The Coolie's Great War Radhika Singha, 2020 A spectacular history of the hundreds of thousands of unacknowledged Indian laborers who kept the Allied supply lines flowing in the First World War Youth's Companion, 1882 *Deconstructing Will Smith* Willie Tolliver, 2022-01-10 Acclaimed actor and rap artist Will Smith has achieved a level of Hollywood fame rarely attained by a Black celebrity Early in his career Smith aspired to be the world's most famous movie star and being named the world's top film attraction in 2008 fulfilled his goal While his rise to a place of worldwide prominence and cultural relevance has made him iconic his accomplishments have not received the full and thorough acknowledgement and analysis they merit This is the

first full length critical look at the significance of Will Smith's achievements over a more than 30 year career. Many of his films have broken cultural norms by depicting Black men in groundbreaking social settings like the role of the world saving hero in his most popular films. In addition to analyzing Smith's filmography, this work contextualizes other popular and common portrayals of Black men in media and society. Finally, this book examines Smith's work in his middle age, ruminating on his ability to adapt to the realities of a new Hollywood.

The Spanish Caribbean and the Atlantic World in the Long Sixteenth Century Ida Altman, David Wheat, 2019-06-01

The Spanish Caribbean and the Atlantic World in the Long Sixteenth Century breaks new ground in articulating the early Spanish Caribbean as a distinct and diverse group of colonies loosely united under Spanish rule for roughly a century prior to the establishment of other European colonies. In the sixteenth century, no part of the Americas was more diverse, international, or as closely tied to Spain as the islands of the Atlantic, western Africa, and the Spanish American mainland than the Caribbean. The Caribbean experienced rapid growth during this period, displayed considerable ethnic and religious diversity, developed extensive networks of exchange both within and beyond the region, and played an important role in the broader Spanish colonization of the Americas. Contributors address topics such as the role of religious orders, the development of transatlantic and regional commercial systems, insular and regional political dynamics in relation to imperial objectives, the formation of colonial society, and the effects on Caribbean colonial society of the importation and incorporation of large numbers of indigenous captives and enslaved Africans.
