Alice Fell:

Alice Fell Emma Tennant, 1980 In een oud vervallen Engels landhuis groeit na de oorlog het dochttertje van de huishoudster op temidden van de bewoners *Alice's Misadventures Underground* Brad Craddock, 2012-07-05 Hidden away in an attic the most sensational and important literary scandal of the twenty first century is about to be unearthed the previously unpublished works of infamous Victorian author Lewis C Swanson Inspired by an angel to become a famous writer Swanson 1830 1865 devoted his entire life to that pursuit An adjunct professor of English literature at Oxford University he was a contemporary of children s author and mathematician Charles Lutwidge Dodgson aka Lewis Carroll his mortal enemy Scholars now contend that Swanson is the original author of Carroll s masterpiece Alice s Adventures in Wonderland The tragic victim of Carroll s plagiarizing Swanson committed literary suicide in 1865 and died in absolute obscurity Alice s *Misadventures Underground* tells the familiar and hilarious story of a little girl who chases after a rabbit only to find herself lost in a dangerous wonderland of dubious learning *Embodied Voices* Leslie C. Dunn, Nancy A. Jones, 1994 As a material link between body and culture self and other the voice has been endlessly fascinating to artists and critics Yet it is the voices of women that have inspired the greatest fascination as well as the deepest ambivalence because the female voice signifies sexual otherness as well as sexual and cultural power *Embodied Voices* explores cultural manifestations of female vocality in the light of current theories of subjectivity the body and sexual difference The fourteen essays collected here examine a wide spectrum of discourses including myth literature music film psychoanalysis and critical theory Though diverse in their critical approaches the essays are united in their attempt to articulate the compelling yet problematic intersections of gender voice and embodiment as they have shaped the textual representation of women and women s self expression in performance
