Cheim**

## **Alice Neel Paintings Since 1970:**

*Alice Neel, Paintings Since 1970* Alice Neel, Frederick Ted Castle, John Cheim, 1985-01-01      **Alice Neel**, 1985      **Alice Neel: People Come First** Kelly Baum, Randall Griffey, Meredith A. Brown, Julia Bryan-Wilson, Susanna V. Temkin, 2021-03-15

For me people come first Alice Neel 1900 1984 declared in 1950 I have tried to assert the dignity and eternal importance of the human being This ambitious publication surveys Neel's nearly 70 year career through the lens of her radical humanism Remarkable portraits of victims of the Great Depression fellow residents of Spanish Harlem leaders of political organizations queer artists visibly pregnant women and members of New York's global diaspora reveal that Neel viewed humanism as both a political and philosophical ideal In addition to these paintings of famous and unknown sitters the more than 100 works highlighted include Neel's emotionally charged cityscapes and still lifes as well as the artist's erotic pastels and watercolors Essays tackle Neel's portrayal of LGBTQ subjects her unique aesthetic language which merged abstraction and figuration and her commitment to progressive politics civil rights feminism and racial diversity The authors also explore Neel's highly personal preoccupations with death illness and motherhood while reasserting her place in the broader cultural history of the 20th century      **Alice Neel** Alice Neel, Jeremy Lewison, Museum of Fine Arts, Houston, Whitechapel Art Gallery, 2010

Explores the themes and stylistic developments of the art of Alice Neel one of the greatest American painters of the twentieth century with works spanning nearly seven decades four essays and additional texts addressing themes and specific works three artists appreciations and a chronology and bibliography Provided by publisher      **Pictures of People** Pamela Allara, 2000 A vibrant chronicle of the life and work of a prolific painter and bohemian eccentric      [Alice Neel: The Art of Not Sitting Pretty](#) Phoebe Hoban, Alice Neel, 2021-08-10

Neel emerges as a resolute survivor who lived by her convictions both aesthetically and politically Publisher's Weekly Phoebe Hoban's definitive biography of the renowned American painter Alice Neel tells the unforgettable story of an artist whose life spanned the twentieth century from women's suffrage through the Depression McCarthyism the civil rights movement the sexual revolution and second wave feminism Throughout her life and work Neel constantly challenged convention ultimately gaining an enduring place in the canon Alice Neel's stated goal was to capture the zeitgeist Born into a proper Victorian family at the turn of the twentieth century Neel reached voting age during suffrage A quintessential bohemian she was one of the first artists participating in the Easel Project of the Works Progress Administration documenting the challenges of life during the Depression An avowed humanist Neel chose to paint the world around her sticking to figurative work even during the peak of abstract expressionism Neel never ceased pushing the envelope creating a unique chronicle of her time Neel was fiercely democratic in selecting her subjects who represent an extraordinarily diverse population from such legendary figures as Joe Gould to her Spanish Harlem neighbors in the 1940s the art critic Meyer Schapiro Nobel Laureate Linus Pauling Andy Warhol and major figures of the labor civil rights and feminist movements producing an indelible portrait of twentieth century America By dictating her own terms Neel was able

to transcend such personal tragedy as the death of her infant daughter Santillana a nervous breakdown and suicide attempts and the separation from her second child Isabetta After spending much of her career in relative obscurity Neel finally received a major museum retrospective in 1974 at the Whitney Museum of American Art in New York In this first paperback edition of the authoritative biography of Neel which serves also as a cultural history of twentieth century New York Hoban documents the tumultuous life of the artist in vivid detail creating a portrait as incisive as Neel s relentlessly honest paintings With a new introduction by Hoban that explores Neel s enduring relevance this biography is essential to understanding and appreciating the life and work of one of America s foremost artists

Alice Neel Phoebe Hoban, 2010-12-07 Alice Neel liked to say that she was the century and in many ways she was She was born into a proper Victorian family and came of age during suffrage The quintessential Bohemian she spent more than half a century from her early days as a WPA artist living in the heart of the Village through her Whitney retrospective in 1974 until her death ten years later painting often in near obscurity an extraordinarily diverse population from young black sisters in Harlem to the elderly Jewish twin artists Raphael and Moses Soyer to Meyer Schapiro and Linus Pauling to the American Communist Party chairman Gus Hall creating an indelible portrait of 20th century America Neel s hundreds of portraits portray a universe of powerful personalities and document an age Neel painted through the Depression McCarthyism the Civil Rights Movement the sexual revolution of the 60 s feminism and the feverish eighties Fiercely democratic in her subjects she portrayed her lovers her children her neighbors in Spanish Harlem pregnant nudes crazy people and famous figures in the art world all in a searing psychological style uniquely her own From Village legend Joe Gould with multiple penises to Frank O Hara as a lyrical young poet from porn star Annie Sprinkle gussied up in leather to her own anxious nude pregnant daughter in law Neel s portraits are as arrestingly executed as they are relentlessly honest In this first full length biography of Neel best selling author Phoebe Hoban recounts the remarkable story of Neel s life and career as full of Sturm and Drang as the century she powerfully captured in paint Neel managed to transcend her often tragic circumstances surviving the death from diphtheria of her infant daughter Santillana her first child by the renowned Cuban painter Carlos Enriquez with whom she lived in Havana for a year before returning to America the break up of her marriage a nervous breakdown at thirty resulting in several suicide attempts for which she was institutionalized and the terrible separation from her second child Isabetta whom Carlos took back to Havana In every aspect of her life Neel dictated her own terms from defiantly painting figurative pieces at the height of Abstract Expressionism convincing her subjects to disrobe which many of them did including surprisingly Andy Warhol to becoming a single mother to the two sons she bore to dramatically different partners No wonder she became the de facto artist of the Feminist movement When Time magazine put Kate Millet on its cover in 1970 she was asked to paint the portrait Very much in touch with her time Neel was also always ahead of it Although she herself would probably have rejected such label she was America s first feminist multicultural artist a populist painter for the ages Phoebe Hoban s Alice Neel The Art of

Not Sitting Pretty tells the unforgettable story of a woman who forged a permanent place in the pantheon by courageously flaunting convention both in her life and her work      **The Art of the Sister Chapel** Andrew Hottle, 2017-07-05 The Sister Chapel 1974-78 was an important collaborative installation that materialized at the height of the women's art movement. Conceived as a nonhierarchical secular commemoration of female role models, The Sister Chapel consisted of an eighteen-foot abstract ceiling that hung above a circular arrangement of eleven monumental canvases, each depicting the standing figure of a heroic woman. The choice of subject was left entirely to the creator of each work. As a result, the paintings formed a visually cohesive group without compromising the individuality of the artists. Contemporary and historical women deities and conceptual figures were portrayed by distinguished New York painters Alice Neel, May Stevens, and Sylvia Sleigh, as well as their accomplished but less prominent colleagues. Among the role models depicted were Artemisia Gentileschi, Frida Kahlo, Betty Friedan, Joan of Arc, and a female incarnation of God. Although last exhibited in 1980, The Sister Chapel has lingered in the minds of art historians who continue to note its significance as an exemplar of feminist collaboration. Based on previously unpublished archival materials and featuring dozens of rarely seen works of art, this comprehensive study details the fascinating history of The Sister Chapel, its constituent paintings, and its ambitious creators      **The Grove Encyclopedia of American Art** Joan M. Marter, 2011 Arranged in alphabetical order, these 5 volumes encompass the history of the cultural development of America with over 2300 entries      American Painting of the 1970s Albright-Knox Art Gallery, Linda L. Cathcart, 1978      **Artists on the Left** Andrew Hemingway, 2002-01-01 Examination of the relation between visual artists and the American communist movement in the first half of the twentieth century, from the rise in prestige of the party during the Great Depression to its decline in the 1950s. Account of how left-wing artists responded to the party's various policy shifts; the communist party exerted a powerful force in American culture      The Expressionist Landscape Ruth Ann Appelhof, Barbara Haskell, Jeffrey Russell Hayes, 1988      **With Pleasure** Anna Katz, 2019-01-01 A timely and expansive survey of a groundbreaking American art movement that overturned aesthetic hierarchies in a riot of color and ornamentation. The Pattern and Decoration movement emerged in the 1970s as an embrace of long-dismissed art forms associated with the decorative. Pioneering artists such as Miriam Schapiro (1923-2015), Joyce Kozloff (b. 1942), Robert Kushner (b. 1949), and others appropriated patterns frequently from non-Western decorative arts to produce intricate, often dizzying or gaudy designs in media ranging from painting, sculpture, and collage to ceramics, installation art, and performance. This dazzling book showcases an astonishing array of works by more than 40 artists from across the United States, examining the movement's defiant adoption of art forms traditionally viewed as feminine craft, based or otherwise inferior to fine art. In addition to offering an overview of the Pattern and Decoration movement as it is commonly recognized, this volume considers artists of the period who are not typically associated with the movement. Rethinking the significance of patterns and the decorative in postwar American art, this panoramic view provides new insights into abstraction, feminism, and installation art.

Essays explore the movement's feminist methods and values including Miriam Schapiro's femmage practice its impact on contemporary abstract painting and its relationship to postmodern architecture and design Artist biographies an exhibition history and reprints of historically significant writings further establish *With Pleasure* as the most expansive publication on the subject

**Art and Pluralism** Nigel Whiteley, 2012-08-03 This book examines the writings of Lawrence Alloway 1926-1990 one of the most influential and widely respected art writers of the post War years It provides a close and critical reading of his writings and sets his work in the cultural and political context of the London and New York art worlds of the 1950s to the early 1980s

**Feminism Art Theory** Hilary Robinson, 2015-04-20 Charting over 45 years of feminist debate on the significance of gender in the making and understanding of art the long anticipated new edition of *Feminism Art Theory* has been extensively updated and reworked Completely revised retaining only one third of the texts of the earlier edition with all other material being new inclusions Brings together 88 revealing texts from North America Europe and Australasia juxtaposing writings from artists and activists with those of academics Embraces a broad range of threads and perspectives from diverse national and global approaches lesbian and queer theory and postmodernism to education and aesthetics Includes many classic texts but is particularly notable for its inclusion of rare and significant material not reprinted elsewhere Provides a uniquely flexible resource for study and research due to its scale and structure each of the seven sections focuses on a specific area of debate with texts arranged chronologically in order to show how issues and arguments developed over time

*Painting outside the Lines* David W. Galenson, 2009-06-30 In a work that brings new insights and new dimensions to the history of modern art David Galenson examines the careers of more than 100 modern painters to disclose a fascinating relationship between age and artistic creativity

**Notable American Women** Susan Ware, 2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman's personal life with her professional achievements set in the context of larger historical developments

**A Decade of Negative Thinking** Mira Schor, 2010-01-25 Writings on the changing relationship between feminism and art production and criticism and the impact of intergenerational struggle in the contemporary art world

**Women Artists in the United States** Paula L. Chiaromonte, 1990 Provides access to the art historical literature documenting the unique circumstances social historical and ideological from which women's art forms emerged Includes the decorative or applied arts contemporary crafts folk art and performance art feminist art criticism women's art organizations and galleries artists organizations and galleries directory manuscript repositories and special collections biographical reference tools periodicals the literature of the field

**Latin American and Caribbean Artists of the Modern Era** Steve Shipp, 2003-01-01 This is a comprehensive reference book to

more than 12 700 painters sculptors graphic artists and architects in Latin America Mexico Central America South America and the Caribbean region active during the nineteenth and twentieth centuries Entries include the artists years countries and bibliographies Also included are brief biographical and stylistic notes a record of each artist s exhibitions and a list of collections where the works can be seen There are 89 photographs of selected works supplementing the entries The introduction includes brief informative background essays on the individual countries and their artists

### **Alice Neel Paintings Since 1970 Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Alice Neel Paintings Since 1970 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning.

By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Alice Neel Paintings Since 1970 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Alice Neel Paintings Since 1970 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Alice Neel Paintings Since 1970 Books

**What is a Alice Neel Paintings Since 1970 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Alice Neel Paintings Since 1970 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Alice Neel Paintings Since 1970 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Alice Neel Paintings Since 1970 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Alice Neel Paintings Since 1970 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
