Alexander Strahan, Victorian Publisher Patricia Thomas Srebrnik, 1986 *Alexander Strahan, Victorian Publisher* Patricia Thomas Srebrnik, 1986 **"ANCHOR OF HOPE": THE CAREER OF ALEXANDER STRAHAN, A VICTORIAN PUBLISHER (BRITAIN).** Patricia Ann Thomas Srebrnik, 1983 business to London in 1862 **Anchor of Hope** Patricia Thomas Srebrnik, 1983 **Serialization and the Novel in Mid-Victorian Magazines** Catherine Delafield, 2016-03-03 Examining the Victorian serial as a text in its own right Catherine Delafield re reads five novels by Elizabeth Gaskell Anthony Trollope Dinah Craik and Wilkie Collins by situating them in the context of periodical publication She traces the roles of the author and editor in the creation and dissemination of the texts and considers how first publication affected the consumption and reception of the novel through the periodical medium Delafield contends that a novel in volume form has been separated from its original context that is from the pattern of consumption and reception presented by the serial The novel's later re publication still bears the imprint of this serialized original and this book's investigation into nineteenth century periodicals both generates new readings of the texts and reinstates those which have been lost in the reprinting process Delafield's case studies provide evidence of the ways in which Household Words Cornhill Magazine Good Words All the Year Round and Cassell's Magazine were designed for new audiences of novel readers **Serialization and the Novel in Mid Victorian Magazines** addresses the material conditions of production illustrates the collective and collaborative creation of the serialized novel and contextualizes a range of texts in the nineteenth century experience of print **Victorian Bestseller** Karen Bourrier, 2019-06-19 When novelist Dinah Craik 1826-87 died expressions of grief came from Lord Alfred Tennyson Matthew Arnold Robert Browning T H Huxley and James Russell Lowell among others and even Queen Victoria picked up her pen to offer her consolation to the widower Despite Craik's enormous popularity throughout a literary career that spanned forty years she is now all but forgotten Yet in an otherwise respectable life bookended by scandal this was precisely the way that she wanted it **Victorian Bestseller** is the first book to relate the story of Dinah Craik's remarkable life Combining extensive archival work with theoretical work in disability studies and the professionalization of women's authorship Karen Bourrier engagingly traces the contours of this author's life Craik who wrote extensively about disability in her work was no stranger to it in her personal and professional life marked by experiences of mental and physical disability and the ebb and flow of health Following scholarship in the ethics of care and disability studies the book posits Craik as an interdependent subject placing her within a network of writers publishers editors and artists friends and family members **Victorian Bestseller** also traces the conditions in the material history of the book that allowed Victorian women writers careers to flourish In doing so the biography connects corporeality gender and the material history of the book to the professionalization of Victorian women's authorship **Victorian Literary Businesses** Marrisa Joseph, 2019-10-29 This book explores the business practices of the British publishing industry from 1843-1900 discussing the role of creative businesses in society and the close

relationship between culture and business in a historical context Marris Joseph develops a strong cultural social and historical discussion around the developments in copyright law gender and literary culture from a management perspective analysing how individuals formed professional associations and contract law to instigate new processes Drawing on institutional theory and analysing primary and archival sources this book traces how the practices of literary businesses developed reproduced and later legitimised By offering a close analysis of some of publishing s most influential businesses it provides an insight into the decision making processes that shaped an industry and brings to the fore the institutional story surrounding literary business and their practices many of which can still be seen today *The Professional Literary Agent in Britain, 1880-1920* Mary Ann Gillies,2007-01-01 Breaking new ground in the study of British literary culture during an important transitional period this new work by Mary Ann Gillies focuses on the professional literary agent whose emergence in Britain around 1880 coincided with and accelerated the transformation of both publishing and authorship Like other recent studies in book and print culture *The Professional Literary Agent in Britain 1880 1920* starts from the central premise that the business of authorship is inextricably linked with the aesthetics of literary praxis Rather than provide a broad overview of the period however Gillies focuses on a specific figure the professional literary agent She then traces the influence of two prominent agents A P Watt generally acknowledged as the first professional literary agent and J B Pinker the leading figure in the second wave of agents focusing on their respective relationships with two key clients The case studies not only provide insight into the business dynamics of the literary world at this time but also illustrate the shifting definition of literature itself during the period Kegan Paul: A Victorian Imprint Howsam,1999-01-01 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *The Arnoldian* ,1986 **Anthony Trollope** Nicholas Birns,John F. Wirenius,2021-10-20 Anthony Trollope s novels and stories entertain while vividly bringing the Victorian era to life His deep empathy for the underdog led him to subvert conventions exploring the lives of women as well as men and choosing as heroes and heroines outsiders who would be viewed with suspicion by his readers Trollope s profound insight to human nature made him the first novelist in English to develop three dimensional characters and to create the novel sequence This literary companion introduces readers to his life and work A to Z entries explore Trollope s short story collections and nonfiction contributions as well as important themes in the works This companion also includes fresh voices of contributors that bring in their contemporary insights to bear on Trollope s achievements facilitating the understanding of Trollope s perspectives in relation to feminism queer studies and transnationalism **The London Journal, 1845-83** Andrew King,2017-07-05 This book is the first full length study of one of the most widely read publications of Victorian Britain the *London Journal* inserting the story of this magazine into the wider context of the Victorian mass market periodical It draws on traditional modes of scholarship in history art history and literature as well as on developments in sociology psychoanalysis and cultural theory However the author ultimately relies on new and extensive primary research to ground

the changing ways in which the reading public became consumers of literary commodities on a scale never before seen Previous commentators have coded the mass market as somehow always feminine and King offers a genealogy of how such a gender identity came about Finally King recontextualizes within the Victorian mass market three key nineteenth century novels Walter Scott's *Ivanhoe* Mary Braddon's *Lady Audley's Secret* and Zola's *The Ladies Paradise* and in so doing suggests radically new and unexpected meanings

At the Back of the North Wind George MacDonald, 2011-10-14 The unique blend of fairy tale atmosphere and social realism in this novel laid the groundwork for modern fantasy literature In the novel *Little Diamond* a kind and precocious boy living in poverty is befriended by the mysterious North Wind who takes him on her nightly adventures Written in intensely poetic language *At the Back of the North Wind* transcends the genres of children's book or fairy tale Appendices include essays on childhood by contemporaries such as John Ruskin and Charles Dickens as well as contextualizing selections from Victorian fantasy and fairy tales

Edinburgh History of the Book in Scotland, Volume 3: Ambition and Industry 1800-1880 Bill Bell, 2007-11-23 Throughout the nineteenth century Scotland was transformed from an agricultural nation on the periphery of Europe to become an industrial force with international significance A landmark in its field this volume explores the changes in the Scottish book trade as it moved from a small scale manufacturing process to a mass production industry This book brings together the work of over thirty leading experts to explore a broad range of topics that include production technology bookselling and distribution the literary market reading and libraries and Scotland's international relations

Poetry, Pictures, and Popular Publishing Lorraine Janzen Kooistra, 2014-10-07 In *Poetry Pictures and Popular Publishing* eminent Rossetti scholar Lorraine Janzen Kooistra demonstrates the cultural centrality of a neglected artifact the Victorian illustrated gift book Turning a critical lens on drawing room books as both material objects and historical events Kooistra reveals how the gift book's visual verbal form mediated high and popular art as well as book and periodical publication A composite text produced by many makers the poetic gift book was designed for domestic space and a female audience its mode of publication marks a significant moment in the history of authorship reading and publishing With rigorous attention to the gift book's aesthetic and ideological features Kooistra analyzes the contributions of poets artists engravers publishers and readers and shows how its material form moved poetry into popular culture Drawing on archival and periodical research she offers new readings of Eliza Cook Adelaide Procter and Jean Ingelow and shows the transatlantic reach of their verses Boldly resituating Tennyson's works within the gift book economy he dominated Kooistra demonstrates how the conditions of corporate authorship shaped the production and reception of the laureate's verses at the peak of his popularity *Poetry Pictures and Popular Publishing* changes the map of poetry's place in all its senses in Victorian everyday life and consumer culture

"The Art-Journal and Fine Art Publishing in Victorian England, 1850-1880" Katherine Haskins, 2017-07-05 Focusing on an era that both inherited and irretrievably altered the form and the content of earlier art production *The Art Journal and Fine Art Publishing* in

Victorian England 1850 1880 argues that fine art practices and the audiences and markets for them were influenced by the media culture of art publishing and journalism in substantial and formative ways perhaps more than at any other time in the history of English art The study centers on forms of Victorian picture making and the art knowledge systems defining them and draws on the histories of art literature journalism and publishing The historical example employed in the book is that of the more than 800 steel plate prints after paintings published in the London based Art Journal between 1850 and 1880 The cultural phenomenon of the Art Journal print is shown to be a key connector in mid Victorian art appreciation by drawing out specific tropes of likeness This study also examines the important links between paint and print the aesthetic values and domestic aspirations of the Victorian middle class and the inextricable intertwining of fine art and trade publishing

Reading Victorian Illustration, 1855-1875 Paul Goldman, 2016-04-01 In a reevaluation of that period in Victorian illustration known as The Sixties a distinguished group of international scholars consider the impact of illustration on the act of reading its capacity to reflect construct critique and challenge its audience s values its response to older graphic traditions and its assimilation of foreign influences While focused on the years 1855 to 1875 the essays take up issues related to the earlier part of the nineteenth century and look forward to subsequent developments in illustration The contributors examine significant figures such as Ford Madox Brown Frederick Sandys John Everett Millais George John Pinwell and Hablot Knight Browne in connection with the illustrated magazine the mid Victorian gift book and changing visual responses to the novels of Dickens Engaging with a number of theories and critical debates the collection offers a detailed and provocative analysis of the nature of illustration its production consumption and place within the broader contexts of mid Victorian culture

The Cambridge Companion to Wilkie Collins Jenny Bourne Taylor, 2006-11-23 Wilkie Collins was one of the most popular writers of the nineteenth century He is best known for The Woman in White which inaugurated the sensation novel in the 1860s and The Moonstone one of the first detective novels but he wrote over 20 novels plays and short stories during a career that spanned four decades This Companion offers a fascinating overview of Collins s writing In a wide range of essays by leading scholars it traces the development of his career his position as a writer and his complex relation to contemporary cultural movements and debates Collins s exploration of the tensions which lay beneath Victorian society is analysed through a variety of critical approaches A chronology and guide to further reading are provided making this book an indispensable guide for all those interested in Wilkie Collins and his work

The Palgrave Encyclopedia of Victorian Women's

Writing Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement

Christina Rossetti and

Illustration Lorraine Janzen Kooistra, 2002 Lorraine Janzen Kooistra's reading of Rossetti's illustrated works reveals for the first time the visual verbal aesthetic that was fundamental to Rossetti's poetics Her thorough archival research brings to light new information on how Rossetti's commitment to illustration and attitudes toward copyright and control influenced her transactions with publishers and the books they produced
