

Alex Katz

Tobias Bleicker

Alex Katz:

Alex Katz Carter Ratcliffe, Robert Storr, Iwona Blazwick, 2006-04-18 Alex Katz is a towering figure in contemporary painting a key New York based artist since the early 1960s Katz is best known for his distinct portraits of sophisticated irresistible women masterfully painted using precise broad areas of colour Alex Katz is represented by Marlborough 40 West 57th Street New York NY 10019 Tel 212 541 4900 Fax 212 541 4948 mny marlboroughgallery.com and Timothy Taylor Gallery 24 Dering Street London W1 1TT tel 020 7409 3344 mail timothytaylorgallery.com www alexkatz.com **Alex Katz**

Alex Katz, 1997 **Alex Katz: Gathering** Katherine Brinson, 2022 Across nearly eight decades of intense creative production Alex Katz has sought to capture a state of absolute awareness in paint Whether evoking a glancing exchange between friends or a shaft of light filtered through trees he has aimed to create a record of quick things passing compressing the flux of everyday life into a condensed burst of optical perception Published on the occasion of the artist's first US career retrospective in more than 30 years Alex Katz Gathering offers a definitive account of Katz's artistic project demonstrating both its marked coherence and restless evolution Generously illustrated the book features the full breadth of the artist's work across mediums and formats from intimate sketches of riders on the New York City subway in the late 1940s to the rapturous monumentally scaled landscapes that have dominated his recent production Essays by artists writers and art historians offer fresh authoritative overviews of the artist's practice alongside more focused considerations of specific facets of his art including his flower paintings collages prints freestanding cutouts and set design collaborations with the Paul Taylor Dance Company A sourcebook of historical reviews essays and poems rounds out the volume which offers an overdue reassessment of the artist's oeuvre **Alex Katz** Alex Katz, Adam D. Weinberg, Dana Self, Shamim Momin, 2001 New York artist Alex Katz

is best known for his eye-catching large scale portraits figures and landscapes but in the mid 1950s he painted intimate works originating the style that would become the hallmark of his mature work By the early 1960s he established a procedure of making small sketches using oil paint on Masonite board which he would enlarge and modify then make into paper cartoons to transfer to the canvas He produces one or more small sketches for every large painting Although Katz considers the large works to be his major productions small scale paintings are the underpinning of his work revealing his initial passion for a subject a love at first sight before it has fully matured While his big paintings are akin to a public performance the small paintings are rehearsals that reveal not only how he works but more importantly why he is interested in a particular subject This volume focuses on the achievement and significance of Katz's small paintings *Alex Katz, the Complete Prints*

Nicholas P. Maravell, Alex Katz, Carter Ratcliff, 1983 Alex Katz Alex Katz, 1996 Alex Katz Alex Katz, 2008 *Alex Katz* Alex Katz, Marlborough Gallery, 1986 Alex Katz Alex Katz, Graphische Sammlung Albertina, Kunsthalle Würth, 2010 Alex Katz born 1927 is best known as a painter specifically as a painter of his family and his distinguished circle of friends including poets writers and artists In the early 1950s he began experimenting with printmaking but it was not until the mid

1960s that he intensified his interest and production in the medium Pushing at the limits of various printing techniques Katz tested out pictorial ideas first conceived for his paintings retaining planes of matte color but further simplifying his forms and dramatically cropping his images These reduced compositions were wonderfully compatible with the graphic clarity of printmaking and by effectively translating his paintings into prints the artist achieved what he called the final synthesis of painting This publication provides insight into an often neglected yet vital aspect of Katz s work from the early 1950s to the present day Alex Katz Alex Katz, **Alex Katz** Alex Katz,2008 The publication Alex Katz Faces and Names presents a body of work by the American artist that is part of BSI Art Collection a small but representative selection of paintings The volume reproduces the Fan of the Poet a portfolio of an aquatint produced in 1978 and accompanied by poems The artist has provided technical comments and personal memories especially written for this occasion for each work The book constitutes a handy and unique opportunity to take an inside look at the background to Alex Katz s practice The book is published by the commissioner BSI Banca della Svizzera Italiana as part of their Art Program relaunched in 2005 by the Italian curator and critic Luca Cerizza Stemming from a program of site specific commissions for the bank the books in this series are conceived as individual monographs on each artist s contribution Gathering preparatory material documentation on the works and essays by critics or the artists themselves these volumes participate in the discussion around commissioning the notions of public vs private collection and the relationship between artists and patrons **BOOK JACKET** *Alex Katz* Ann Beattie,1985 In this analysis of the themes of Katz s paintings Beattie captures the artist s visual messages The author s analysis covers Katz s portrayal of alienation placidity triviality and meaninglessness the disturbing realities of the 20th century She compares Katz s work to contemporary artists such as Avendon O keeffe and Stieglitz and analyzes his narrative themes She also includes a chapter about Ada Katz s wife and model ISBN 0 8109 1212 0 27 50 **Dictionary of Artists' Models** Jill Berk Jiminez,2013-10-15 The first reference work devoted to their lives and roles this book provides information on some 200 artists models from the Renaissance to the present day Most entries are illustrated and consist of a brief biography selected works in which the model appears with location a list of further reading This will prove an invaluable reference work for art historians librarians museum and gallery curators as well as students and researchers *Alex Katz* Alex Katz,Klaus Albrecht Schröder,2004 **Alex Katz** Irving Sandler,1998-03 The definitive statement of the achievement of Alex Katz b 1927 a major contemporary artist with a large and devoted following this retrospective presents a sound and straightforward explication of the artist s evolution that reaffirms his stature in 20th century art 213 illustrations 75 in color *Alex Katz* Alex Katz,Merlin James,Lawrence Alloway,Saatchi Gallery,Saatchi Collection,1997 *Alex Katz in European Collections* Alex Katz,2006 **Mutual Reflections** Milly Heyd,1999 This text examines the mutual relationship between Jews and African Americans through visual art It investigates how artists of both backgrounds have viewed each other in the past how visual languages and thematic concerns have changed to reflect different issues of concern to each group *Alex Katz, 1957-1959*

Alex Katz, Irving Sandler, 1981 **Alex Katz**, 2014-09-15 Renowned for his vivid larger than life portraits Alex Katz is a towering figure in contemporary painting His work can be found in institutions such as the Metropolitan Museum of Art the Art Institute of Chicago MoMA LACMA and the National Portrait Gallery The revised and expanded edition of Phaidon's landmark survey is the most up to date overview of Katz's prolific 50 year career Featuring more than 300 gorgeous reproductions of key works Alex Katz devotes ample space to the artist's lush portraits while also including his landscapes sculptures and painted books Rounding out the book's content are writings from the artist himself contributions from Robert Storr Iwona Blazwick Carter Ratcliff and a new essay by Barry Schwabsky

The Enthralling World of E-book Books: A Detailed Guide Unveiling the Benefits of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the limitations of physical books.
