessmen and women around the country have taken advantage of their one big break to become some of the top CEOs and corporate executives in America The way in which these men and women took advantage of great business opportunities turned their lives and companies around and into some of the top corporations in the world For anyone looking for insight into how to become a successful CEO this is a must have book **Richard Wright** Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics *The Athenaeum*, 1894

The Biblical World William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1896 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352
