Child of the Thirties Sheila Brook,2011-06-14 This book is a must for everyone who lived through the pre war and war years I found it so fascinating and accurate in every detail and had great difficulty in putting it down even to eat Those of us who grew up with loving parents and siblings will realise how lucky we were not to experience the lonely little girl Sheila must have been at times and how important friends were to her I was one of those friends and feature in the school photo in the book and even though we lost touch in our busy middle years I feel so proud that Sheila has written this poignant story of her early life Whether you know her or not I defy anyone not to be touched by it Mrs Joan Buckland Sheila s book is a moving account and a powerful piece of social history It should act as a reminder of mental health care in the past and the impact that mental ill health can have on friends and family Paul Farmer Chief Executive MIND DescriptionAbout the AuthorSheila Brook was born in 1931 and spent long periods living in other people s homes occurred during the first eight years of her life owing to her mother s recurrent episodes of mental illness Shortly before the outbreak of the Second World War her mother was again admitted to a Psychiatric Hospital and Sheila did not see her again for over twenty years Her father employed a housekeeper and Sheila was able to return once again to her own home in Kenton Middlesex now part of Greater London On leaving School at fourteen in 1945 Sheila had a little further education which included what was then called commercial training shorthand typing and bookkeeping She then became Secretary to an Almoner at a private pre NHS Clinic in London

before becoming Secretary to a Harley Street Consultant She left work when she married in 1952 She and her husband spent the first eleven years of their marriage living with her father in Sheila's childhood home looking after her father husband and in the course of time two children In 1963 she moved to Hertfordshire with her family and when her sons grew older she studied and passed the required examinations that enabled her to go to Teacher Training College In 1971 she began teaching in a local Primary School and soon enjoyed the responsibility for Girls games coaching the Netball Teams for the inter school matches and annual Netball Rally activities that she had been unable to enjoy herself during her education due to the restrictions of the war years Severe long standing facial neuralgia forced her to take early retirement after some years of teaching and the satisfaction she had in her chosen career made this hard to bear She felt that she had made a positive contribution to her pupils futures which had been curtailed because of the constant neuralgic pain Sheila has always enjoyed an active life and played tennis until she turned seventy She attends a weekly Keep Fit class and also a Medau movement session She spent many years singing in a Senior Ladies Choir and enjoyed Folk Dancing until very recently She is an avid reader when time permits loves her garden but now has a lesser love for the work it requires Her marriage continued for almost fifty five years until her husband died from cancer in the Spring of 2007 Eight months later Sheila herself was diagnosed with breast cancer and had surgery in January 2008 Her other hobby of doing jigsaw puzzles has not been indulged for some time Life is too busy and she is in constant pain Sheila Gaylor wrote her book in her maiden name of Brook as a tribute to her late parents As she wrote her story she appreciated how much anxiety and sorrow her father had suffered and how her mother's mental illness had deprived her of her home her family and her freedom

**Shakespeare's Afterlife in the Royal Collection** Sally Barnden, Gordon McMullan, Kate Retford, Kirsten Tambling, 2025-01-31 This unique collection of essays and images explores a series of objects in the Royal Collection as a means of assessing the interrelated histories of the British royal family and the Shakespearean afterlife across four centuries Between the beginning of the eighteenth century and the late twentieth Shakespeare became entrenched as the English national poet Over the same period the monarchy sought repeatedly to demonstrate its centrality to British nationhood By way of close analysis of a selection of objects from the Royal Collection this volume argues that the royal family and the Shakespearean afterlife were far more closely interwoven than has previously been realized The chapters map the mutual development over time of the relationship between members of the British royal family and Shakespeare demonstrating the extent to which each has gained sustained value from association with the other and showing how members of the royal family have individually and collectively constructed their identities and performed their roles by way of Shakespearean models Each chapter is inspired by an object in or formerly in the Royal Collection and explores two interconnected questions what has Shakespeare done for the royal family and what has the royal family done for Shakespeare The chapters range across the fields of art theatre history literary criticism literary history court studies and cultural history showing how the shared history of Shakespeare and the royal

family has been cultivated across media and across disciplines      *The Price Guide to Limited Edition Collectibles 2001* Mary L.
