Aliogba A History Of Ogba People:

Ali-Ogba Francis J. Ellah,1995 The Ogba people comprise fourteen extended families divided into clans and occupy an area of about 600 km in the Niger flood plain This study covers their origins environment political economic and social institutions and cultural practices It also considers the impact of colonialism and the activities of the Christian missionaries on the Ogba in the context of the various ethnic groups in Nigeria thus affected It argues that although the Ogba lost much under colonial rule their resilience and adaptability in common with many Nigerian ethnic groups was the key to their cultural renewal and adaptation to the modern era The author further suggests that rather than perceiving Nigerian history as a series of micro histories of different ethnic groups it is closer to the truth to understand Nigeria as a loose associations of people with a common history and common cultural traits all to the good given their common destiny

The House of Skulls Ejituwu, Nkparom C.,Okoroafor, Stanley I.,2016-10-09 This is a study of the House of Skulls one of the lost cultures of the Niger Delta The House of Skulls was a European label for a house built by some Niger Delta communities with the skulls of their enemies killed in war The case is used to argue that barbarism is not endemic to African Culture but rather part of the primitive instinct of man and the House of Skulls as evidence of human sacrifice and headhunting in the Niger Delta and its hinterland in pre colonial times was not worse than some of the practices both African and European which have been documented In doing so the study provides fresh insights into the history of one of the lost cultures of the Niger Delta a culture much modified in contemporary times

Resolved to Become Chukudi V. Izeogu,2025-04-23 Many people young and old have lofty ideas and dreams of who they would like to be what kind of person to become and anticipate becoming in life or the future profession to pursue and life purpose Also many people seem unfulfilled in their life goals and pursuits because of disadvantaged backgrounds and obstacles A book that looks at persons who beat odds to succeed in their life pursuits can be inspiring *Resolved to Become* is about the life journey of someone born and raised in a rural community in Southeastern Nigeria about the period of the World War II and became the person he is in life by divine providence With a clear perception of his personal identity upbringing in a Seventh Day Adventist Christian home self discipline hard work and determination he resolved to actualize his life dreams in his native country Nigeria and in the United States of America The book portrays the life of Chukudi who early in life had a clear understanding of his identity who he is and could become and resisted the pressures within his sociocultural community and environment and fellow youth including friends that could have influenced him to settle for mediocrity and derailed his plans in life Through many challenges obstacles and disappointments including growing up in a typical rural and underprivileged community with limited choices and opportunities for Western education interruption of university program for three years by war illness and irreparable loss of loved ones that he experienced in life God alone brought consolation blessings and strength to go through the crucibles and unpleasant situations faced Thus the obstacles could only delay but not deter him from becoming what God ordained a professional and emeritus professor outside

his country of birth In reflecting on the author s life journey the book hints at the foundations of a life fulfilled the value of hard work in the words of Henry Wadsworth Longfellow The height that great men reached and kept were no attained by sudden flight but they while their companions slept they were toiling upwards in the night and in the scriptures as penned by Solomon in the book of Proverbs 6 23 Go to the ants thou sluggard consider her ways and be wise Which having no guide overseer or ruler provided her meat in the summer and gathered her food in the harvest The book provides many object lessons that would help young people to succeed regardless of the obstacles they may face Also it encourages people to not allow difficulties to limit them in their resolve to pursue their ambitions to place their trust in God the Master Planner and to cling to His promises in Jeremiah 29 11 For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future Claiming this promise Chukudi was quite unwilling to let his age environment and race or other factors including intrigues of colleagues define him or hinder in any way his thirst for intellectual development excellence in his work and giving back to the society God s blessings and endowments to Him Above all else to learn to trust in God and learn to depend on His word
