Alexis De Tocqueville Threats To Freedom In Democracy

Michael Hereth

Alexis De Tocqueville Threats To Freedom In Democracy:

Alexis de Tocqueville Michael Hereth, 1986 This first English translation of Alexis de Tocqueville shows the continuing relevance of Tocqueville's thought to the present *Tocqueville, Covenant, and the Democratic Revolution* Barbara Allen, 2005-01-01 Tocqueville Covenant and the Democratic Revolution examines the intellectual and institutional context in which Alexis de Tocqueville developed his understanding of American political culture with its profound influence on his democratic theory American democracy Tocqueville maintained had emerged from the covenant tradition of Reformed Protestantism The covenant or foederal theology of New England Puritans provided the ideational basis for federated church and civil government which directly influenced the American constitutionalism and the republican institutions that Tocqueville later observed Tocqueville suggested that the principles underlying American constitutionalism offered broader lessons in the art and science of self government An important book for scholars of Tocqueville as well as American political thought this book suggests that an understanding of the American covenant tradition is critical to our interpretation of Tocqueville's analysis of the democratic revolution and the new science of politics it necessitated [Tocqueville's Political and Moral Thought](#) M.R.R Ossewaarden, 2004-08-02 First Published in 2004 The nineteenth century French statesman and political thinker Alexis de Tocqueville described himself as a liberal of a new kind This book is a significant contribution to a better understanding of liberalism and of the distinctive character of Tocqueville's liberalism in particular The main focus of the book is the nature of Tocqueville's liberalism The author argues that Tocqueville seeks to reconcile the Christian and the citizen in the context of modernity and explores the question of how Tocqueville's work synthesizes religion and politics Key themes discussed include the relationship between faith and reason the individual and community patriotism and religion history and nature An overall picture of Tocqueville's idea of civilization is also presented This is the first book that seeks to penetrate the set of principles that have shaped the distinctive character of Tocqueville's liberalism The author shows that the consequences that are derived from these principles generate interesting and significant insights into the nature of liberalism Tocqueville's Moral and Political Thought will be essential reading for advanced students and academics of political theory philosophy and those interested in liberalism and the work of Alexis de Tocqueville **Liberalism with Honor** Sharon R. Krause, 2002-04-15 Why do men and women sometimes risk everything to defend their liberties What motivates principled opposition to the abuse of power In Liberalism with Honor Sharon Krause explores honor as a motive for risky and difficult forms of political action She shows the sense of honor to be an important source of such action and a spring of individual agency more generally Krause traces the genealogy of honor including its ties to conscientious objection and civil disobedience beginning in old regime France and culminating in the American civil rights movement She examines the dangers intrinsic to honor and the tensions between honor and modern democracy but demonstrates that the sense of honor has supported political agency in the United States from the founders to democratic reformers such as Elizabeth Cady

Stanton and Martin Luther King Jr Honor continues to hold interest and importance today because it combines self concern and personal ambition with principled higher purposes and so challenges the disabling dichotomy between self interest and self sacrifice that currently pervades both political theory and American public life *Alexis de Tocqueville* Alan S. Kahan,2013-02-07 Alexis de Tocqueville was the author of two masterpieces Democracy in America and The Old Regime and the Revolution In this volume Alan S Kahan one of the world s leading authorities on Tocqueville s work presents an accessible and rigorous account of the French author s ideas set in the context of his life and times It sets out the essential tensions and ambiguities in Tocqueville s thought and analyzes the idea that made him such a compelling and insightful thinker **Tocqueville: A Very Short Introduction** Harvey C. Mansfield,2010-07-13 No one has ever described American democracy with more accurate insight or more profoundly than Alexis de Tocqueville After meeting with Americans on extensive travels in the United States and intense study of documents and authorities he authored the landmark Democracy in America publishing its two volumes in 1835 and 1840 Ever since this book has been the best source for every serious attempt to understand America and democracy itself Yet Tocqueville himself remains a mystery behind the elegance of his style Now one of our leading authorities on Tocqueville explains him in this splendid new entry in Oxford s acclaimed Very Short Introduction series Harvey Mansfield addresses his subject as a thinker clearly and incisively exploring Tocqueville s writings not only his masterpiece but also his secret Recollections intended for posterity alone and his unfinished work on his native France The Old Regime and the Revolution Tocqueville was a liberal Mansfield writes but not of the usual sort The many elements of his life found expression in his thought his aristocratic ancestry his ventures in politics his voyages abroad his hopes and fears for America and his disappointment with France All his writings show a passion for political liberty and insistence on human greatness Perhaps most important he saw liberty not in theories but in the practice of self government in America Ever an opponent of abstraction he offered an analysis that forces us to consider what we actually do in our politics suggesting that theory itself may be an enemy of freedom And that Mansfield writes makes him a vitally important thinker for today Translator of an authoritative edition of Democracy in America Harvey Mansfield here offers the fruit of decades of research and reflection in a clear insightful and marvelously compact introduction *Democracy Tamed* Gianna Englert,2024 Liberal democracies are under constant threat in the twenty first century and there is growing scepticism about whether liberalism and democracy can continue to survive together In Democracy Tamed Gianna Englert argues that the dilemmas facing liberal democracy are not unique to our present moment but have existed since the birth of liberal political thought in nineteenth century France Combining political theory and intellectual history Democracy Tamed tells the story of how the earliest liberals deployed their new democracy to combat universal suffrage But it also reveals how later liberals would appropriate their predecessors antidemocratic arguments to safeguard liberal democracies as we have come to know them Democracy Growing Up Laura Janara,2012-02-01 Finalist for the 2004 C B Macpherson Prize presented by the

Canadian Political Science Association Winner of the Best First Book Award presented by the Foundations of Political Theory section of the American Political Science Association Tocqueville's *Democracy in America* continues to be widely read but for all this familiarity the vivid imagery with which he conveys his ideas has been overlooked left to act with unexamined force upon readers' imaginations In this first sustained feminist reading of *Democracy in America* Laura Janara assesses the dramatic feminine masculine and infantile metaphorical figures that represent the historical political drama that is Tocqueville's primary topic These tropes are analyzed as both historical artifacts and symbols for psychoanalytic interpretation deepening and complicating the standing interpretations of Tocqueville's work *Democracy Growing Up* comments critically upon the peculiar gendered and familial foundations of modern Western democracy and upon the notion of democratic maturity that Tocqueville offers us

The Wiley-Blackwell Companion to Major Social Theorists George Ritzer, Jeffrey Stepnisky, 2011-03-31 Reflecting emerging research and ongoing reassessments of social theory The Wiley Blackwell Companion to Major Social Theorists offers significant updates and revisions to the original Blackwell Companion published a decade ago Volume 1 Features updates and revisions to all essays from original volume plus the addition of 11 new authors Includes six new essays featuring coverage of theorists not included in original volume Ibn Khaldun de Tocqueville Schumpeter Mannheim Veblen and Adorno Supplemented with comprehensive bibliographies on primary and secondary sources with a brief reader's guide accompanying each essay Addresses continuing relevance of most theories and their importance to contemporary scholarship Volume 2 Features updates and revisions to all essays from original volume plus the addition of 16 new authors Includes 11 new essays featuring coverage of theorists not included in original volume including Deleuze Bauman Smith Luhmann Agamben and others Supplemented with comprehensive bibliographies on primary and secondary sources with a brief reader's guide accompanying each essay Essays placed in social and historical context to allow readers to see how theorists have responded to pressing contemporary social and political issues

De Tocqueville Cheryl B. Welch, 2001 *Founders of Modern Political and Social Thought* present critical examinations of the work of major political philosophers and social theorists assessing both their initial contribution and continuing relevance to politics and society Each volume provides a clear accessible historically informed account of each thinker's work focusing on a reassessment of their central ideas and arguments Founders encourage scholars and students to link their study of classic texts to current debates in political philosophy and social theory Alexis de Tocqueville is one of the most topical and debated figures in contemporary political and social theory This clear new introduction to de Tocqueville's thought examines in detail his classic works and their major themes Welch argues that Tocqueville's major themes tap into deep anxieties about democratic practices and his writings help us to identify the major fault lines in democracy at the turn of the new century Beginning with a consideration of Tocqueville's distinctiveness against the historical background and intellectual context of his time Welch goes on to trace the development of his thought on democracy and revolution history slavery religion and

gender including chapters dealing with his writings on France and the United States The final chapter then explores Tocqueville s historical legacy and his contemporary significance illuminating the reasons why this displaced nineteenth century aristocrat has become one of the most topical figures in contemporary political and social theory The Victorian Reinvention of Race Edward Beasley,2010-07-02 Not until the early nineteenth century would polygenetic and racist theories win many adherents But by the middle of the nineteenth century in England racial categories were imposed upon humanity How the idea of race gained popularity in England at that time is the central focus of *The Victorian Reinvention of Race* New Racisms and the Problem of Grouping in the Human Sciences **Tocqueville and American Civilization** Max Lerner, Originally published in 1966 Lerner s study is an introduction to both Tocqueville s life and thought The new introduction by Robert Schmuhl traces the influence of Tocqueville on Lerner showing how Democracy in America became an abiding point of reference in Lerner s thinking about the United States and the world at large **Tocqueville Unveiled** Robert T. Gannett,2003-09-15 Drawing on his unprecedented access to Tocqueville s papers Robert T Gannett Jr reveals the ingenuity of Tocqueville s analyses of issues such as landownership administrative centralization and public opinion in pre-revolutionary France **Nature in American Philosophy (Studies in Philosophy and the History of Philosophy, Volume 42)** Jean De Groot,2004-11 With its focus on philosophy of nature this book fills a gap in the ongoing reassessment of nineteenth century American philosophy and it opens the way to further study of the role played by reflection on nature in the emergence of the American mind Montesquieu's Comparative Politics and the Spirit of American Constitutionalism Anne M. Cohler,1988 *Orientalism and Islam* Michael Curtis,2009-06-08 Through an historical analysis of the theme of Oriental despotism Michael Curtis reveals the complex positive and negative interaction between Europe and the Orient The book also criticizes the misconception that the Orient was the constant victim of Western imperialism and the view that Westerners cannot comment objectively on Eastern and Muslim societies The book views the European concept of Oriental despotism as based not on arbitrary prejudicial observation but rather on perceptions of real processes and behavior in Eastern systems of government Curtis considers how the concept developed and was expressed in the context of Western political thought and intellectual history and of the changing realities in the Middle East and India The book includes discussion of the observations of Western travelers in Muslim countries and analysis of the reflections of seven major thinkers Montesquieu Edmund Burke Tocqueville James and John Stuart Mill Karl Marx and Max Weber **Leo Strauss and His Legacy** John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo **Fascism, Vulnerability, and the Escape from Freedom** C. Jon Delogu,2022 A worldwide struggle between democracy and authoritarianism set against a backdrop of global surveillance capitalism is unmistakable Examples

range from Myanmar China and the Philippines to Hungary Turkey Russia and the United States Fascism Vulnerability and the Escape from Freedom offers a multidisciplinary analysis drawing on psychology and literature to provide readers with a deeper understanding of the mechanisms that drive people to abandon democracy in favor of vertically organized authoritarianism and even fascism In a comparative study of texts selected for their insights and occasional blind spots regarding fascist experiments of the past 100 years Delogu examines fascism s exploitation of fear of change loss and death disruption and extreme inequality The book offers an accessible and persuasive argument linking fascist authoritarianism also called right wing populism to certain underlying conditions such as a rise in us versus them thinking distrust or simple apathy regarding democratic institutions norms and results the vulnerabilities that result from extreme inequality economic social racial and addictions and codependency Stressful events such as a pandemic an environmental disaster or deep recession aggravate these harmful factors and make the fascist temptation including the use of violence almost irresistible Delogu s distinctive examination of texts that plumb the unconscious reveal linkages between actions and unavowable motives that purely historical and theoretical studies of fascism leave out Erich Fromm s neglected 1941 classic Escape from Freedom serves as a key reference in Delogu s study as does Robert Paxton s authoritative history The Anatomy of Fascism 2004 After underscoring the argument and urgent context around these two studies Hitler s Germany and George W Bush s post 9 11 America Delogu examines novels a diary memoirs and manifestos to show how vulnerability forces individuals to choose between exclusionary fascist authoritarianism and inclusive collaborative democracy

The Political Theories of Risk Analysis Nicholas P. Guehlstorf, 2012-11-03 The purpose of this study is to question whether liberal political theories ought to inform the way policymakers and administrators analyze risk in proposed courses of environmental practice In order to explore the relationship of liberal theory to rational practice in environmental policy this project examines the risk analysis used to approve the genetically engineered bovine growth hormone in American agricultural policy The Political Theories of Risk Analysis suggests that American environmental public policy is attempting to assess danger with an incomplete notion of utility to eliminate the hazards of society with an inadequate contractual justification of political authority and to publicly debate accepted levels of risk with an unfulfilled critical social theory Because environmental risk analyses are incorrectly perceived as technically rational and socially apolitical they result in practices that are muddled and misdirected Making theoretical foundations explicit however could lead to improved practice Public policy and administrative decisions regarding agricultural biotechnologies should and can function with more concern for democratic values The Political Theories of Risk Analysis is for environmental scientists philosophers public policy planners applied ethicists political scientists and environmentalists

Democracy--toward an American Understanding Harold Relyea, 1992

This is likewise one of the factors by obtaining the soft documents of this **Alexis De Tocqueville Threats To Freedom In Democracy** by online. Alexis De Tocqueville Threats To Freedom In Democracy Introduction

In today's digital age, the availability of Alexis De Tocqueville Threats To Freedom In Democracy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alexis De Tocqueville Threats To Freedom In Democracy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alexis De Tocqueville Threats To Freedom In Democracy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alexis De Tocqueville Threats To Freedom In Democracy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alexis De Tocqueville Threats To Freedom In Democracy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alexis De Tocqueville Threats To Freedom In Democracy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alexis De Tocqueville Threats To Freedom In Democracy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alexis De Tocqueville Threats To Freedom In Democracy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alexis De Tocqueville Threats To Freedom In Democracy books and manuals for download and embark on your journey of knowledge?

FAQs About Alexis De Tocqueville Threats To Freedom In Democracy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
