Alex, the Life of Field Marshal Earl Alexander of Tunis Nigel Nicolson, 1973 **The British Field Marshals,** 1736-1997 T. A. Heathcote, 2012-10-24 Whether any advantage or benefit will be drawn from the suspension or effective abolition of the rank of Field Marshal is debatable What is certain however is that Dr Tony Heathcotes idea of compiling a definitive biographical dictionary of holders of this illustrious rank since its introduction by George II in 1736 is opportune and inspired Those readers who anticipate a dry recitation of bare facts and statistics are in for a disappointment A reference work this may be but the author by dint of his depth of knowledge has created a shrewd and highly readable commentary as well As General Sir Charles Guthrie the first soldier to be denied promotion to Field Marshal on appointment to Chief of Defense Staff observes in his Foreword this book embraces the history of the British Army over the last 250 300 years It covers not only the careers of key individuals but provides an understanding of their contribution to the successes and failures of our military past The diversity of personalities who have only the honor of wearing the coveted crossed batons in common is fascinating Alongside the household names of the great strategists and distinguished leaders lie little known and forgotten figures who gained their exalted rank by either luck accident of birth or diplomatic gesture The British Field Marshals merits a place on the bookshelf of any military historian but is likely to be found on his or her bedside table Whether or not the rank is ever resurrected as it has been in the past and as many will hope it will be again this delightful and useful book will remain the authoritative guide to all those who have held the highest military rank in the British Army

The Men Behind Monty Richard Mead, 2015-05-30 The Men Behind Monty examines the role played by the staff in the victorious campaigns of Field Marshal Viscount Montgomery Britain s most successful field commander since the Duke of Wellington When Monty took command of Eighth Army in August 1942 he inherited the staff of his predecessor He retained all the key members and most of them stayed with him not only from El Alamein to Tunis but also in Sicily and Italy When he took command of 21st Army Group in January 1944 many accompanied him to take up the most prominent positions on the HQ staff and the majority remained until the German surrender in May 1945 This fascinating work focuses not only on the senior officers responsible for the various staff branches and notably on Monty s outstanding Chief of Staff Freddie de Guingand but also on his personal staff the ADCs and personal liaison officers The book sheds light on the work of the staff generally and on their direct contribution to Monty s decisions his sometimes difficult and controversial relationships with his superiors and allies
