THE AUTOBIOGRAPHY OF

ALEX HIGGINS

Alex Through The Looking Glass The Autobiography Of Alex Higgins

IM Harris

Alex Through The Looking Glass The Autobiography Of Alex Higgins:

Alex Higgins: Snooker Legend J Hennessey, 2013-05-24 When Alex Higgins first manager John McLaughlin bestowed the nickname Hurricane Higgins on the young feisty snooker player he had no idea just how apt it was to prove over the next thirty years Eye of the Hurricane details a sad but uplifting story of a man who had everything to play for but now has to play hard for anything he can get It describes Higgins sitting fitfully on snooker s sidelines still has a story to tell another controversy to spark Author John Hennessey promises a wart and all account of Alex Higgin s life and that is precisely what he delivers in this thoroughly absorbing book well told but cautionary tale of how narrow the line is between genius and insanity This first proper account of Higgin s life is all the more clear eyed for being written without his co operation *A Billiards and Snooker Compendium* Gary Clarke, 2008 *A Billiards Snooker Compendium* *A Billiards Snooker Compendium* is the most extensive work on the literature of billiards and snooker ever published and took over two years to compile It contains bibliographical information on over 650 books a detailed description of each book s content tips on identifying different editions notes on scarce dustjackets plus the estimated values of 1st editions These values have been calculated using a variety of well respected sources This essential reference book is easy to use is clearly laid out and includes both an author and title index Each book has its own unique reference number and entries are fully cross referenced It will appeal to all collectors of billiards and snooker memorabilia book dealers and collectors fans of both sports and those simply wishing to add a few books to their sports collection About the author Gary Clarke has been playing and watching snooker for over 25 years and has a great knowledge and deep affection for the game He is also an avid reader and book lover and this work combines two of his most passionate interests The author currently lives in his home town of Ipswich and this is his first work of non fiction *Media Sport Stars* Garry Whannel, 2005-07-08 *Media Sport Stars* considers how masculinity and male identity are represented through images of sport and sport stars From the pre radio era to today s specialist TV channels newspaper supplements and websites Whannel traces the growing cultural importance of sport and sportmen showing how the very practices of sport are still bound up with the production of masculinities Through a series of case studies of British and American sportsmen Whannel traces the emergence of the sporting hero and star and considers the ways in which the lives of sport stars are narrated through the media Focusing on figures like Muhammad Ali and David Beckham whose fame has spread well beyond the world of sport he shows how growing media coverage has helped produced a sporting system and examines how modern celebrity addresses the issues of race and nation performance and identity morality and violence From Babe Ruth to Mike Tyson *Media Sport Stars* demonstrates that in an era in which both morality and masculinity are perceived to be in crisis sport holds a central place in contemporary culture and sport stars become the focal point for discourses of masculinity and morality *British Sport: Biographical studies of British sportsmen, sportswomen, and animals* Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English

language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Alex Through the Looking Glass* Alex Higgins, Tony Francis, 1986-01-01 The Mammoth Book of Irish Humour Aubrey Malone, 2012-11-15 This bumper collection of Irish humour covers topics such as Absenteeism and Zoos and everything in between It would be disappointing should such a large collection not include the best of famous Irish wits such as Oscar Wilde and George Bernard Shaw but the emphasis is very much on contemporary Irish humour from the likes of Tommy Tiernan Dylan Moran Ardal O Hanlon and Dara O Briain to name just a few Lunatic iconoclastic and as Spike Milligan might have put it involving sideways thinking this is Irish humour at its very best Sport in Britain Richard William Cox, 1991 **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **Bander Snatch** , 1987 *British Book News* British Council, 1987 Includes no 53a British wartime books for young people British Sport - a Bibliography to 2000 Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian Who Was Hurricane Higgins? Tony Francis, 2011-10-13 Alex Hurricane Higgins transcended sport in a way very few sportsmen ever have In this definitive biography Tony Francis describes how Alex threw himself into life like a man throwing himself off a cliff No safety net No plan No fear No shame Francis interviews more than sixty witnesses to this extraordinary life and comes up with a remarkable series of adventures to surprise even Alex's staunchest fans We hear from his ex wife Lynn who tolerated him for ten years helped him recover from a suicide attempt watched him trash the house but still has a fondness for the father of her kids Snooker champion Jimmy White Alex's best friend says I loved him I hated him I loved him I hated him The author investigates the Irish drink culture which undermined his family colleagues and of course Higgins himself How did Higgins fellow Irish sportsman and biggest fan Barry McGuigan escape the excesses which dragged Higgins and George Best into the gutter Did drink account for Higgins' wild outbursts or was there something more to it Why did his lost love describe the man who once head butted a tournament official as the gentlest man I ever met For all his faults Higgins was for a time the most loved sportsman in Britain He remains a legend and the most outstanding charismatic snooker player who ever walked into an arena Francis traces his crazy life from the time when as a baby he was kept in a shoe box in his mother's top drawer to the sheltered accommodation in Sandy Row Belfast where he died If you want to know what kind of man could mesmerise and terrorise his way to the top be acclaimed by millions one moment and literally thrown out of a pub the next die in pitiful isolation yet be celebrated by thousands lining the streets in what amounted to a state funeral then *Who Was Hurricane Higgins?* is a must read **Snooker's World Champions** Luke Williams, Paul Gadsby, 2012-10-05 The top snooker players in the world compete for several trophies every year but one carries more prestige than all the others put together the World Championship No other tournament in the sport carries with

it so much history so many golden moments of spectacular success and dramatic failure Meticulously researched and including exclusive interview material with Steve Davis Stephen Hendry and 2005 world champion Shaun Murphy among others *Masters of the Baize* is a comprehensive guide to the men who have lifted the greatest prize in snooker From the legendary Joe Davis the first champion in 1927 to modern day masters like Mark Williams all the sport s world champions are put under the microscope while the colourful careers of forgotten figures such as Walter Donaldson and John Pulman and rogue heroes like Alex Higgins and Ronnie O Sullivan are brought vividly to life After uncovering the inauspicious origins of the game in nineteenth century India the authors examine every former world champion in his own comprehensive chapter Additionally a special section focuses on the extraordinary popularity of Jimmy White by far the greatest player never to have won the title and one of the most emotive names in the sport **From Drug to Dragon** R. C. Jiloha, Bhim Sain, 1992 A study of drug use in India especially among youth and women The British National Bibliography Arthur James Wells, 1968

Whitaker's Books of the Month & Books to Come, 1986 **British Book News**, 1986 *Whitaker's Cumulative Book List*, 1986 Behind the White Ball Jimmy White, 1999 After Hurricane Higgins crashed out of snooker s top league Jimmmy White has been the People s Champion even though he never quite made the top World spot pipped at the post in 1995 by Stephen Hendry after missing one single black Aged 16 White was the youngest player to win the English Amateur Championship At 18 he won the World Amateur title By 1984 he s a professional success married but not at all settled He s the kind of man who goes out for a packet of cigarettes and comes home two weeks later Gambling women marathon binges with showbiz friends like Ron Wood of the Rolling Stones have threatened the stability of his marriage But somehow White has survived to tell in candid detail a most unusual often outrageous story of a very sporting life **Selected Letters, 1940-1977** Vladimir Nabokov, 2018-06-01 Wonderful compulsively readable delicious personal correspondences spanning decades in the life and literary career of the author of *Lolita* The Washington Post Book World An icon of twentieth century literature Vladimir Nabokov was a novelist poet and playwright whose personal life was a fascinating story in itself This collection of more than four hundred letters chronicles the author s career recording his struggles in the publishing world the battles over *Lolita* and his relationship with his wife among other subjects and gives a surprising look at the personality behind the creator of such classics as *Pale Fire* and *Pnin* Dip in anywhere and delight follows John Updike

Yeah, reviewing a book **Alex Through The Looking Glass The Autobiography Of Alex Higgins** could build up your near contacts listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have extraordinary points.

Comprehending as competently as bargain even more than extra will find the money for each success. adjacent to, the revelation as capably as acuteness of this Alex Through The Looking Glass The Autobiography Of Alex Higgins can be taken as competently as picked to act.
