*Alice's Adventures* Will Brooker, 2005-10-05 Will Brooker author of *Batman Unmasked* and *Using the Force* turns his attention to Lewis Carroll and Alice. He takes the reader through a fascinating and revealing tour of late 20th Century popular culture following Alice and her creator wherever they go. Brooker reveals the ways in which this iconic character has been used and adapted taking in cartoons, movies, computer games, theme parks, heritage sites, novelisations, illustrations, biographies, theatrical performances, toys and other products, websites, fan clubs and much more. The result is a remarkable analysis of how one original creation has expanded over time to symbolize many different things to many different people.

Nathalie De Los Santos, 2020-03-08 In 2140 Alice is a sixteen year old girl and genius. She became a weapon developer after her sister Dawn was killed in an Empyrean terrorist attack. Alice then rises up against the Empyreans who are executed when their psychic abilities are identified. She creates the robot Neutralizers that perform and automate these ethical cleansings. But Alice soon meets a friend who changes her perspective on the attack. A benevolent peaceful activist who was friends with Dawn. Lawrence advocates for the rights of Empyreans. As Lawrence is persecuted for his peaceful activism and Alice witnesses the oppression of her government firsthand the fabric of everything she fought for is unravelled. Torn between the left and the right somewhere in between Alice's coming of age story is about trying to find her place in a technocratic world where information and truth are distorted at every turn. Who she becomes in order to fight back against the altered truth is not the hero she expected.

***ALICE'S ARMY*** ALYCIA RIPLEY, 2014-02 Ten years have passed since the events of *The Final Alice*. While mourning the death of a team member Alice Pleasance must come to terms with the sacrifices inherent in the job she accepted: one that does not allow vacations or weekends. A job which forces her to never age and never die, making friendships outside the team nearly impossible. Now a perfect hunter and tracker, Alice is emotionally isolated and haunted by a constant stream of nightmares involving twins, a screaming man, and a mysterious shack. When a serial killer embarks on a murder spree in Nigeria, Alice and her team prepare to eliminate the threat. They join forces with the heir of a petroleum dynasty, gifted with a unique and powerful ability all his own. But before long they realize the current murders involve an angry and vengeful old enemy. Gritty and atmospheric, *Alice's Army* centers on the forces of good and evil in our modern world. It examines the powerful grip of emotional addictions as well as the psychology of fear. This middle chapter of the trilogy reflects on each team member's beginnings and defines the concept of family as those who stand alongside us in the

darkest of hours against the most terrible of threats Ripley's undeniable infectious love for these characters is superpowered Alice is back with her motley crew of supernatural karma commandos in tow Battle tested wiser and more complex as a team the new dynamic serves as rocket fuel for the author's unmistakable voice to shine Filled with wild imagery fierce action genuine emotion and pure whimsy few authors can so effortlessly glide between a high velocity narrative and complete phantasmagoria I loved it Michael Wandmacher film composer My Bloody Valentine The Last Exorcism Part II Alycia Ripley writes with grace and delicacy about the sometimes very violent fantasies of young women in a threatening world The books in her Alice series come to life with their haunting imagery and lyrical prose These fantasy stories about the adventures of the granddaughter of Alice in Wonderland explore a darker side of one young woman's response to life's challenges With Alice's Army she continues the saga of a badass Alice who refuses to be undone Her strange journey will surprise and delight readers with its many twists and turns Nancy Jo Sales author of The Bling Ring
