Alien At St Wilfreds:

An Alien at St Wilfred's Adrian Plass, 1992 Best selling author Adrian Plass tells the humorous and poignant tale of a small alien who comes to live in a parish church *Word and Power* Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland *Word and Power* places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today

The Sacred Diary of Adrian Plass, Christian Speaker, Aged 45 3/4 Adrian Plass, 2005-09 In this second diary the fictional character Plass is in demand as a public speaker which demands a new diary revealing what has happened to the outrageous Gerald the joyless Flushpools incompetent Leonard the long suffering Anne and the other well known characters

Lives of the English Saints: St. Gilbert, St. Wilfred, St. German, Stephen Langton - v. 3. St. Stephen, abbot, 2nd ed. St. Augustine, 1844

Silver Birches Adrian Plass, 2009-05-26 When David Herrick receives an invitation to a reunion from a long forgotten acquaintance his first reaction is to refuse After all he hasn't seen Jenny Peter or the others since they were all a part of the same youth group two decades ago Moreover he isn't feeling very sociable since his wife Jessica died six months ago But the invitation comes from Angela one of his wife's oldest friends and mysteriously she has something for him from his beloved Jessica Reluctant but curious he makes his plans to visit Headly Manor When the friends gather they no longer resemble the fresh faced group of twenty years ago Each member bears the weight of their own burden One has been deserted by her husband another has lost his faith and another is filled with anger and bile Life hasn't been the sugar coated existence they might have hoped for As they have less than forty eight hours with each other they decide to be vulnerable and share their greatest fears Will they have the courage to bare their souls And if they do how will such revelations be received Will they find a way to lift each other up or will their burdens be too much to bear This poignant moving and sometimes disturbing story blends Adrian Plass rich style of humor with his knack for addressing the deep issues

Taking a similar approach to his successful *If Rome Hadn't Fallen* Timothy Venning explores the various decision points in a fascinating period of British history and the alternative paths that it might have taken Dr Timothy Venning starts within an outline of the process by which much of Britain came to be settled by Germanic tribes after the end of Roman rule as far as it can be determined from the sparse and fragmentary sources He then moves on to discuss a series of scenarios which might have altered the course of subsequent history dramatically For example was a reconquest by the native British ever a possibility under Arthur or someone else Which of the Anglo Saxon kingdoms might have united England sooner and would this have kept the Danes out And of course what if Harold Godwinson had won at Hastings While necessarily speculative all the scenarios are discussed within the framework of a deep understanding of the major driving forces tensions and trends that shaped British history and help to shed light upon them In so doing they help the reader to understand why things panned out as they did as well as what might have been Whitaker's Books in Print ,1998 *English Mediaeval Monasteries (1066-1540)* Roy Midmer,1979 **William Wilfred Campbell** Laurel Boone,2012-12-04 This is a representative collection of the writings of a neglected Canadian author William Wilfred Campbell 1858 1918 Among the 112 poems in William Wilfred Campbell *Selected Poetry and Essays* are the familiar *Indian Summer* and *How One Winter Came in the Lake Region* along with many less well known love poems patriotic songs and occasional poems Some twenty manuscript pieces are published here for the first time The notorious *Mermaid Inn* essay in which Campbell refers to the mythical nature of the cross is included and so is the letter of self justification that Campbell wrote but never sent to the editor of the *Globe* Here too are speeches essays published in *The Week* and the *Ottawa Evening Journal* and significant sections from Campbell's unfinished treatise on evolution *The Tragedy of Man* By the time Campbell died on New Year's Day 1918 shifting values had begun to turn critical opinion against his work Now William Wilfred Campbell *Selected Poetry and Essays* will enable Canadians to appreciate Campbell's art and to recognize his place in the development of Canadian thought
